Sacrifice A Novel Of The War For Southern Independence

Caroline E. Janney

Sacrifice A Novel Of The War For Southern Independence:

The Life and Works of Augusta Jane Evans Wilson, 1835-1909 Brenda Ayres, 2016-03-03 Over the course of her 57 year career Augusta Jane Evans Wilson published nine best selling novels but her significant contributions to American literature have until recently gone largely unrecognized Brenda Ayres in her long overdue critical biography of the novelist once referred to as the first Southern woman to enter the field of American letters credits the importance of Wilson's novels for their portrait of nineteenth century America As Ayres reminds us the nineteenth century American book market was dominated by women writers and women readers a fact still to some extent obscured by the make up of the literary canon In placing Wilson's novels firmly within their historical context Ayres commemorates Wilson as both a storyteller and maker of American history Proceeding chronologically Ayres devotes a chapter to each of Wilson's novels showing how her views on Catholicism the South the Civil War male authority domesticity Reconstruction and race were both informed by and resistant to the turbulent times in which she lived This comprehensive and meticulously researched biography contributes not only to our appreciation of Wilson's work but also to her importance as a figure for understanding women's roles in history and their art evolving gender roles and the complicated status of women writers

A Companion to American Fiction, 1865 - 1914 Robert Paul Lamb, G. R. Thompson, 2008-04-15 *A Companion to American Fiction 1865 1914* is a groundbreaking collection of essays written by leading critics for a wide audience of scholars students and interested general readers An exceptionally broad ranging and accessible Companion to the study of American fiction of the post civil war period and the early twentieth century Brings together 29 essays by top scholars each of which presents a synthesis of the best research and offers an original perspective Divided into sections on historical traditions and genres contexts and themes and major authors Covers a mixture of canonical and the non canonical themes authors literatures and critical approaches Explores innovative topics such as ecological literature and ecocriticism children's literature and the influence of Darwin on fiction

The Reconstruction of White Southern Womanhood, 1865-1895 Jane Turner Censer, 2003-09-30 The important but little known story of elite southern white women's successful quest for a measure of self reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow

The Confederate Spy: A Story of the War of 1861 R. Grozier, 2023-02-01 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

Women During the Civil War Judith E. Harper, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

A Southern Writer and the Civil War Jeffery J. Rogers, 2015-02-18 Historians of the American Civil War have debated a wide range of questions raised by the war and its outcome None have been more vigorously argued as those surrounding its outcome One of the leading explanations for Confederate defeat has been the argument that the Civil War South lacked a national identity Related to and supporting this

argument is the contention that the Civil War South failed to produce a distinct and vibrant literary culture. These contentions have been challenged by a growing body of literature which argues that the Civil War South did produce a sense of cultural and national identity. This book adds to this counter current through an examination of the Civil War experiences and writings of the Antebellum South's leading literary figure. Surprisingly given William Gilmore Simms' well known status prior to the war, his life and work during the course of the war itself has been understudied. This examination reveals the depth and extent to which Simms not only supported the Confederate war effort but how Simms conceptualized and articulated a vision of Confederate nationalism.

