Russian Civil War Documents From The Soviet Archives:

The Russian Civil War V.P. Butt, Geoffrey Swain, A.B. Murphy, N.A. Myshov, 2016-01-07 Russia's experiences during the Civil War determined the framework within which the Russian people were governed throughout the Soviet period. These newly released documents reveal how the events of 1918-22 reflected struggles and tensions in Russian society that were more complex than the simple Red White propaganda war. In this collection the authors have sought out documents which highlight the complexities of the struggle, exploring episodes which shed light on what was a multifaceted struggle which left wounds on Russian society which never healed. *Historical Dictionary of the Russian Civil Wars, 1916-1926* Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state, the Union of Soviet Socialist Republics, was born. At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead, it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would-be successor states across a prolonged period. *The Historical Dictionary of the Russian Civil Wars 1916-1926* covers the history of this period through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has almost 2,000 cross-referenced entries on individuals, political and governmental institutions, and political parties and military formations and concepts, as well as religion, art, film, propaganda, uniforms, and weaponry. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War.

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR, profoundly affecting the history of the twentieth century. Indeed, the reverberations of those decade-long wars echo to the present day, not despite but because of the collapse of the Soviet Union, which re-opened many old wounds from the Baltic to the Caucasus. Contemporary memorialising and de-memorialising of these wars therefore form part of the book's focus, but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars, overlain with examinations of the attempts of many non-Russian national and religious groups to divide the former empire. The reasons why some of the latter were successful (Poland and Finland, for example), while others (Ukraine, Georgia, and the Muslim Basmachi) were not, are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks. Tellingly, the work begins and ends with battles in Central Asia, a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow. **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated

a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Historical Dictionary of the Russian Revolution Jonathan Davis, 2020-05-15 Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia's involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross-referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution

The Russian Civil War A. Murphy, 2000-08-17 Translated documents from Russian archives give fresh insight into the Russian civil war a struggle whose outcome defined much of the history of our time Areas covered include Soviet relations with the Don Cossacks the problems of securing supplies for the Red Army the issues of disloyalty of the two successful cavalry commanders Colonel Mironov and Sergeant Budyonny as well as a selection of documents from White sources Alongside those giving an overview of Soviet strategic planning a good proportion of these documents come from much more humble sources allowing the reader to feel directly the emotions the faith the zeal and sometimes the deceit of people living through those crucial years

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post-Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

The Bloomsbury Handbook of the Russian Revolution Geoffrey Swain, Charlotte Alston, Michael C. Hickey, Boris Kolonitskii, Franziska Schedewie, 2022-12-15 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia's revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which

took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture *Trotsky* Ian D. Thatcher, 2005-06-27 This new biography provides a full account of Leon Trotsky's political life based upon a wealth of primary sources including previously unpublished material Ian D Thatcher paints a new picture of Trotsky's standing in Russian and world history Key myths about Trotsky's heroic work as a revolutionary especially in Russia's first revolution of 1905 and the Russian Civil War are thrown into question Although Trotsky had a limited understanding of crucial contemporary events such as Hitler's rise to power he was an important thinker and politician not least as a trenchant critic of Stalin's version of communism The Bolshevik Revolution and Russian Civil War Rex A. Wade, 2001 Examines the Bolshevik Revolution and the Russian Civil War through narrative history and analysis biographies and primary documents also includes a glossary an annotated bibliography and a time line

