Revisioning The Past Prospects In Historical Theology:

Revisioning the Past Mary Potter Engel, Walter E. Wyman, 1992 Probes various proposals and prospects for historical theology in light of recent scholarly trends The history of dogma has become distinct from historical theology which is less inclined to search the sources for justifications of present day doctrines. The rise of social history has shifted the focus from the Great Thinkers to the lived religious experience of believers and previously neglected resources women minorities and so Historical Theology Gregg Allison, 2011-04-19 Historical Theology presents the key called heretics are being retrieved pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought Most historical theology texts follow Christian beliefs in a strict chronological manner with the classic theological loci scattered throughout various time periods movements and controversies making for good history but confusing theology This companion to the classic bestseller Systematic Theology is unique among historical theologies Gregg Allison sets out the history of Christian doctrine according to a topical chronological arrangement one theological element at a time instead of committing to a discussion of theological thought according to its historical appearance alone This method allows you to Contemplate one tenet of Christianity at a time along with its formulation in the early church through the Middle Ages Reformation and post Reformation era and into the modern period Become familiar with the primary source material of Christian history s most important contributors such as Cyprian Augustine Aguinas Luther Calvin Barth and others Understand the development of evangelical doctrine with a focus on the centrality of the gospel Discern a sense of urgent need for greater doctrinal understanding in the whole church Historical Theology is an easy to read textbook for any Christian who wants to know how the church has come to believe what it believes today Gregg Allison's clear and concise structure make this resource an ideal introduction to Christian doctrine Ritschl in Retrospect Darrell Jodock, 2020-08-31 Albrecht Ritschl 1822 1889 looms large in the second half of the nineteenth century He redirected theology from speculative idealism toward a more concrete historical apprehension of the Bible the church and Christian life Ritschl in Retrospect reassesses Ritschl s rich legacy and current import especially on such still pertinent topics as his attempt to reinvigorate the Reformation tradition his reflections on the communal dimensions of church his recognition of the centrality of the kingdom of God his community based Christocentric reading of the Bible his criticisms of classical theism and his thoughts on religion and science Joining Darrell Jodock in this reassessment are the following leading historians and theologians William R Barnett Clive Marsh Richard P Busse Hans Schwarz David W Lotz Rich M Wall Jr Gerald W McCulloh Claude Welch Friedrich Schleiermacher: Between Enlightenment and Romanticism Richard Crouter, 2005-12-22 Friedrich Schleiermacher's groundbreaking work in theology and philosophy was forged in the cultural ferment of Berlin at the convergence of the Enlightenment and Romanticism The three sections of this book include illuminating sketches of Schleiermacher's relationship to contemporaries Mendelssohn Hegel and Kierkegaard his work as public theologian dialogue

on Jewish emancipation founding the University of Berlin as well as the formation and impact of his two most famous books On Religion Speeches to its Cultured Despisers and The Christian Faith Richard Crouter examines Schleiermacher's stance regarding the status of doctrine Church and political authority and the place of theology among the academic disciplines Dedicated to the Protestant Church in the line of Calvin Schleiermacher was equally a man of the university who brought the highest standards of rationality linguistic sensitivity and a sense of history to bear upon religion The Theodicy of Peter **Taylor Forsyth** Theng Huat Leow, 2011-11-08 The theodicy of the remarkable Scottish Congregationalist theologian Peter Taylor Forsyth has long been recognized as a vital and significant contribution to twentieth century theology Up until now however there has not been a substantial full length treatment of Forsyth's work on the problem of evil The Theodicy of Peter Taylor Forsyth fills this lacuna by setting out in a fairly systematic and comprehensive manner Forsyth's justification of God in the face of evil In so doing it also illuminates several other related areas of his thought such as his epistemology and Christology as well as his understanding of sin the atonement providence divine passibility human origins and the God world relationship Bringing Forsyth's approach to the subject into conversation with other prominent thinkers like Leibniz Dostoyevsky Camus Moltmann Hick Bauckham and Fiddes this book also suggests ways in which Forsyth's justification of God contributes to the current state of Christian theodicy It highlights Forsyth's ability to integrate insights from different approaches even those that have hitherto generally been considered diametrically opposed notions Forsyth's theodicy therefore presents an integrative approach to the topic with every theme flowing from and returning to a clear center the cross of Christ As the book also makes clear Forsyth considers theodicy to be an immensely practical discipline with significant implications for human life In every sense therefore it constitutes a crucial justification of the ways of God to humanity Introducing Redemption in Christian Feminism Rosemary Radford Ruether, 1998-01-01 Christianity begins with what appears to be an inclusive promise of redemption in Christ without regard to gender Paul proclaimed that In Christ there is no more male and female Yet Christianity soon developed a patriarchal social structure excluding women from public ministry with the argument that women were created subordinate in nature and were more culpable for sin Here distinguished feminist theologian Rosemary Ruether traces the tension between patriarchal and egalitarian patterns in Christian theology historically She then examines key theological themes Christology the self the cross and future hope in the light of her critique **Christian Faith** B. A. Gerrish, 2015-08-24 At the beginning of Christian Faith B A Gerrish reminds us that dogmatics involves critical transmission of the Christian heritage The dogmatic theologian must interpret and assess the traditional beliefs of the church while also considering the new and changing conditions in which that tradition is being embodied With that Gerrish goes on to outline the various presuppositions and affirmations of the Christian faith before ultimately offering a powerful and compelling restatement of Christian faith for the twenty first century As part of his framework Gerrish includes a critical comparison of Calvin's Institutes of the Christian Religion and Schleiermacher's