The History of Southern Women's Literature Carolyn Perry, Mary

Weeks-Baxter, 2002-03-01 Many of America's foremost and most beloved authors are also southern and female. Mary Chesnut, Kate Chopin, Ellen Glasgow, Zora Neale Hurston, Eudora Welty, Harper Lee, Maya Angelou, Anne Tyler, Alice Walker, and Lee Smith to name several. Designating a writer as southern if her work reflects the region's grip on her life, Carolyn Perry and Mary Louise Weeks have produced an invaluable guide to the richly diverse and enduring tradition of southern women's literature. Their comprehensive history, the first of its kind in a relatively young field, extends from the pioneer woman to the career woman, embracing black and white, poor and privileged, urban and Appalachian perspectives and experiences. The History of Southern Women's Literature allows readers both to explore individual authors and to follow the developing arc of various genres across time: Conduct books and slave narratives, Civil War diaries and letters, the antebellum, postbellum, and modern novel, autobiography and memoirs, poetry, magazine and newspaper writing; these and more receive close attention. Over seventy contributors are represented here, and their essays discuss a wealth of women's issues from four centuries: race, urbanization and feminism, the myth of southern womanhood, preset images and assigned social roles from the belle to the mammy, and real life behind the facade of meeting others' expectations, poverty and the labor movement, responses to Uncle Tom's Cabin and the influence of *Gone with the Wind*. The history of southern women's literature tells ultimately the story of the search for freedom within an insidious tradition. To quote Ellen Glasgow: This teeming volume validates the deep contributions and pleasures of an impressive body of writing and marks a major achievement in women's and literary studies.

The Politics of Faith During the Civil War Timothy L. Wesley, 2013-05-13 In *The Politics of Faith during the Civil War*, Timothy L. Wesley examines the engagement of both northern and southern preachers in politics during the American Civil War, revealing an era of denominational governmental and public scrutiny of religious leaders. Controversial ministers risked ostracism within the local community, censure from church leaders, and arrests by provost marshals or local police. In contested areas of the Upper Confederacy and Border Union, ministers occasionally faced deadly violence for what they said or would not say from their pulpits. Even silence on political issues did not guarantee a preacher's security, as both sides arrested clergymen who defied the dictates of civil and military authorities by refusing to declare their loyalty in sermons or to pray for the designated nation, army, or president. The generation that fought the Civil War lived in arguably the most

sacralized culture in the history of the United States The participation of church members in the public arena meant that ministers wielded great authority Wesley outlines the scope of that influence and considers conversely the feared outcomes of its abuse By treating ministers as both individual men of conscience and leaders of religious communities Wesley reveals that the reticence of otherwise loyal ministers to bring politics into the pulpit often grew not out of partisan concerns but out of doctrinal historical and local factors The Politics of Faith during the Civil War sheds new light on the political motivations of homefront clergymen during wartime revealing how and why the Civil War stands as the nation's first concerted campaign to check the ministry's freedom of religious expression

The Unwritten War Daniel Aaron, 2003-01-08 In *The Unwritten War* Daniel Aaron examines the literary output of American writers major and minor who treated the Civil War in their works He seeks to understand why this devastating and defining military conflict has failed to produce more literature of a notably high and lasting order why there is still no masterpiece of Civil War fiction In his portraits and analyses of 19th and some 20th century writers Aaron distinguishes between those who dealt with the war only marginally Henry Adams Henry James William Dean Howells Mark Twain and those few who sounded the war's tragic import Herman Melville Walt Whitman and William Faulkner He explores the extent to which the war changed the direction of American literature and how deeply it entered the consciousness of American writers Aaron also considers how writers especially those from the South discerned the war's moral and historical implications *The Unwritten War* was originally published by Alfred A Knopf in 1973 The New Republic declared This book's major contribution will no doubt be to American literary history In this respect it resembles Edmund Wilson's *Patriotic Gore* and is certain to become an indispensable guide for anyone who wants to explore the letters diaries journals essays novels short stories poems but apparently no plays which constitute Civil War literature The mass of material is presented in a systematic luminous and useful way

The Great Fiction: Property, Economy, Society, and the Politics of Decline, Southern Women Novelists and the Civil War Sharon Talley, 2014-03-30 During and after the Civil War southern women played a critical role in shaping the South's evolving collective memory by penning journals and diaries historical accounts memoirs and literary interpretations of the war While a few of these writings most notably Mary Chesnut's diaries and Margaret Mitchell's novel *Gone with the Wind* have been studied in depth by numerous scholars until now there has been no comprehensive examination of Civil War novels by southern women In this welcome study Sharon Talley explores works by fifteen such writers illuminating the role that southern women played in fashioning cultural identity in the region Beginning with Augusta Jane Evans's *Macaria* and Sallie Rochester Ford's *Raids and Romance of Morgan and His Men* which were published as the war still raged Talley offers a chronological consideration of the novels with informative introductions for each time period She examines Reconstruction works by Marion Harland Mary Ann Cruse and Rebecca Harding Davis novels of the Redeemed South and the turn of the century by Mary Noailles Murfree Ellen Glasgow and Mary Johnston and narratives by Evelyn Scott Margaret Mitchell and Caroline Gordon from the Modern period that

