Sonship, Faith and Vision Martin Reén, 2024-06-04 The motivation of the Father in everything that He is doing is love and He wants to fill us with His love When that happens our hearts will be transformed and we will start to look at reality through the eyes of God and dream His dreams This will cause us to be possibility thinkers that tap into the full creativity of heaven That is the only way that we can find new creative ways to reach the world with the gospel and to extend the Kingdom of God on this earth As sons and daughters who are growing into the full inheritance of our Father we will be part of spreading His love all over the world That is what this book is all about As we learn to abide in His love as a lifestyle we will be renewed and transformed This will create a longing within our hearts to break out of religious limitations and meaningless traditions that have held us back so that we instead can pursue the visions and purposes of the Father by becoming more conformed into the image of Jesus everyday

An Introduction to Child Theology James M. Houston, 2022-02-17 These essays in this book are pastoral and scholarly to encourage parents to nurture and foster Christian family life by learning from scripture and history The Bible in both testaments offers us stories that provide moral and spiritual substance to the nurture of the child and the family Beginning with the mythopoetic story of Adam and Eve and the fratricide of Abel by the envy of Cain the stories of the sacrifices parents made then moving on to the stories of Abraham and Isaac Ruth and her mother in law Hannah and her son Samuel Jeremiah the child prophet these stories form our moral imaginations Further for Christians they all augur the promise of the Incarnation with the birth of Jesus to Mary and Joseph Then through the history of the Church the role of the Child is further unfolded It begins with Jesus teaching that to be as one of his disciples is to be a child This is so radical that the subsequent churches have found it hard to follow Perhaps one

symbolic attempt was that of the monks cowl which is a child's garment and still worn in their monasteries The book even explores the way that Christian maturity is one of childlikeness Hagar, Sarah, And Their Children Letty M. Russell, In different ways Judaism Christianity and Islam all trace their beginnings to Abraham His wives Hagar and Sarah though also pivotal in the story have received far less attention In this book however noted Jewish Christian and Muslim scholars focus on Hagar Sarah and their children from Ishmael and Isaac to their many descendents through the centuries Moving from ancient and medieval sources to contemporary appropriations of the Sarah and Hagar story the authors begin with an overview of the three religions from their scriptural beginnings to their contemporary questions They then explore how the story was developed after its canonization in rabbinic interpretations in the stories of Islam and in the teachings of the early church fathers They also present contemporary womanist and feminist perspectives Timely relevant and provocative this book provides an entree into interreligious discussion and understanding *Annual Reunion, the Reynolds Family Association ... Through the Waters Caleb S. Lewis,2024-06-04 Links to the Exodus and the Day of Atonement are found throughout the book of Genesis These links are so pervasive that though often overlooked they are an integral part of the literary strategy of the author of Genesis The goal of *Through the Waters* is to aid the reader in understanding the book of Genesis as the author intended taking into account its literary and historical features The goal is not only to understand each section of the book of Genesis on its own but also to understand how each section contributes to the book as a unified narrative As each narrative section is explored and explained the presence of the Exodus motif or pattern and what will be referred to as the Two Goats motif will be highlighted As these motifs are understood in the context of the text of Genesis it will be seen how they contribute to the literary structure and to the tensions expectations and hope created by the book of Genesis
