Return Of Felix Nogara A Novel:

The Return of Felix Nogara Pablo Medina, 2002-03-01 The dictator is dead and suddenly the exiles can return So begins Pablo Medina's most compelling work to date a novel set on Barata the imaginary Caribbean island not unlike Cuba Sent to the United States at the age of twelve Felix Nogara has remained attached to his native land through dissident fellow exiles and through his family legacy Thirty eight years later he returns and with a wise and sardonic cab driver as his guide he travels through the ruined landscape to recover his lost history his lost happiness Returning to Barata was like going back to Eden It was like showing God who was really in control With wit imagination and visionary insight Medina takes the reader to an island in chaos in order to explore the deepest regions of an exile s heart Cuban American Fiction in English Delores M. Carlito, 2005-05-25 This bibliography contains listings and annotations of all novels anthologies and short story collections written by the first 1 5 and second generations of Cuban Americans This work also contains listings and annotations of all secondary works dealing with this fiction Identity, Memory, and Diaspora Jorge J. E. Gracia, Lynette M. F. Bosch, Isabel Alvarez Borland, 2009-01-08 This fascinating volume contains interviews with nineteen prominent Cuban American artists writers and philosophers who tell their stories and share what they consider important for understanding their work Struggling with issues of Cuban American identity in particular and social identity in general they explore such questions as how they see themselves how they have dealt with the diaspora and their memories what they have done to find a proper place in their adopted country and how their work has been influenced by the experience Their answers reveal different perspectives on art literature and philosophy and the different challenges encountered personally and professionally The interviews are gathered into three groups nine artists six writers and four philosophers An introductory essay for each group is included and the interviews are accompanied by brief biographical notes along with samples of the work of those interviewed One Island, Many Voices Eduardo R. del Rio, 2022-04-12 Cuban American writers have been studied primarily within the context of Latino literature as a whole Seeing a need to distinguish and define this unique literary perspective Eduardo del Rio selected twelve important well known authors and conducted interviews He chose writers who were born in Cuba but have lived in the United States for a significant amount of time and whose works include themes he considers elemental to Cuban American literature identity duality memory and exile But rather than a cohesive homogeneous group these conversations unveiled a kaleidoscope of individuality style and motive The authors bonds to Cuba inform their creative work in vastly different ways and attempts to categorize their similarities only highlight the range of character and experience within this assemblage of talented writers From playwright Dolores Prida to author and literary critic Gustavo P rez Firmat these voices run the gamut of both genre and personality In addition to the essential facts of literary accomplishment the interviews include a wealth of insight into each writer s history motivations concerns and relationship to language These personal details serve to humanize and illuminate the unique circumstances and realities that have shaped

both the authors and their work What del Rio has ultimately brought together is a series of intimate sketches that will not only serve as an important reference for any discussion of the literature but will also help readers to develop for themselves a sense of what Cuban American writing is and what it is not CONTENTS Preface Acknowledgments Introduction Nilo Cruz Roberto Fern ndez Cristina Garc a Carolina Hospital Eduardo Machado Dionisio Mart nez Pablo Medina Achy Obejas Ricardo Pau Llosa Gustavo P rez Firmat Dolores Prida Virgil Su rez Epiloque Notes Bibliography Index Forthcoming Books Rose Mommy Angst Ann C. Hall, Mardia J. Bishop, 2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of Gilmore Girls influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election Mommy Angst Motherhood in American Popular Culture considers questions like these as it probes our country's views on mothers and how those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media Mommy Angst gets at the heart of America's anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood while thoroughly undervaluing the complexities of their lives and their contributions to family and society To highlight the many sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus The Cigar Roller Pablo Medina, 2007-12-01 The celebrated Cuban American poet and stay at home moms and more novelist offers a fine portrait of a hedonist and a cad set in the Cuban expatriate community in Florida The New York Times Pablo Medina's The Cigar Roller recounts the life of Cuban master cigar roller Amadeo Terra A proud and capricious man tobacco has been the center of his life the source of his passion Though he committed many sins in his time he was always forgiven due to his considerable talents with the leaves An imperious patriarch of enormous appetites Amadeo now lies in a Florida hospital after suffering a stroke And only now does he finally look back at his previously unexamined life One day his nurse feeds him mango from a baby food jar a change from the tasteless mush he frequently rejects and the taste brings memories of his life in Havana flooding back to him He recalls his turbulent passionate relationship with his wife Julia his numerous romantic transgressions the three sons he s kept at a distance the political strife that forced his family to relocate from Cuba to Florida and finally the tragedy that he s kept locked away all these years The Cigar Roller is an evocative snapshot of an era gone up in smoke and a portrait of a once robust man who at the end of his imperfect life clamors for a quotient of dignity and grace as he comes to terms with his regrets Detroit Free Press The Greenwood Encyclopedia of <u>Latino Literature</u> Nicolás Kanellos, 2008-08-30 From East L A to the barrios of New York City and the Cuban neighborhoods of Miami Latino literature or literature written by Hispanic peoples of the United States is the written word of North America
