Revelation Revisited St Johns Visions Of The Fu:

The Revelation to John Stephen S. Smalley, 2012-07-05 Stephen S Smalley demonstrates the fruitfulness of reading John s Apocalypse like a two act drama with a marked sevenfold patterning His theological and literary analysis of the Greek text puts Revelation squarely in the hands of contemporary readers demonstrating its power to transcend barriers of culture and history Now in paperback The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaeian premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective *"Revelation! [A Big Gospel in Small Places](#) Stephen Witmer,2019-11-05 Christian ministries increasingly prioritize urban areas big cities and suburbs are considered more strategic more influential and more desirable places to live and work As a ministry strategy focusing on big places makes sense But the gospel of Jesus is often unstrategic Pastor Stephen Witmer using helpful stories and practical advice lays out an integrated theological vision for small place ministry today **God and Mystery in Words** David Brown,2008-03-20 In this wide ranging book that moves from Greek drama to modern poetry David Brown explores the ways in which the poetry and drama of the past were rooted in religious questions He posits that their creative potential needs to be rediscovered to bring present day worship and experience of God alive **The Dutch Dissenters: A Critical Companion to their History and Ideas** Irvin Buckwalter Horst,2018-12-24 [God After Darwin](#) John F. Haught,2018-05-04 In God After Darwin eminent theologian John F Haught argues that the ongoing debate between Darwinian evolutionists and Christian apologists is fundamentally misdirected Both sides persist in focusing on an explanation of underlying design and order in the universe Haught suggests that what is lacking in both of these competing ideologies is the notion of novelty a necessary component of evolution and the essence of the unfolding of the divine mystery He argues that Darwin s disturbing picture of life instead of being hostile to religion as scientific skeptics and many believers have thought it to be actually provides a most fertile setting for mature reflection on the idea of God Solidly grounded in scholarship Haught s explanation of the relationship between theology and evolution is both accessible and engaging The second edition of God After Darwin features an entirely new chapter on the ongoing controversial debate between intelligent design and evolution including an assessment of Haught s experience as an expert witness in the landmark case of Kitzmiller v Dover Area School District on teaching evolution and intelligent design in schools [Biblical Foundations of Spirituality](#) Barbara E. Bowe,2017-01-26 Biblical Foundations of Spirituality invites readers to touch a finger to the flame of the Bible by offering guidance on what how and why to read Scripture as a source of spiritual nourishment The second edition builds on Barbara Bowe s acclaimed book with two new chapters by Laurie Brink and John R Barker introducing key theological

concepts and exploring how biblical spirituality was first experienced and expressed in early Christian communities The book begins by exploring the many meanings of the word spirituality then leads readers through the Bible from Genesis to Revelation to develop a biblically based spirituality that can serve as a compass in the challenges of life Updated to reference the latest scholarship this book helps make the Bible more accessible and shows how it can be relevant to life today The book stresses the spiritual dimension of biblical figures search for God and shows how their insights about God from successes to dead ends can reflect our contemporary searching and struggles *Biblical Foundations of Spirituality* reveals the spiritual wisdom of the Bible connecting it with everyday life and spirituality With a chronology reflection questions a glossary and updated notes and bibliography as well as two new chapters the second edition of *Biblical Foundations of Spirituality* is ideal for classroom parish or individual reading **The Churchman**, 1882 *Cormac McCarthy* Markus Wierschem, 2024-02-01 This definitive assessment of Cormac McCarthy's novels captures the interactions among the literary and mythic elements the social dynamics of violence and the natural world in *The Orchard Keeper* *Child of God* *Outer Dark* *Blood Meridian* and *The Road* Elegantly written and deeply engaged with previous scholarship as well as interviews with the novelist this study provides a comprehensive introduction to McCarthy's work while offering an insightful new analysis Drawing on Ren Girard's mimetic theory mythography thermodynamics and information science Markus Wierschem identifies a literary apocalypse at the center of McCarthy's work one that unveils another buried deep within the history religion and myths of American and Western culture *Blessing the Curse?* Ksenija Magda, 2020-09-30 The message of the kingdom of God as brought to us by Christ is a message that overturns hierarchies sets free the enslaved and breaks the power of the curse upon humanity Yet when it comes to women the church has chosen all too often to live according to the structures of sin and death offering them not the good news of Christ but the curse of Genesis as their inheritance In this powerful and challenging text Ksenija Magda traces the impact of the curse and the ever present temptation to choose the world and its power over the servant hearted humility of Christ on our families our church structures our nations and ultimately our gospel witness The question of how we view treat oppress or empower women is not Magda reminds us peripheral to the gospel but foundational She warns that if men and women will not partner together in building the kingdom of God they will find themselves partners in the work of upholding the world's structures of power and oppression Will we choose to bless the curse or to redeem it To live in the death that our foreparents chose in the garden or accept the life and freedom held out to us by Christ This is a question upon which human history and the hope of our restoration hangs **Constructing a Sense of Place** Haim Yacobi, 2017-05-15 While it is widely recognized that architects and their architecture play a key role in constructing a sense of place the inherent nexus between an architectural ideology and the production of national space and place has so far been neglected Focusing on the Zionist ideology this book brings together practising architects and academics to critically examine the role of architects architecture and spatial practices as mediators between national ideology and the politicization of space The

book first of all sets out the wider context of theoretical debates concerning the role of architecture in the process of constructing a sense of place then divides into six main sections The book not only provides an innovative new perspective on how the Israeli state had developed but also sheds light on how architecture shapes national identity in any post colonial and settler state
