spearheaded challenged or intervened in our cultural memories of the era Fractured Fifties The Cinematic Periodization and Evolution of a Decade presents a two pronged argument that cinema helped define the 1950s by contributing in considerable and meaningful ways to the process of periodization and subsequently a common conception of the decade and that cinema itself has fractured our understanding of the 1950s Fractured Fifties challenges a reductive and fairly cohesive set of tropes with a complex amalgam of representations that also intervene in debates about historiography historicity cultural memory mediation nostalgia and periodization Ultimately Sprengler posits that cinema has complicated our sense of the 1950s yielding in the process a series of 1950s types or kinds e g The Leave it to Beaver Fifties The Jukebox Fifties and The Cold War Fifties The Retromediated Fifties as well as a wealth of critical insights into myriad pasts presents and the evolving relationships between them

**Hemingway's Art of Revision** John Beall, 2024-05-01 In Hemingway's Art of Revision John Beall analyzes more than a dozen pieces of the author's celebrated short fiction with a focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision. Ranging from two vignettes in the first version of *In Our Time* through early touchstones such as *Indian Camp* and *The Killers* to later masterpieces including *Fathers and Sons*, Beall's study considers the modernist influences, aesthetic choices, and experimental effects that characterized Hemingway's approach to the short story. Revisions to *Big Two Hearted River* for example were not simply cuts and omissions but involved adding paragraphs to slow down the narrative and represent Nick Adams's careful observations of fish as he watched their shadows on the river. For *A Way You'll Never Be*, Hemingway's revisions developed Nick's interior monologues, manic lecture about grasshoppers, and wacky sense of humor to show the character restoring a sense of emotional balance despite his traumatic memories of being wounded. By drawing attention to the meticulous omissions, additions, and replacements that shaped these texts, Beall reveals how extensively and richly Hemingway revised his drafts. Hemingway's Art of Revision gives a detailed view of a great prose stylist at work.
