Guardians of the Holy Grail Mark Amaru Pinkham,2004 Presenting the ancient Holy Grail lineage from Asia and how the Knights Templar were initiated into it this book reveals how ancient Asian wisdom became the foundation for the Holy Grail legend **Mind Control, Oswald & JFK** Lincoln Lawrence,Kenn Thomas,1997 Rev ed of Were we controlled Lincoln Lawrence **Finding Your Benben Stone** Dr. Daniel E. Mitchell,2014-12-05 Since the advent of religion upon our earth humankind has sought to spiritually connect effectively with the Supreme Being Source of All and Great Cosmic Creator Today many confused current and former followers of religious doctrines and churchgoers still question God about the reason for their existence In other words they are sincerely seeking to discover their life purpose while asking Why am I here In Finding Your Benben Stone Learn how to connect your mind with the universal quantum life force to awaken unto the highest level of spiritual Consciousness and continually draw upon the infinite powers of the Great Cosmic Seed of Life within this New Age of Enlightenment Understand how to find your life purpose by following your intuition and passionate feelings Experience being set free of fear worry doubt and lack of self confidence by the all powerful and encompassing comforter The Spirit of Truth Discover how to enter the kingdom of heaven within you so that you may receive the desires of your heart and experience the most imaginable bliss filled life of abundance *Underground Bases and Tunnels* Richard Sauder,1995 Go behind the scenes into little known corners of the public record and discover how corporate America has worked hand in glove with the Pentagon for decades dreaming about planning and actually constructing secret underground bases And newly uncovered information indicates that the strangeness continues with bizarre high tech gadgets like portable hand held surgical lasers and injectable electronic IDs as small as a grain of rice A Hitchhiker's Guide to Armageddon David Hatcher Childress,2000-11 Childress takes us around the world and back in his trippy finale to the Lost Cities series He is off

on an adventure in search of the apocalypse and end times He has flipped out and more Childress hits the road from the fortress of Megiddo the legendary fortress in northern Israel where Armageddon is prophesised to start Hitchhiking around the world Childress takes us from one adventure to another to ancient cities in the deserts and the legends of worlds before our own Childress muses on the rising and falling of civilisations and the forces that have shaped mankind over the millennia including wars invasions and cataclysms He discusses the ancient wars of the past including evidence for ancient atomic wars and relates the dim past with the present and dim future With humour philosophical insight and wonder at the amazing world around us Childress shows us the many traces of advanced civilisation in the past and how we should look at them differently than modern scientists currently do

The Shadow Government Len Bracken, 2002 This book presents the alarming evidence that nation states actively engage in terror and also passively allow terror to be visited upon their citizens It is not just liberation movements and radical groups that deploy terrorist tactics for offensive ends States use terror defensively to directly intimidate their citizens and to indirectly attack themselves or harm their citizens under a false flag Their motivation To provide pretexts for otherwise unwanted wars or to gain increased police powers Statesmen have executed indirect terrorism in various ways but most plots tend to involve the pretence of blind eyes misdirection and cover ups that give the statesmen plausible deniability The shrinking of the Lusitania the bombing of Pearl Harbour the October Surprise the first World Trade Center bombing the Oklahoma City bombing and other well known incidents suggest that terrorism is often successfully used by states to take the offensive against enemies at home and abroad Was 9 11 such an indirect defensive attack Len Bracken traces the clues circumstantially connecting a multi armed hydra of oil interests the CIA FBI diplomats and statesmen to the September 11 attacks and examines whether they were engineered or allowed as a pretext for the war in Afghanistan The subsequent anthrax attack targeting Democratic senators is considered in light of the controversial USA Patriot Acts rights encroaching measures and the act s easy passage under conditions of terror A shadow government appears to have covered the land like black ice

The Orion Prophecy Patrick Geryl, Gino Ratinckx, 2001 In the year 2012 the Earth awaits a super catastrophe its magnetic field will turn over in one go Phenomenal earthquakes and tidal waves will completely destroy our civilisation Europe and North America will shift thousands of kilometres northwards into polar climate Nearly the whole earth s population will perish in the apocalyptic happenings These dire predictions stem from Mayans and Egyptians descendants of the legendary Atlantis The Atlanteans had highly evolved astronomical knowledge and were able to exactly calculate the previous world wide flood in 9792 BC They built tens of thousands of mandjits and escaped to South America and Egypt In the year 2012 Venus Orion and several other stars will take the same code positions as in 9792 BC the year of the previous cataclysm For thousands of years historical sources have told of a forgotten time capsule of ancient wisdom located in a mythical labyrinth of secret chambers filled with artefacts and documents from the previous flood this book gives one possible location

UFOs and Anti-Gravity Leonard G.

Cramp,1997-03 Long out of print Cramp's 1966 classic book on flying saucer propulsion and suppressed technology is available again Cramp wrote *Space Gravity and the Flying Saucer* in 1954 and was Vice President of the British UFO Research Association BUFORA This is a highly technical look at the UFO phenomenon by a trained scientist Cramp first introduces the idea of anti gravity and introduces us to the various theories of gravitation He then examines the technology necessary to build a flying saucer and examines in great detail the technical aspects of such a craft Cramp's book is a wealth of material and diagrams on flying saucers anti gravity suppressed technology G fields and UFOs

The Sacred and the Profane Steve Barney,2009-10 Long considered the product of imagination and superstition the world's sacred writings compile what is often thought to be an archaic world view Yet many of these sacred writings describe a nature of reality that is in striking parallel to emerging modern scientific theory Still more shocking is the similarity between the entities described in the Bible and those described within the reports of modern paranormal events Does modern science and the Bible agree about the nature of reality Is it possible that life exists in other dimensions Who built many of the ancient civilizations upon earth What is the purpose of modern day paranormal events Are the entities described in modern day paranormal reports mankind's helpers Can earth soon expect a coming Messiah *The Sacred and The Profane* presents a mesmerizing framework describing not just a hidden past but a potentially dark and sinister future for the inhabitants of Earth

Pirates and the Lost Templar Fleet David Hatcher Childress,2003 Here stands the New Man His conception of reality is a dance of electronic images fired into his forebrain a gossamer construction of his masters designed so that he will not under any circumstances perceive the actual This New Man's happiness is delivered to him through a tube or an electronic connection His God lurks behind an electronic curtain when the curtain is pulled away we find the CIA sorcerer the media manipulator Jeff Keith is one of the foremost writers and researchers on political conspiracy in the world today Publisher description

The A.T. Factor Leonard G. Cramp,2001 British aerospace engineer Cramp began much of his scientific anti gravity and UFO propulsion analysis back in 1955 with his landmark book *Space Gravity and the Flying Saucer* out of print and rare His next books *UFOs and Anti Gravity Piece for a Jig Saw* and *The Cosmic Matrix Piece for a Jig Saw Part 2* began Cramp's in depth look into gravity control free energy and the interlocking web of energy that pervades the universe In this final book Cramp brings to a close his detailed and controversial study of UFOs and Anti Gravity with what he calls the Advanced Time Factor or the AT Factor This fascinating collection of some of the UFO related works is presented here in an autobiographical format in response to popular enquiry In this work the author points out that any preview of future events can logically be regarded as a form of time travel and this may occur in a vast cosmic matrix system in which all things have their shared existence Drawing on his own experience the author discovered that the elapsed time between preview of an event to its manifestation can also be variable and for co ordination and tabulating purposes he has designated this as an advanced time factor

Beyond the Rainbow Judy Kennedy,2004-07 A definitive spiritual handbook and political manifesto for the new
