Russian Mind From Peter The Great Throug:

The Russian Mind: from Peter the Great Through the Enlightenment Stuart Ramsay Tompkins, 1953 **The Image of Peter the Great in Russian History and Thought** Nicholas Valentine Riasanovsky, 1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people The Russian Mind Stuart Ramsay Tompkins, 1978 Russia in the era of Peter the Great Lawrence Jay Oliva, 1969 **The Russian Mind Since Stalin's Death** Yuri Glazov, 2012-12-06 I have been working on this book since leaving Russia in April of 1972 It was my wish to write this book in English and there were what seemed to me to be serious reasons for doing so In recent years there has appeared a wealth of literature in Russian about Russia As a rule this literature has been published outside the USSR by authors who still live in the Soviet Union or who have only recently left it A fair amount of important literature is being translated into English but I believe it will be read main ly by specialists in Russian studies or by those who have a great interest in the subject already The majority of Russian authors write of course for the Russian reader or for an imagined Western public It is my feeling that Russian authors have serious difficulties in understanding the men tality of Westerners and that there still exists a gap between the visions of Russians and non Russians I have made my humble attempt to bridge his gap and I will be happy if I am even partly successful The Russian world is indeed fascinating Many people who visit Russia for a few days or weeks find it a country full of historical charm fantastic architecture and infinite mystery For many inside the country especial ly for those in conflict with the Soviet authorities History of the Russian empire: from its foundation, by Ruric the pirate, to the accession of the Emperor Alexander II Henry Tyrrell, 1859 **The Russian Empire in the Eighteenth Century: Tradition and Modernization** Aleksandr Kamenskii, David Griffiths, 2015-03-04 Russia s 18th century drive toward modernity and empire under the two greats Peter I and Catherine II is captured in this work by one of Russia s outstanding young historians The author develops three themes Russia s relationship to the West the transformation of Holy Russia into a multinational empire and the effects of efforts to modernize Russia selectively along Western lines Writing in a clear crisp style Kamenskii enlivens the narrative with observations from contemporary literary figures and political commentators that point up the lasting significance of the events he describes *The Russian Empire in the Eighteenth Century* Aleksandr B. Kamenskii, 1997-08-28 Russia s eighteenth century drive toward modernity and empire under the two greats Peter I and Catherine II is fully captured in this new work by one of Russia s outstanding young historians The author develops three themes Russia s relationship to the West the transformation of Holy Russia into a multinational empire and the effects of efforts to modernize Russia selectively along Western lines Writing in a clear crisp style Kamenskii enlivens the narrative with observations from contemporary literary figures and political commentators that point up the lasting significance of the events he describes *The*

Mathematical Mind of F. M. Dostoevsky Michael Marsh-Soloway, 2024-11-19 The *Mathematical Mind of F. M. Dostoevsky* Imaginary Numbers Non Euclidean Geometry and Infinity reconstructs the curriculum and readings that F. M. Dostoevsky encountered during his studies and connects such sources to the mathematical references and themes in his published works Prior to becoming a man of letters Dostoevsky studied at the Main Engineering School in St Petersburg from 1838 to 1843 After he was arrested submitted to mock execution by firing squad and sentenced to penal servitude in Siberia for his involvement in the revolutionary Petrashevsky Circle in 1849 most of his books and journals from the period of his education were confiscated and destroyed by the Third Section of the Russian Secret Police Although most scholars discount the legacy of his engineering studies the literary aesthetics of his works communicate an acute awareness of mathematical principles and debates This book unearths subtexts in works by Dostoevsky communicating veins of mathematical thought that evolved throughout Classical Antiquity the Renaissance and the Scientific Revolution **Russian Identities** Nicholas V. Riasanovsky, 2005-09-29 Investigates the question of Russian identity spanning a territory centuries and a variety of political social and economic structures This book places emphases on the struggle against the steppe peoples Orthodox Christianity autocratic monarchy and Westernization **The Nation**, 1921 *The Russian Orthodox Community in Hong Kong* Loretta E. Kim, Chengyi Zhou, 2021-08-23 Hong Kong has been a unique society from its establishment as a political region separate from mainland China in the nineteenth century under British colonial rule until the present day as a special administrative region of the People's Republic of China A hub of interregional and international migration it has been the temporary and long term home of people belonging to many racial ethnic and cultural groups This book examines the evolution of the community established by clergy and congregants of the Russian Orthodox Church This community was first developed in the 1930s and then revived after a hiatus of over two decades from the 1970s to the 1990s with the founding of the Orthodox Parish of Apostles Saints Peter and Paul OPASPP at the turn of the twenty first century This study demonstrates how the OPASPP has become a vital provider of knowledge about Russian language and culture as well as a religious institution serving both heritage and convert believers The community formed by and around the OPASPP is important to foster Sino Russian relations based on individual to individual contact and mutual exposure to Chinese and Russian cultures in a region of China which allows spiritual and social diversity with minimal political constraints **Clouds above the Hill** Shiba Ryōtarō, 2013-12-05 *Clouds above the Hill* is one of the best selling novels ever in Japan and is now translated into English for the first time An epic portrait of Japan in crisis it combines graphic military history and highly readable fiction to depict an aspiring nation modernizing at breakneck speed Best selling author Shiba Ryōtarō devoted an entire decade of his life to this extraordinary blockbuster which features Japan's emerging onto the world stage by the early years of the twentieth century Volume I describes the growth of Japan's fledgling Meiji state a major character in the novel We are also introduced to our three heroes born into obscurity the brothers Akiyama Yoshifuru and Akiyama Saneyuki who will go on to play important

roles in the Japanese Army and Navy and the poet Masaoka Shiki who will spend much of his short life trying to establish the haiku as a respected poetic form Anyone curious as to how the tiny rising nation of Japan was able to fight so fiercely for its survival should look no further Clouds above the Hill is an exciting human portrait of a modernizing nation that goes to war and thereby stakes its very existence on a desperate bid for glory in East Asia **Russian Orientalism** David Schimmelpenninck van der Oye,2010-04-20 Here the author examines Russian thinking about the Orient before the Revolution of 1917 He argues that the Russian Empire s bi continental geography and the complicated nature of its encounter with Asia have all resulted in a variegated understanding of the East among its people History of the Russian Empire Henry Tyrrell,1859 **Russian Messianism** Peter J. S. Duncan,2002-11 This unique work will be of great interest to those engaged in politics and Russian studies as well as professionals dealing with Russia Russia and the West from Peter to Khrushchev Lawrence Jay Oliva,1965 *The Russian Empire* James Hain Friswell,1854 **Illustrated Encyclopaedia of World History** , *Jewish Intelligentsia and Russian Marxism* Robert J. Brym,1978-06-17
