

The background of the slide is a photograph of a vast, arid landscape. In the foreground, there is a dry, brownish-yellow valley floor. In the middle ground, there are rolling hills and valleys. In the far distance, a range of mountains is visible under a clear, light blue sky. The overall scene is bright and open.

Four Views on the Book of Revelation
Zondervan, 2010-08-03 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It's no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century *Four Views on the Book of Revelation* explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John's prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Revelations
Elaine Pagels, 2012-03-06 A startling exploration of the history of the most controversial book of the Bible by the bestselling author of *Beyond Belief* Through the bestselling books of Elaine Pagels thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels As one of the world's foremost religion scholars she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity Her new book however tackles a text that is firmly dramatically within the New Testament canon The Book of Revelation the surreal apocalyptic vision of the end of the world or is it In this startling and timely book Pagels returns The Book of Revelation to its historical origin written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War in 66 CE Militant Jews in Jerusalem fired with religious fervor waged an all out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple Pagels persuasively interprets Revelation as a scathing

attack on the decadence of Rome Soon after however a new sect known as Christians seized on John s text as a weapon against heresy and infidels of all kinds Jews even Christians who dissented from their increasingly rigid doctrines and hierarchies In a time when global religious violence surges Revelations explores how often those in power throughout history have sought to force God s enemies to submit or be killed It is sure to appeal to Pagels s committed readers and bring her a whole new audience who want to understand the roots of dissent violence and division in the world s religions and to appreciate the lasting appeal of this extraordinary text *Revelation: An Introduction and Study Guide* Stephen D.

Moore,2020-12-10 This study guide explores the origins and reception history of the Book of Revelation and its continuing fascination for readers from both religious and secular backgrounds Stephen D Moore examines the transcultural impact Revelation has had both within and beyond Christianity not only on imaginings of when and how the world will end but also on imaginings of the risen Jesus heaven and hell Satan the Antichrist and even Mary the mother of Jesus Moore traces Revelation s remarkable reception through the ages with special emphasis on its twentieth and twenty first century appropriations before resituating the book in its original context of production Who wrote it where when why and modelled on what The study guide culminates with a miniature commentary on the entire text of Revelation weaving together liberationist postcolonial feminist womanist queer and ecological approaches to the book in order to discern what it might mean for contemporary readers and communities concerned with issues of social justice **The Rabbi, the Secret**

the turn of the Common Era This tablet provides revolutionary paths to the understanding of the historical Jesus and the birth of Christianity It explores the formation of the conception of catastrophic messianism in the Gabriel Revelation According to this conception the death of a messianic leader and his resurrection by the angel Gabriel after three days is an essential part of the redemptive process This conception is a new key which enables us for the first time to understand the messianic vision of the historical Jesus This important and fascinating book will thus shed new and revolutionary light on our basic view of Christianity **The Mysterious Numerical Bible Code and Other Revelations** Lawrence D.

Shawbrooks,2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight

MUL.BABBAR: The Messiah's Star Dwight Reed Hutchison,2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah s Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs

related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah's star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated improved and expanded version of *The Lion Led the Way* by the same author **The Messianic Redemption of Israel** Gordon Ziegler, 2013-11-26

God's purpose in calling Abraham from his idolatrous kindred and bidding him dwell in the land of Canaan was to bring Heaven's best gifts to all peoples God told Abraham I will make of thee a great nation and I will bless thee and make thy name great and be thou a blessing Genesis 12:2 Abraham was called to a high honor that of being the father of the people who for centuries were to be the protectors of the truth of God to the world and the progenitors of the promised Messiah The Jews are that people Men had almost **Essays on Revelation** Gerald L. Stevens, 2011-01-01 The book of Revelation perennially provokes outlandish futurist predictions proven patently false over time Such prophecy failures leave the inquiring mind with a strong sense that the book of Revelation is nothing but a hoax safely ignored and without contemporary relevance The inevitable practical result not only for church members but for their ministers as well is a canonical book stripped bare of canonical authority In this volume six contributors collectively attempt to provide a path toward recanonizing Revelation reclaiming its authority and relevance through christological foundations The result is a book not only useful in the collegiate and seminary classroom but also for serious small group Bible studies wanting to glean from Revelation something deeper than a fear of being left behind Sharing in the Son's Inheritance Esau McCaulley, 2019-09-05 This book explores the link between Paul's belief that Jesus is Israel's Messiah and his interpretation of the Abrahamic Land Promise in Galatians Countering claims that Paul replaces the Promised Land with the gift of the Spirit or salvation Esau McCaulley argues that Paul expands this inheritance to include the whole earth believing that as the seed of Abraham and David Jesus is entitled to the entire world as his inheritance and kingdom McCaulley argues that scholars have neglected Paul's expanded interpretation of the inheritance of the earth rarely appreciate the role that messianism plays in Galatians and fail to acknowledge that Second Temple authors often portrayed royal and messianic figures as God's means of fulfilling the promises made to Abraham and Israel via the establishment of kingdoms Through a comparison of texts from the Pseudepigrapha apocrypha and the Dead Sea Scrolls with Galatians 3:14-7:21 McCaulley argues Paul's interpretation of Jesus's death is a manifestation of Second Temple messianism because it ends the covenant curses outlined in Deuteronomy and begins the restoration of the inheritance to Abraham's offspring through the establishment of Jesus's worldwide kingdom he concludes that Paul's interpretation of the Abrahamic inheritance is inseparable from his belief that Jesus is Israel's Messiah **The Jewish Messiah and the Second Coming** John P. Schwulst, 2024-12-30 The book carefully shows the Jewishness of the Revelation text and how it is directed to the Jews living in last days Israel Unlike other commentaries on the Revelation John is writing to these last days Jews warning them to be watching and waiting for their Messiah's return to them in the last day *The Visions of Daniel the Hebrew Prophet* Robert

