Revelation Visions Of Our Ultimate Victory In Christ:

Revelation Paul Yonggi Cho,1991 Revelation Yong-gi Cho,1991 *To the Ends of the Earth* Allan Heaton Anderson,2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism especially in the southern hemisphere There are over 100 million Pentecostals in Africa In Latin America Pentecostalism now vies with Catholicism for the soul of the continent and some of the largest pentecostal congregations in the world are in South Korea In *To the Ends of the Earth* Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism Anderson argues that its spread is so dramatic because it is an ends of the earth movement pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe His wide ranging account examines such topics as the Azusa Street revival in Los Angeles the role of the first missionaries in China India and Africa Pentecostalism s incredible diversity due to its deep local roots and the central role of women in the movement He describes more recent developments such as the creation of new independent churches megachurches and the health and wealth gospel and he explores the increasing involvement of pentecostals in public and political affairs across the globe Why is this movement so popular Anderson points to such features as the emphasis on the Spirit the born again experience incessant evangelism healing and deliverance cultural flexibility a place to feel at home religious continuity an egalitarian community and meeting material needs all of which contribute to Pentecostalism s remarkable appeal Exploring more than a century of history and ranging across most of the globe Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide **Models of Premillennialism** Sung Wook Chung,David L. Mathewson,2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in Revelation 20 has been controversial for much of the church s history and even the main perspectives on the matter turn out to be more variegated than is often realized This book takes the oldest of those options premillennialism and offers an excellent introduction to a variety of models of premillennialism currently available including classical dispensationalism progressive dispensationalism historic premillennialism thematic premillennialism and historic premillennialism in Asian context The product of collaboration between a systematic theologian and a New Testament scholar this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history the Parousia and the millennial kingdom **David Yonggi Cho** Wonsuk Ma,2017-11-29 This book is a serious attempt by Asian scholars to reflect on various aspects of the Asian Pentecostal movement It joins a small but growing list of works on this critical subject Second it presents an Asian perspective on one of the most important figures in Asian Pentecostalism in this generation Dr David Yonggi Cho who clearly stands out as one of the most preeminent Pentecostals anywhere in the world **Waiting for Antichrist** Damian Thompson,2005-04-21 How can people believe that the supernatural end of the world lies just around the corner when so far every such prediction has been proved wrong Some scholars argue that millenarians are psychologically

disturbed others maintain that their dreams of paradise on earth reflect a nascent political awareness In this book Damian Thompson looks at the members of one religious group with a strong apocalyptic tradition Kensington Temple a large Pentecostal church in London and attempts to understand how they reconcile doctrines of the end of the world with the demands of their everyday lives He asks such questions as Who is making the argument that the world is about to end and on whose authority How is it communicated Which members are persuaded by it What are the practical consequences for them How do they rationalize their position Based on extensive interviews as well as a survey of almost 3000 members Thompson finds existing explanations of apocalyptic belief inadequate Although they profess allegiance to millennial doctrine he discovers members actually assign a low priority to the End Times The history of millenarianism is littered with disappointment Thompson notes and the lesson has largely been learned predictive millenarianism with its risky time specific predictions of the end has been substantially supplanted by explanatory millenarianism which uses apocalyptic narratives to explain features of the contemporary world Most apocalyptic believers he finds are comfortable with these lower cost explanatory narratives that do not require them to sell their houses and head for the hills He does uncover a handful of textbook millenarians in the congregation people who are confident that Jesus will return in their lifetimes He concludes that their atypical beliefs were influenced by their conversion experiences individual psychology and degree of subcultural immersion Although much has been written about apocalyptic belief Thompson's empirically based study is unprecedented It constitutes an important step forward in our understanding of this puzzling feature of contemporary religious life

Before the Rapture Julius A. Agbor, 2017-05-15 A textually meticulous account of the end of days that should appeal to devoted Christians Kirkus Reviews This would be a helpful resource for some in an adult class or small group study Rich Guerra District Superintendent SoCal Assemblies of God It is a well thought out and interesting study that is unmistakably saturated with thorough and well defined research Johnny L Green PhD Senior Pastor Bethel Ministries Inc Before the Rapture is a timely message for Christians in these last days of the church age soon culminating in the rapture of the true believers The book intends to help its readers escape the soon coming wrath of God upon the earth by being adequately prepared for the soon coming rapture of the true believers The uniqueness of this book is in the fact that it clearly exposes the enemys deceptive strategies which if not mastered will cause many Christians to miss out on the day of the rapture

