Plato marginalised in the universities and examines his use of German sources on the divine philosopher and his Platonic interpretation of Kant's epistemology It compares Coleridge's figurations of poetic inspiration with models in the Platonic dialogues and investigates whether Coleridge's esoteric system of philosophy ultimately fulfilled the Republic's notorious banishment of poetry The Oxford Handbook of British Romantic Prose Robert Morrison, 2024 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers Romanticism and Blackwood's Magazine R. of the imagination and of Practical Criticism Other topics covered include opium plagiarism the French Revolution Pantisocracy Unitarianism and the Salutation and Cat tavern Romantic Cosmopolitanism E. Wohlgemut, 2015-12-11 Romantic Cosmopolitanism shows how cosmopolitanism in the early nineteenth century offers a non unified formulation of the nation that stands in contrast to more unified models such as Edmund Burke's which found nationality in among other things language history blood and geography Coleridge and Kantian Ideas in England, 1796-1817 Monika Class, 2013-03-14 Author of Biographia Literaria 1817 and The Friend 1809 10 1812 and 1818 Samuel Taylor Coleridge was the central figure in the British transmission of German idealism in the 19th century The advent of Immanuel Kant in Coleridge's thought is traditionally seen as the start of the poet's turn towards an internalized Romanticism Demonstrating that Coleridge's discovery of Kant came at an earlier point than has been previously recognized this book examines the historical roots of Coleridge's life long preoccupation with Kant over a period of 20 years from the first extant Kant entry until the publication of his autobiography Drawing on previously unpublished contemporary reviews of Kant and seeking socio political meaning outside the literary canon in the English radical circles of the 1790s Monika Class here establishes conceptual affinities between Coleridge's writings and that of Kant's earliest English mediators and in doing so revises Coleridge's allegedly non political and solitary response to Kant Coleridge's Play of Mind John Beer, 2010-09-02 Eminent Coleridgean scholar John Beer presents a series of biographical investigations exploring Coleridge's life stage by stage and reconsidering the intellectual quality of his thinking and poetry through an emphasis on the notion of play Beginning and ending with brief accounts of the poet's childhood and last years the book's seventeen chapters each take a passage of Coleridge's life and characterise the nature and function of an abiding playful element in his consciousness In combination they form a detailed full and humane treatment of Coleridge's life focusing on topics such as his interest in psychology his poetry his literary collaboration with William and Dorothy Wordsworth his hopeless love for William's sister in law his literary criticism including a new approach to Shakespeare and his work towards a refreshing of contemporary religious beliefs and Rethinking British Romantic History, 1770-1845 Porscha Fermanis, John Regan, 2014 Rethinking British practices Romantic History 1770 1845 brings together a team of leading scholars to examine the interactions between history and literature in the Romantic period focusing on practical as well as theoretical interconnections between the two genres and Legacies of Romanticism Carmen Casaliggi, Paul March-Russell, 2013-03-05 This book visits the Romantic disciplines legacy that was central to the development of literature and culture from the 1830s onward Although critical accounts have examined aspects of this long history of indebtedness this is the first study to survey both Nineteenth and Twentieth century culture The authors consider the changing notion of Romanticism looking at the diversity of its writers the applicability of the term and the ways in which Romanticism has been reconstituted. The chapters cover relevant historical periods and literary trends including the Romantic Gothic the Victorian era and Modernism as part of a dialectical response to the Romantic

legacy Contributors also examine how Romanticism has been reconstituted within postmodern and postcolonial literature as both a reassessment of the Modernist critique and of the imperial contexts that have throughout this time frame underpinned the Romantic legacy bringing into focus the contemporaneity of Romanticism and its political legacy This collection reveals the diversity and continuing relevance of the genre in new and exciting ways offering insights into writers such as Browning Ruskin Pater Wilde Lewis MacNeice and Auster