From the Russian Archives, 1993 Trotsky and the Russian Revolution Geoffrey Swain, 2014-02-24 Supporters of Stalin saw Trotsky as a traitor and renegade Trotsky's own supporters saw him as the only true Leninist In *Trotsky and the Russian Revolution* Geoffrey Swain restores Trotsky to his real and central role in the Russian Revolution In this succinct and comprehensive study Swain contests that In the years between 1903 and 1917 it was the ideas of Trotsky rather than Lenin which shaped the nascent Bolshevik Party and prepared it for the overthrow of the Tsar During the autumn of 1917 workers supported Trotsky's idea of an insurrection carried out by the soviet rather than Lenin's demand for a party orchestrated coup d'etat During the Russian Civil War Trotsky persuaded a sceptical Lenin that the only way to victory was through the employment of officers trained in the Tsar's army As well as examining Trotsky's critique of Stalin's Russia in the 1930s this seminar reader probes deeper to explore the ideas which drove Trotsky forward during his years of influence over Russia's revolutionary politics exploring such key concepts as how to construct a revolutionary party how to stage a successful insurrection how to fight a revolutionary war and how to build a socialist state Lenin Beryl Williams, 2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin's years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin's life and work this is an up to date evaluation of recent historiographical

debates and literature in the context of the period **Trotsky** Geoffrey Swain,2014-05-22 Without Trotsky there would have been no Bolshevik Revolution but Trotsky was no Bolshevik Providing a full account of Trotsky s role during the Russian Civil War and concentrating on his time as an active participant in Russian revolutionary politics rather than his ideological writings of emigration Swain gives the student a very different picture of the Bolshevik Commissar of War This radically new interpretation of Trotsky s career spanning 1905 1917 incorporates the tense relationship between Trotsky and Lenin until 1917 and pays particular attention to the Russian Civil War and Trotsky s military organisation and contribution to the war Swain argues critically that Trotsky achieved where Lenin would have failed suggesting that Trotsky was in the main part responsible for the Bolshevik Revolution **Bulletin** ,1995 Dreams of a Great Small Nation Kevin J McNamara,2016-03-29 The pages of history recall scarcely any parallel episode at once so romantic in character and so extensive in scale Winston S Churchill In 1917 two empires that had dominated much of Europe and Asia teetered on the edge of the abyss exhausted by the ruinous cost in blood and treasure of the First World War As Imperial Russia and Habsburg ruled Austria Hungary began to succumb a small group of Czech and Slovak combat veterans stranded in Siberia saw an opportunity to realize their long held dream of independence While their plan was audacious and complex and involved moving their 50 000 strong army by land and sea across three quarters of the earth s expanse their commitment to fight for the Allies on the Western Front riveted the attention of Allied London Paris and Washington On their journey across Siberia a brawl erupted at a remote Trans Siberian rail station that sparked a wholesale rebellion The marauding Czecho Slovak Legion seized control of the Trans Siberian Railroad and with it Siberia In the end this small band of POWs and deserters whose strength was seen by Leon Trotsky as the chief threat to Soviet rule helped destroy the Austro Hungarian Empire and found Czecho Slovakia British prime minister David Lloyd George called their adventure one of the greatest epics of history and former US president Teddy Roosevelt declared that their accomplishments were unparalleled so far as I know in ancient or modern warfare **Rostov in the Russian Civil War, 1917-1920** Brian Murphy,2004-08-02 The documents in this book were collected from the archives in Rostov on Don and appear here for the first time in print with commentary from the author Guide to the Hoover Institution Archives Charles G. Palm,Dale Reed, The Cold War in Asia James Gordon Hershberg,1996 **1996** Massimo Mastrogregori,2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors

Russian Civil War Documents From The Soviet Archives Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Civil War Documents From The Soviet Archives free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Civil War Documents From The Soviet Archives free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Civil War Documents From The Soviet Archives free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Russian Civil War Documents From The Soviet Archives. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Civil War Documents From The Soviet Archives any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Civil War Documents From The Soviet Archives Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Civil War Documents From The Soviet Archives is one of the best books in our library for free trial. We provide copies of Russian Civil War Documents From The Soviet Archives in digital format, so the resources that you find are reliable. There are also many eBooks of related topics with Russian Civil War Documents From The Soviet Archives. Where to download Russian Civil War Documents From The Soviet Archives online for free? Are you looking for Russian Civil War Documents From The Soviet Archives PDF? This is definitely going to save you time and cash in something you should think about.
