*Wake Up Sister It's Your Turn* A full life requires cultivation The minute we take our hands off the plow fail to reseed forget to fertilize we've lost our crop And yet most women I know while in the service of some greater good have let their very lives wilt on the vine Having been taught the fine art of accommodation most of us have developed a knack for selfless behavior We've dulled our personal lives while propping up everyone else's and we're no longer able even to imagine having any sort of adventure romance meaning

or purpose for ourselves In short we've gotten way off track and taken the wrong road to self satisfaction foolishly thinking that after all of the doing giving trying and overworking someone will offer us a reward But Prince Charming was a bad joke and all the fairy godmothers are dead Instead of happy ever after most of us end up with the ache We wake up each day with an inner gnawing a hunger for more a craving for an overhaul but we are too listless tired or depressed to do anything about it We have spent the greater part of our lives pouring ourselves out like a pitcher No wonder we feel so empty But we lack the necessary energy a helpful roadmap and any type of guidance and support Well it's time to change all of that From A Weekend to Change Your Life      Self-Healing with Reiki Penelope Quest,2012-07-19 Many people who attend a Reiki workshop learn the basics of self treatment with Reiki but few discover its real potential for self healing In Self Healing with Reiki Penelope Quest explains how you can use Reiki as a powerful tool for healing your mind body and spirit to achieve wholeness harmony and a sense of purpose Essential reading for everyone who has worked with Reiki at any level Self Healing with Reiki includes New ways of using Reiki for a healthier and more balanced life A holistic approach to self healing addressing psychological emotional social and environmental issues How to use Reiki for spiritual development and self understanding Special meditations for encouraging insight and inspiration Packed with innovative and easy to follow techniques this book will provide you with access to the real impact and power of self healing with Reiki      **In Praise of Retreat** Kirsteen MacLeod,2021-03-30 For readers of Walden Wild Pilgrim at Tinker's Creek A Book of Silence A Gift from the Sea and other celebrations of the inner adventure An utterly engaging dive into our modern ways of retreat where we go why we're drawn and how it's urgent From pilgrim paths to forest cabins and from rented hermitages to arts temples and quiet havens for yoga and meditation In Praise of Retreat explores the pleasures and powers of this ancient practice for modern people Kirsteen MacLeod draws on the history of retreat and personal experiences to reveal the many ways readers can step back from society to reconnect with their deepest selves and to their loftiest aspirations in life In the 21st century disengaging even briefly is seen by many as self indulgent unproductive and antisocial Yet to retreat is as basic a human need as being social and everyone can benefit whether it's for a weekend a month or a lifetime Retreat is an uncertain adventure with as many peaks and valleys as any mountain expedition except we head inward to recharge and find fresh energy and brave new ideas to bring back into our everyday lives      Transfiguration Rob Marshall,2023-11-30 In fifty pithy and engaging daily reflections from Ash Wednesday to Easter and beyond Rob Marshall leads us on a pilgrim journey to the Mountain of the Transfiguration The story of Jesus displaying the overwhelming glory of God to three chosen disciples is one of the most potent yet mysterious stories in the gospels and a prelude to all that will occur in Jerusalem Popular broadcaster Rob Marshall explores the many layers of the Transfiguration and relates them to ordinary human experiences journeying prayer revelation tiredness sleep fear doubt waiting questioning listening suffering vision and much more Mountaintop encounters with the divine are transformative but like the disciples we are not meant to stay there Instead we return to the

realities of daily life changed forever by glimpsing the glory of the God Transfiguration will help you take the power of divine revelation into your ordinary daily Christian life

**Highway to Holiness** Catherine (Cathee) Miles, 2025-07-22 Holiness sometimes seems like an abstract ideal that is unattainable for believers We tend to equate doing good with being holy or seeking to eliminate things in our lives that appear unholy The beautiful aspect of God's call to holy living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional Cathee helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the Trinity the Church and discipleship She encourages and challenges readers with stories of hope redemption healing forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to Holiness is intentional and instructional for holy living

**A Servant's Dance** çì-ỳàì, 2013-05-29 SHORT AND BEAUTIFUL READING EXPERIENCE In a servant's dance give your life away the mysterious author beautifully illustrates that every person no matter who they are is endowed with a unique talent and that the purpose or calling of every person is to give their lives

away in service to others by using that unique talent to improve the condition of humanity. It is only through a life dedicated to serving others that a person can experience lasting fulfillment, freedom, peace, and abundance. Every person on the planet, without exception, is necessary to the improvement and evolution of humanity. In a servant's dance, give your life away follows in the traditions of some of the most enlightened thinkers of the ages while offering wisdom to guide us through our modern, multitasked lives. The author challenges us to stop shaping our lives to fit the limits of our promising careers and to stop trying to please others; instead, we must strive to serve others, to give our lives away in service to humanity to achieve true fulfillment and to live out this universal purpose to serve by using our unique talent. A servant's dance, give your life away is an excellent career guide for any age. A stellar and powerful manifesto for organizations whose objective is to meet the needs of humankind.

**Fragrant Rivers of Wisdom** A. Christian van Gorder, 2021-12-09. Buddhism and Christianity are ancient, rich, and multivalent wisdom/spirituality traditions that often have insightful similarities as well as distinct perspectives from entirely different starting points. *Fragrant Rivers of Wisdom* explores some of these paths and encourages readers to gain as far as is possible a participant's appreciation of another faith. This book aims to help readers celebrate and enjoy the rich wisdom legacies of a teacher revealing a pure lotus blossoming from mud and the legacies of a peasant Jewish carpenter from Galilee revealing love on a cross. Both teachers share the power of love, the joys of healing, encouragement, and the creative resources of spirit-filled living. Their ancient words and their modern communities still following these paths are dynamically relevant for our modern context of confusion and challenge.