Christian Faith while still paying close attention to the great cloud of theological witnesses from across the spectrum of Christian traditions Gerrish's book provides a robust and penetrating revisioning of Christian theology one that is thoroughly grounded in the classical traditions of the church **Sexism and Sin-Talk** Rachel Sophia Baard, 2020-01-01 Early feminist theologians criticized the Christian doctrine of sin for its focus on female sexual purity and its enabling of the marginalization and oppression of women Others have questioned whether the entire theological category of sin should be abandoned in favor of other ways of talking about the human predicament In this new book Rachel Baard argues for a feminist critique of traditional sin talk alongside a constructive reinterpretation of the doctrine of sinone that can be life affirming for all persons She claims that the Christian idea of sinthat tragic flaw at the core of human experienceprovides one of the best tools for understanding the evils of sexism patriarchy and traditional sin talk itself She likewise provides a new rhetoric of sin talk one that accounts for the diverse experiences of the human family not simply those of powerful men John Calvin, Myth and **Reality** Amy N. Burnett, 2011-05-11 The chapters in this volume were originally presented as papers at the 2009 colloquium of the Calvin Studies Society held to mark the five hundredth anniversary of John Calvin's birth They offer a fresh evaluation of Calvin's ideas and achievements and describe how others from his contemporaries to the present have responded to or built upon the Calvinist heritage This book dispels popular misperceptions about Calvin and Calvinism allowing readers to make a more accurate assessment of Calvin's importance as a theologian and historical figure Contributions address areas in which Calvin's legacy has been most controversial or misunderstood such as his attitude toward women his advocacy of church discipline and his understanding of predestination These essays also give a nuanced picture of the impact of Calvinism by taking account of both the positive and negative reactions to it from the early modern period to the present Part 1 Calvin The Man and His Work Part 2 Appeal of and Responses to Calvinism Part 3 The Impact of Calvin's Ideas Cambridge Companion to Friedrich Schleiermacher Jacqueline Mariña, 2005-11-10 An introduction to all the important aspects of Schleiermacher's thought in a systematic way

The Oxford Handbook of Kierkegaard John Lippitt, George Pattison, 2013-01-31 The Oxford Handbook of Kierkegaard brings together an outstanding selection of contemporary specialists and uniquely combines work on the background and context of Kierkegaard's writings exposition of his key ideas and a survey of his influence and heritage **Feminist Companion to Paul** Amy-Jill Levine, 2003-09-01 The seventh volume of this Companion series is devoted to the writings ascribed to Paul but widely thought not to be genuiinely from the Apostle These are of particular importance in showing how Paul's authority was exploited in the Early Church and the topics addressed often deal with Christian discipline and hierarchy Hence there is a particularly strong feminist agenda to be explored here The Pastoral Epistles Ephesians and Colossians are prominent among the writings addressed in this sparkling collection and the authors include David Scholer Luise Schottroff Bonnie Thurston Lilian Portefaix Sara Winter and Ingrid Rosa Kitzberger The Quest for Early Church Historiography Jeremiah Mutie, 2022-09-09 The Quest for Early Church

Historiography explores how early church historiography underwent a significant shift beginning with the thought of Ferdinand Christian Baur 1792 1860 a shift that eventually culminated in the current extreme historiographies of such scholars as Bart D Ehrman 1955 Through the tracing of this historiographical trajectory this work argues that rather than seeing these current historiographies as having suddenly appeared in the scholarly scene a better approach is to see them as the fruit of this long trajectory Of course as the work has sought to demonstrate this trajectory is itself full of turns and twists But the careful reader will hopefully be able to see the intrinsic connections that are demonstrably evident the Bildungsbürgertum Leif Svensson, 2020-04-06 This book provides a new approach to Albrecht Ritschl s theology Leif Svensson argues that Ritschl s theological project must be related to three cultural developments historical criticism materialism and anti Lutheran polemics and understood in the context of the de Christianization of the Bildungsb rgertum in nineteenth century Germany Albrecht Ritschl remains the great unknown of nineteenth century theology In this important study Leif Svensson sheds new light on Ritschl s thought by relating it to contemporaneous social and cultural developments Rooted in deep familiarity with German intellectual life of the time the book convincingly illustrates the value of a history of theology that is mindful of its various contexts Johannes Zachhuber University of Oxford I confess I was hesitant to blurb a book on Ritschl but then I read it Svensson's well researched presentation of Ritschl's thought is compelling and forceful I highly recommend this book Stanley Hauerwas Duke Divinity School Svensson's work ably places Ritschl's contribution to theology in the broader context of the intellectual and cultural history of the nineteenth century Students of Protestant theology and thought and all interested in the complex relationship between Christian theology and modernity will learn something of value from this important study Thomas Albert Howard Valparaiso University American Theological Inquiry, Volume Eight, Issue One Gannon Murphy, 2015-09-08 American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S and U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ's power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians and the theologically attentive will want to check out American Theological Inquiry Richard John Neuhaus 1936 2009 First Things
