Return Of Hyman Kaplan:

The Return of Hyman Kaplan Leonard Q. Ross, 1959 **The Return of H*y*m*a*n K*a*p*l*a*n** Leo Rosten, 1959
Humorous stories about the American Preparatory School for Adults In this new series Hyman Kaplan is again the star
The Return of Hyman Kaplan Leo Rosten (Schriftsteller, Drehbuchautor), 1959 "The" Return of Hyman Kaplan Leo Rosten, 1959 *The Return of Hyman Kaplan* , 1959 Encyclopedia of American Humorists Steven H. Gale, 2016-04-14
First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature **College Bound** Dan Shiffman, 2017-10-27 Argues that first and second generation Jewish American writers had an ambivalent relationship with educational success Jewish American immigrants and their children have been stereotyped as exceptional educational achievers with attendance at prestigious universities leading directly to professional success In *College Bound* Dan Shiffman uses literary accounts to show that American Jews relationship with education was in fact far more complex Jews expected book learning to bring personal fulfillment and self transformation but the reality of public schools and universities often fell short Shiffman examines a wide range of novels and autobiographies by first and second generation writers including Abraham Cahan Mary Antin Anzia Yezierska Elizabeth Gertrude Stern Ludwig Lewisohn Marcus Eli Ravage Lionel Trilling and Leo Rosten Their visions of learning as a process of critical questioning enlivening the mind interrogating cultural standards and confronting social injustices present a valuable challenge to today's emphasis on narrowly measurable outcomes of student achievement This is a rich well researched and compelling study that displays a mastery of its authors and texts as well as the relevant scholarly studies It presents its findings in fluent readable prose Eric Sundquist Johns Hopkins University Shiffman makes an important and timely contribution to the field of American Jewish studies especially involving the place of education at the turn of the twentieth century and into the war years Victoria Aarons Trinity University
The Cambridge Companion to the American Short Story Michael J. Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day Rather than define what the short story is as a genre or defend its importance in comparison with the novel this Companion seeks to understand what the short story does how it moves through national space how it is always related to other genres and media and how its inherent mobility

responds to the literary marketplace and resonates with key critical themes in contemporary literary studies The chapters offer authoritative introductions and reinterpretations of a literary form that has re emerged as a major force in the twenty first century public sphere dominated by the Internet *Jewish Humor* Arie Sover,2021-04-06 This book details the evolution of Jewish humor highlighting its long history from the period of the Bible to the present day and includes a wide spectrum of styles that are expressed in various works and fields including the Bible the Talmud poetry literature folklore jokes movies and television series It focuses upon three socio geographic regions where the majority of Jewish people lived during the 18th to 21st centuries and where Jewish humor was created developed and thrived Eastern Europe the United States and Israel The text is a complicated mosaic based on three central components of Jewish life historical experience survival and wisdom It shows that one cannot understand Jewish humor without referring to the various factors which led the Jewish people to create their unusual sense of humor *Off-canon Pleasures* Armin Paul Frank,2011 The inclusion of works in a canonical list creates a large body of exclusions But among these neglected works there are not a few that nevertheless are worth reading Literary worth is not necessarily aesthetic impeccability A literary work recommends itself by a high degree of artistic achievement with elbowroom for historical importance The present study focuses on Leo Rosten s immigration novel *The Education of Hyman Kaplan* 1937 and Archibald MacLeish s radio play *Air Raid* 1938 The first is more than the apparent compendium of language based jokes Read in the context of immigration policy from Presidents Theodore Roosevelt to F D Roosevelt and of Jewish American humor it displays Kaplan s moral and intellectual growth which extant commentary denies and exhibits the interior internationality of an immigration country *Air Raid* is one of the few achieved American radio plays to take a stand on foreign affairs in a context that does not only consist of broadcasting and Picasso s collage painting *Guernica* the screaming picture which MacLeish transposed into the acoustic medium but also of the historical saturation bombing of the Basque town *The Critic* ,1959 *Modern Slovak Prose* Robert B Pynsent,1990-07-23 *Modern Slovak Prose* is a collection of essays based on papers delivered at a symposium at the School of Slavonic and East European Studies Although few major Slovak writers published during the 1970s normalisation period after the Warsaw Pact intervention Slovak literature did not stagnate like Czech literature The essays in this volume cover the whole period from the death throes of socialist realism to the lively sophisticated cosmopolitan fiction of the late 1970s and 1980s The cut off date is 1988 All the prose writers considered important by the Slovaks themselves and by non slovak scholars are covered Tatarka Jaros Johan Ides Ballek Bednr Dusek and so forth The volume contains a survey introduction to Slovak fiction from the 1950s to the present This book is the first to assess an area of east central European culture which has been virtually ignored in the West *To Be Continued* Hope Apple,Merle L. Jacob,2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued*debuted in 1995 Noew readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series *To Be Continued* Second

Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles publishers publication dates genre categories annotations and subject terms Among the genre categories that can be found in *To Be Continued* are romance science fiction crime novel horror adventure fantasy humor western war Christian fiction and others