Fulfillment of Prophecy Gary Gallant, 2023-08-30 Many believers neglect to study the Old Testament because they find it confusing or because they assume that it is less important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already have been fulfilled to the letter no errors The remaining 500 or so reach into

the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people s attention Satan does too Through clairvoyants such as Jeanne Dixon and Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this Bible passage and others God s prophets as distinct from Satan s spokesmen are 100 percent accurate in their predictions There is no room for error The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before Details of Jesus life and death were written in divine prophecy hundreds of years before He was born in Bethlehem Throughout the Gospels this amazing truth is emphasized As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them You will all fall away because it is written I will strike down the shepherd and the sheep shall be scattered Mark 14 27 After Judas betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him Put your sword back into its place How then will the Scriptures be fulfilled which say that it must happen this way Matthew 26 52 54 On the cross Jesus waited until He saw that all things had already been accomplished before He uttered His only physical request I am thirsty John 19 28 Later the spear was thrust into Jesus side and blood and water came out We read For these things came to pass to fulfill the Scripture Not a bone of Him shall be broken And again another Scripture says They shall look on Him whom they pierced John 19 36 37 The angel who was at the tomb on the morning of the resurrection said Remember how He spoke to you while He was still in Galilee saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again Luke 24 6 7 When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them These are My words which I spoke to you while I was still with you that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem Luke 24 44 47 In Jesus affirmation to those Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament the Law of Moses the Prophets and the Psalms as He described the prophecies that had been fulfilled in Him It has been said that if one reads any part of the Bible and does not see Jesus in it he should go back and reread it for he has missed something very important In Peter s first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of God Acts 2 23 In his second sermon in Acts Peter

covered in one sweeping sentence the prophecies of the whole Old Testament saying that Jesus sufferings on the cross fulfilled all that had been prophesied But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled Acts 3 18 **God, Order, and Chaos** Stephen Finamore,2009-04-01 The ideas of Rene Girard are having a profound effect on Christian theology This book offers a critical introduction to his thought and then uses it to interpret the Book of Revelation The result is a reading of extraordinary relevance for the contemporary world Readers of the Apocalypse are often disturbed by the images of destruction in the book and are unsure why these are unleashed after the exaltation of Jesus This study examines past approaches to these texts and uses Girard s theories to revive some old ideas and propose some new ones Seen in this light the Apocalypse becomes the story of the ultimate vindication of the victim a source of hope and a resource that can be used both to encourage resistance to the destructive forces within culture and to help the church and the poor to engage constructively with the issues of our day Jesus of History, Christ of Faith Thomas Zanzig,1999 A textbook study of the life and teachings of Jesus Christ The Prayer Driven Life Robert Oh,2011-11-01 What drives you Or what is the motivation or purpose of your life Robert Oh has traveled to close to fifty countries in his lifetime and met hundreds of thousands of God fearing and God loving people who are still asking the fundamental question of life What does God want me to do with my life At the end of your life you don t want to catch yourself saying That was it You see without God your life will be only earthly natural and predictable it won t be supernatural or godly You reap what you sow The Prayer Driven Life is an invitation to enter this incredible supernatural life fashioned by God and through your own prayer What does God want you to do with your life Why don t you ask Him Pray **Revelation's Call** Shirley Dudley,2024-04-17 Embark on a Journey Through Time The Essential Guide to Understanding the Last Days Within the pages of Revelation s Call The Urgency of the Second Coming readers are invited into a journey that intertwines the past present and future beckoning to unlock the mysteries of the book of Revelation This comprehensive guide serves not only as an exploration but as a clarion call to awareness and action in the face of the approaching end times Embark on this exceptional odyssey beginning with the Journey Begins Understanding Revelation setting the stage for the profound depth of prophecy that lies within the scriptures The early chapters delve into the prophetic landscape offering clarity and insight into the roles of prophecy laying foundational knowledge from both the Old and New Testaments and painting a vivid picture of the historical and spiritual context that frames this last book of the Bible Engage with the intriguing narrative of The Author and the Isle of Patmos where the life of John and the peculiar isolated locale of Revelation s birth are brought to life offering readers a tangible connection to the divine visions received on that remote island Discover the significance of the Letters to the Seven Churches incorporating warnings encouragements and the varied characteristics of these early Christian communities This exploration extends into the celestial and the apocalyptic through detailed examinations of the Throne Room of Heaven the Seven Seals and beyond each chapter immersing the reader further into the cosmic drama and divine

sovereignty displayed in Revelation But Revelation s Call goes beyond mere exploration it challenges its readers to reflect on the relevance of Revelation today Through the final chapters the book presents a compelling case for spiritual vigilance the importance of eschatology and the personal and communal imperative to live in hope and prepare for the Second Coming Concluding with a powerful appeal to repentance faith and empowerment for mission Revelation s Call is not just a guide to understanding future events but a transformational book that inspires readiness perseverance and an unwavering trust in the victory of Jesus This book is an indispensable resource for anyone seeking to comprehend the complexities of Revelation to find hope in its promises and to respond earnestly to its urgent message As history unfolds and the future approaches let Revelation s Call equip and guide you through understanding one of the most fascinating and significant books of the Bible