Johns,2012 For centuries controversy has raged over the authorship and genuineness of the book of Daniel Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel or is it a forged document written centuries later to encourage Israelites being oppressed by the Seleucid king Antiochus Epiphanes Robert Johns addresses these issues and more in his thesis on Daniel s visions Importantly Johns establishes when Daniel was provided with his visions and he defines why God provided Daniel with the visions The Visions of Daniel the Hebrew Prophet examines the metal image the beast with eleven horns the Seventy sevens chapter eight s little horn and the 2 300 evening mornings It demonstrates that the enigmatic 1 290 days and 1 335 days are anything but enigmatic and it identifies the reason why Daniel s fifth and final revelation is so detailed Appendices address issues of general nature such as the historicity of Jesus the Christ the popularity of dispensationalism the identity of the abomination that desolates and the integrity of novels representing the Christian fiction genre which focus on a seven year tribulation period at the end of history This book will be of value to every Christian who has an interest in Bible prophecy and eschatology **Jewish Apocalypticism in Late First Century Israel** Matthias Henze,2011 The Syriac Apocalypse of Baruch or Second Baruch is a Jewish work of the late first century C E written in Israel in the aftermath of the Jewish War against Rome It is part of a larger body of post 70 C E Jewish literature The authors of these works had a difficult charge They needed to re imagine Judaism and its central symbols take count of a thriving Diaspora and articulate how Jewish life was to be lived from then on without the benefit of a temple Written at a time of religious reconstruction and mental reorientation Second Baruch occupies a unique place in the history of early Jewish thought In this highly original work the author of Second Baruch developed an apocalyptic program that was intended for post 70 C E Judaism at large and not for a small dissident community only The program incorporates various theological strands chief among them the Deuteronomic promise of a prosperous and long life for those keeping the Torah and the apocalyptic promise of a new heaven and a new earth In this book Matthias Henze offers a close reading of some of the central passages in Second Baruch exposes its main themes explains the apocalyptic program it advocates draws some parallels with other texts Jewish and Christian and locates Second Baruch s intellectual place in the rugged terrain of post 70 C E Jewish literature and thought For modern readers interested in Judaism of the late Second Temple period in the Jewish world from which early Christianity emerged and in the origins of rabbinic Judaism Second Baruch is an invaluable source *Social-science Commentary on the Letters of Paul* Bruce J. Malina,John J. Pilch,2006-01-01 This latest addition to the Fortress Social Science Commentaries on New Testament writings illuminates the values perceptions and social codes of the Mediterranean culture that shaped Paul and his interactions both harmonious and conflicted with others Malina and Pilch add new dimensions to our understanding of the apostle as a social change agent his coworkers as innovators and his gospel as an assertion of the honor of the God of Israel **A Narrative Theology of the New Testament** Timo Eskola,2015-07-21 Focusing on the metanarrative of exile and restoration Timo

Eskola claims that a post liberal narrative New Testament theology is both consistent and explanative Combining a post New Quest perspective on Jesus with an eschatological reading of Paul the author states that Jesus temple criticism aims at restoration eschatology Jesus starts a priestly community that expects God s jubilee to begin with Jesus work and proceed with the preaching of the new gospel The reception of this message in the post Easter church results in resurrection Christology that proclaims Jesus Davidic kingship on God s throne of glory Both Paul and Jewish Christian teachers later present Christ s community as a new temple where believers serve the Lord as priests of the new covenant Furthermore restoration eschatology provides a new basis for understanding Paul s contrast with the words of the law and his teaching of justification

In Defense of Israel, Revised John Hagee,2011-12-05 Why is the Middle East in such turmoil Is the modern State of Israel in the plan of God Can and should Christians do more than pray for Israel Does God s Word contain instructions to Christians regarding the treatment of Jewish people In the near thirty years John Hagee has been a lover of Israel he has grappled with each of these questions Most Christians today don t know much about the Jewish faith or the history of the Jewish nation They don t understand what is truly at stake in the Middle East conflict and why Christians need to do more than just pray for

the peace of Jerusalem They don't know the role they've been called to play in relationship with Israel and they aren't sure how God feels about Israel today either As Hagee guides readers through the scriptures that explain why Christians need to stand with Israel and the Jews today with as much fervor as God does they will encounter a man deeply passionate about loving this historic people of God They'll be inspired to take up that same mantle of love and play a part in extending acceptance and favor to the people of Israel just as God has called them to do **A Commentary on the Bible** Arthur Samuel Peake, Alexander James Grieve, 1920
