Royal Child:

Royal's Child Sharon Sala,2017-12-18 Revisit a fan favorite Justice Brothers romance from New York Times best selling author Sharon Sala Was she their angel Five year old Maddie seemed to think so But to her exasperated father rancher Royal Justice Angel Rojas the beautiful hitchhiker who got into their car that stormy night was nothing but an unwelcome distraction When infuriatingly handsome Royal opened his car door for on the run Angel that night she thought of him and his adorable daughter as a temporary reprieve But suddenly the comfort of a little girl s embrace not to mention that of her rugged rancher father felt like more than a makeshift shelter Was she finally coming home Originally published in 1998

The Formation of the Child in Early Modern Spain Grace E. Coolidge,2016-03-16 Drawing on history literature and art to explore childhood in early modern Spain the contributors to this collection argue that early modern Spaniards conceptualized childhood as a distinct and discrete stage in life which necessitated special care and concern The volume contrasts the didactic use of art and literature with historical accounts of actual children and analyzes children in a wide range of contexts including the royal court the noble family and orphanages The volume explores several interrelated questions that challenge both scholars of Spain and scholars specializing in childhood How did early modern Spaniards perceive childhood In what framework literary artistic did they think about their children and how did they visualize those children s roles within the family and society How do gender and literary genres intersect with this concept of childhood How did ideas about childhood shape parenting parents and adult life in early modern Spain How did theories about children and childhood interact with the actual experiences of children and their parents The group of international scholars contributing to this book have developed a variety of creative interdisciplinary approaches to uncover children s lives the role of children within the larger family adult perceptions of childhood images of children and childhood in art and literature and the ways in which children and childhood were vulnerable and in need of protection Studying children uncovers previously hidden aspects of Spanish history and allows the contributors to analyze the ideals and goals of Spanish culture the inner dynamics of the Habsburg court and the vulnerabilities and weaknesses that Spanish society fought to overcome **Lavina O.**

Wright,2005-10 Lavina The Saga of an African Princess is a tender romance entwined with the overtones of one of the most horrific periods of American history the time of colonial slavery The author focuses on two specific victims of this evil practice Lavina and Rabboni This heartrending novel portrays their loving romance and how their faith helps them persevere and withstand the conditions despite the overwhelming forces marshaled against them **Telepediatrics: Telemedicine**
