Gate Crashers Joe Kohler,2015-02-23 Gate Crashers The Offensive Church makes the case that God desires to work through the church to do abundantly beyond all that we ask or think according to the power that works within us not because we deserve it but for the praise honor and glory of his own name Eph 3 20 21 Although much modern experience within the ranks of the professing church would cast doubt on this the Scriptures reveal God s amazing plan and model for his church While it may be true that our present system of church has drifted away from God s perfect design the good news is that we can get back on track by submitting to his perfect will Are you ready to get onboard the Offensive Church and become a gate crasher

The Forgotten Officer Joe Kohler,2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1 23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3 20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church

as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from Gods blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of Gods design for his church

Our Cry for Revival Nick Harrison, 2024-11-05 What Christian isn't hungering for revival Not just an emotional display of faith but a revival that changes lives renews churches and can even change history Such revivals as the Great Awakening the Welsh Revival and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active Even smaller revivals such as the recent revival at Asbury University in Wilmore Kentucky caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God The recent movie The Jesus Revolution was a surprise success at the box office as once again Christians flocked to hear about revival Make no mistake there is a worldwide hunger for revival and especially so among American Christians The great news is that every Christian has a part to play in bringing about revival That part is first last and always prayer Revivals are born from prayer But will Christians pray Do they really want revival If recent events are indications of that fresh hunger for God in our midst then the answer is a resounding yes With daily Scripture readings reflections prayer prompts and quotes from classic Christian leaders this 365 day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer Yes revival is on its way Will you be one of the prayer warriors to usher in this next great move of God

Mission in the Old Testament Walter C. Kaiser, Jr., 2012-05-01 Walter Kaiser questions the notion that the New Testament represents a deviation from God's supposed intention to save only the Israelites He argues that contrary to popular opinion the older Testament does not reinforce an exclusive redemptive plan Instead it emphasizes a common human condition and God's original and continuing concern for all humanity Kaiser shows that the Israelites mission was always to actively spread to gentiles the Good News of the promised Messiah This new edition adds two new chapters freshens material throughout expands the bibliography and includes study questions
