Advanced Chemistry for You Lawrie Ryan, 2000 *Advanced Chemistry for You* has been carefully designed to be interesting and motivating to the AS/A2 student with features that make it highly supportive of individual learning. Written by an experienced author team with the same straightforward approach as the successful *New for You GCSE* series.

The School Science Review, 2002 Advanced Economics Through Diagrams Andrew Gillespie, 2001 DT These highly successful revision guides have been brought right up to date for the new A Level specifications introduced in September 2000. DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The unique visual format makes the key concepts and processes and the links between them easier to memorize. DT Students will save valuable revision time by using these notes instead of condensing their own. DT In fact

many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes
