R. Aurisch, 2018-08-01 There was a time when the sacred was an inseparable part of the world But as the human mind developed how we sensed and approached the sacred changed and the sacred became so far removed from our soul that by the dawn of the twentieth century Friedrich Nietzsche proclaimed the fall of God from the perspective of man Bringing the sacred back into our lives can bring us enormous benefits but to do so we must take an authentic look at ourselves and the world we live in Spiritual counselor M R Aurisch takes you through that process in this life changing guide that helps you look at your life with a clear lens so you can prepare an authentic ground from which to grow By turning inward you'll find God in your soul and advance on your own spiritual journey and soulful evolution Embark on a journey to psychospiritual becoming and recognize the spiritual physical and experiential aspects of being with the insights and guidance in **Sacred Union** **Subject Guide to Books in Print**, 1991 A Psychospiritual Healing manual with integral psychedelic therapy, 2024-03-28 The invitation to write a foreword for this book came at an opportune time in the development of the field of psychedelic assisted therapy amid the emergence of the future iteration of mental health services delivered by the promises of the psychedelic renaissance Also alive in this context are the substantial individual social and cultural repercussions of a global pandemic on mental health and human behavior A growing body of research shows encouraging clinical results in treating trauma depression demoralization end of life existential issues addiction and eating disorders using MDMA psilocybin ketamine and other psychedelic medications However the field of psychedelic assisted therapy has gained accelerated support from donors the medical establishment and corporate investors in recent years Along with the enthusiasm recognition funding and media coverage directed toward psychedelic assisted therapy ethical standards the lack of adequate training and issues of accessibility sustainability diversity and inclusion are increasingly becoming part of the movement's forefront These gaps in the emerging field highlight the need for more guidance and structure around ethical clinical and social considerations for these innovative treatments This book can serve as a cornerstone for the field of psychedelic assisted therapy at this time This essential contribution offers a depth oriented somatic and relational therapeutic approach emphasizing the imperative of ethical standards the relevance of the therapeutic use of touch the significance of the unconscious in the construction of symbolic meaning and intersubjective processes and the need for trauma informed approaches while centering liberation psychology and decolonial practices The topics covered in this book and the themes embraced by the authors are of great relevance and are not yet comprehensively articulated in existing publications on psychedelic assisted therapy The diverse

Dancing with Fire John Amodeo, 2013-06-15 Winner of the 2014 Silver Independent Publisher Book Award in the relationship category and winner of the Spirituality and Practice Award as one of the best spiritual books of 2013 The search for inner peace is often met with what seems like a conflicting path the irresistible pull of love and connection with others to which we are drawn Reconciling these opposites John Amodeo shows how spirituality and vibrant relationships are identical He says that Buddha's concept of the root of suffering is misunderstood It is not desire that causes suffering desire is the fire that springs from the basic life force Drawing upon the science of attachment theory Amodeo illuminates how the root of our suffering is disconnection from ourselves and others which is fueled by clinging to what doesn't serve us In a conversational tone Amodeo presents relationship as sacred experience He teaches how to welcome desire mindfully rather than suppress it and how to overcome fear of failure in relating He also discusses meditation as self intimacy and holding ourselves with loving kindness Lastly he explores the role of community in spiritual awakening and the issue of whom to trust our guru or ourselves

Sacred Relationships: A Deeper Look at Love, Intimacy, Relationships and Sacred Sexuality Jennifer Elizabeth Masters, 2019-03-26 When we accept our partners as they are and stop attempting to change them our world is a much softer and loving place Join me in creating a world filled with love and acceptance starting in our most intimate relationships so we show up in the world happier satisfied and fulfilled humans rather than the opposite Great sex involves letting go of judgment and ego When we think we have it all going on we don't When we think we know what another person needs we rarely do Conversations and questions will get us all much further than thinking we know what another person wants or needs Our world will be a much
