Revelation For A New Age:

Revelation Dorothy Elder, 1981 *Jerusalem, the Temple, and the New Age in Luke-Acts* J. Bradley Chance, 1988

Revelation Brad Steiger, 2006 *Revelation The Divine Fire* A Biblical prediction says that In the latter days your sons and daughters shall prophesy Brad Steiger has communicated with literally hundreds of individuals who claim to have received messages directly from God or from spacemen angels spirit guides or other superhuman entities It would be easy to dismiss these latter day prophets as deluded but amazingly their revelations all have an internal consistency a common theme a time of judgment is at hand and humankind must change its ways to avert disaster Moreover contemporary housewives business executives and Jesus people are experiencing the same symptoms of revelation a blinding light a voice out of nowhere an impulse to take on a new name and a new life On the track of the elusive source of these messages Steiger examines the spread of glossolalia and faith healing the folklore of elves and leprechauns the awesome cases where a revelator's body is briefly occupied by an outside personality the mysterious Elijah tradition of the Bible that suggests that the great prophets perhaps even Jesus were possessed by a single entity and the latest laboratory research into consciousness expansion *Revelation The Divine Fire* presents actual warnings predictions and messages from a wide spectrum of contemporary revelators In addition there are interviews and evaluations from a number of clergymen scientists and psychics who have met the Divine Fire Steiger's divine fire is something which from the beginning of recorded history down to the present has communicated a revelation to man Steiger is properly objective in his evaluation of the significance of such phenomena setting forth the opinions of various scientific or at least thoughtful observers on the subject and where necessary synthesizing such opinions Kirkus Reviews In the tradition of William James *Varieties of Religious Experiences* we have an important collection of valuable data that should be read and considered by any one interested in the pursuit of man his meaning and destiny For me this book was an exciting adventure Paul Severson *Fate* magazine Steiger enormously expands the definition of revelation What emerges is an engrossing compilation of esoteric events reported by those experiencing them *Library Journal* Brad Steiger has written a shelf full of books on psychic phenomena Many people throughout the country first developed an interest in extrasensory perception through the work of this prolific author *Martin Ebon OCCULT magazine* *The Nicene Creed* Phillip Cary, 2023-03-29 Understand and celebrate what we believe For centuries the Nicene Creed has been central to the church's confession The Nicene Creed An Introduction by Phillip Cary explores the Creed's riches with simplicity and clarity Cary explains the history of the Creed and walks through its meaning line by line Far from being abstract or irrelevant the words of the Creed carefully express what God has done in Christ and through the Spirit The Nicene Creed gives us the gospel It gives biblical Christians the words for what we already believe And when we profess the Creed we join the global church throughout history in declaring the name and work of the one God Father Son and Spirit Gain a fresh appreciation for the ancient confession with Phillip Cary's help **Serving Humanity** Alice A.

Bailey,2023-03-01 Service can be briefly described as the spontaneous effect of soul contact This contact is so definite and fixed that the life of the soul pours through into the instrument the personality the means of soul contact to the physical plane This book of quotations from the writings of Djwhal Khul are presented under 118 headings and in his words That your vision may expand and your power to think and reflect abstractly may grow is my hope and wish for you Galatians

Martinus C. de Boer,2011-07-29 This new commentary in the New Testament Library series is not a systematic study of Pauline theology rather the aim of this study is to trace Paul s theology as it unfolds in his letter to the church at Galatia and to attempt to illuminate as far as possible how the Galatians likely comprehended it at the time they received it The author asks readers to imagine themselves as silent witnesses to Paul s dictation of the letter and to observe through a historical perspective how the Galatian Christians might have understood Paul s words The Great Falling Away Adrian Salupo,2008-02-19 This first volume of our Great Falling Away Series biblically explicates both the beginning and the end of the biblical age while also revealing mankind's great falling away from a biblically defined faith in God and His mortal immortal and eternal Messiah Jesus the Christ of Bethlehem Nazareth Judea The full title for this first book of our series is The Great Falling Away Volume I The Biblical Age This book is now available directly from Xlibris as well as from on line booksellers and retail bookstores everywhere The second book of our Great Falling Away Series is entitled The Great Falling Away Volume II Anti Christ Babylon and the Bride of the Lamb This second and final book in our Great Falling Away series is now completed and is now also available directly from Xlibris as well as from booksellers everywhere Gnosis and Hermeticism from Antiquity to Modern Times R. van den Broek,Wouter J. Hanegraaff,1998-01-01 This volume introduces what has sometimes been called the third component of western culture It traces the historical development of those religious traditions which have rejected a world view based on the primacy of pure rationality or doctrinal faith emphasizing instead the importance of inner enlightenment or gnosis a revelatory experience which was typically believed to entail an encounter with one s true self as well as with the ground of being God The contributors to this book demonstrate this perspective as fundamental to a variety of interconnected traditions In Antiquity one finds the gnostics and hermetics in the Middle Ages several Christian sects The medieval Cathars can to a certain extent be considered part of the same tradition Starting with the Italian humanist Renaissance hermetic philosophy became of central importance to a new religious synthesis that can be referred to as Western Esotericism The development of this tradition is described from Renaissance hermeticists and practitioners of spiritual alchemy to the emergence of Rosicrucianism and Christian theosophy in the seventeenth century and from post enlightenment aspects of Romanticism and occultism to the present day New Age movement **Truth and Error** Alan W. Gomes,1998 This series of brief books on contemporary religious movements compares what they believe with Christian doctrine and explains effective ways of witnessing to their adherents **A Kingdom of the Truth or Deception?** David K. Hebert Th.D.,2024-12-18 This book has been the culmination of over forty

years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to compare the kingdom of God versus the kingdom of darkness and God's truth versus Satan's lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ's return so rapidly approaches

Paul, Theologian of God's Apocalypse Martinus C. de Boer, 2020-05-13 This collection of essays argues that Paul's articulation of Christ and his saving work makes use of the categories and perspectives of ancient Jewish apocalyptic eschatology Such eschatology is concerned with the expectation that God will finally and irrevocably put an end to the present order of reality this age and replace it with a new transformed order of reality the age to come In Paul's view God has initiated this eschatological act of cosmic rectification in the person and work of Christ The essays included two of them previously unpublished investigate and illuminate various aspects of Paul's christologically focused appropriation of ancient Jewish apocalyptic eschatology particularly in his letters to the Galatians and the Romans The collection begins with the author's seminal essay on the two tracks of Jewish apocalyptic eschatology forensic and cosmological from 1989 and ends with an essay from 2016 containing the author's retrospective restatement and elaboration of his views

Nation and Word, 1770-1850 Mary Anne Perkins, 2016-12-05 The emergence of the modern nation state in Europe and the accompanying rise in national consciousness led to a heightened awareness of the close relationship between language and national identity In this book the author shows that this relationship was expressed through the themes and figures of a language of nationhood drawn from a common European cultural heritage particularly the Classical and Christian traditions Despite its common roots this language became the medium through which the diversity of national characters was expressed The idea of the divine Word for example enabled the sacredness and power of national language to be celebrated The identification of poet and prophet gave Romantic nationalists an authority to speak for and to the nation and the theme of the Chosen People was often adopted to express the elect status of a writer's own nation In conclusion it is shown that this language of nationhood remains a powerful force at the end of the twentieth century