spanned the two World Wars Analysis of Margaret Walker s Jubilee 1966 the first critically acclaimed Civil War novel by an African American woman of the South as well as other post World War II works by Kaye Gibbons Josephine Humphreys and Alice Randall offers a fitting conclusion to Talley s study by addressing the inaccuracies in the romantic myth of the Old South that Gone with the Wind most famously engraved on the nation s consciousness Informed by feminist poststructural and cultural studies theory Talley s close readings of these various novels ultimately refute the notion of a monolithic interpretation of the Civil War presenting instead unique and diverse approaches to balancing fact and fiction in the long period of artistic production concerning this singular traumatic event in American history Sharon Talley professor of English at Texas A M University Corpus Christi is the author of Ambrose Bierce and the Dance of Death and Student Companion to Herman Melville Her articles have appeared in American Imago Journal of Men s Studies and Nineteenth Century Prose

The Pictorial Field Book of the Civil War in the United States of America Benson John Lossing,1874 *Remembering the Civil War* Caroline E. Janney,2013 *Remembering the Civil War Reunion and the Limits of Reconciliation* Southern Stories Drew Gilpin Faust,1992 Stories were collective as in the case of the antebellum proslavery argument or Confederate discourses about women Sometimes they were personal as in the private writings of figures such as Lizzie Neblett Mary Chesnut Thornton Stringfellow or James Henry Hammond These men and women regularly employed their pens to create coherence and order amid the tangled circumstances of their particular lives and within a context of social prescriptions and expectations The Yellowhammer War Kenneth W. Noe,2013 Many books about Alabama s role in the Civil War have focused serious attention on the military and political history of the war The Yellowhammer War likewise examines the military and political history of Alabama s Civil War contributions but it also covers areas of study usually neglected by centennial scholars such as race women the home front and Reconstruction From Patricia A Hoskins s look at Jews in Alabama during the Civil War and Jennifer Ann Newman Trevi o s examination of white women s attitudes during secession to Harriet E Amos Doss s study of the reaction of Alabamians to Lincoln s Assassination and Jason J Battles s essay on the Freedman s Bureau readers are treated to a broader canvas of topics on the Civil War and the state CONTRIBUTORS Jason J Battles Lonnie A Burnett Harriet E Amos Doss Bertis English Michael W Fitzgerald Jennifer Lynn Gross Patricia A Hoskins Kenneth W Noe Victoria E Ott Terry L Seip Ben H **Women in the American Civil War** Lisa . Tendrich Frank,2007-12-03 This fascinating work tells the untold story of the role of women in the Civil War from battlefield to home front Most Americans can name famous generals and notable battles from the Civil War With rare exception they know neither the women of that war nor their part in it Yet as this encyclopedia demonstrates women played a critical role The book s 400 A Z entries focus on specific people organizations issues and battles and a dozen contextual essays provide detailed information about the social political and family issues that shaped women s lives during the Civil War era Women in the American Civil War satisfies a growing interest in this topic Readers will learn how the Civil War became a vehicle for expanding the role of

women in society Representing the work of more than 100 scholars this book treats in depth all aspects of the previously untold story of women in the Civil War **Outlook and Independent** ,1914 Presidential Leadership and African Americans George R. Goethals,2015-03-24 Presidential Leadership and African Americans examines the leadership styles of eight American presidents and shows how the decisions made by each affected the lives and opportunities of the nation s black citizens Beginning with George Washington and concluding with the landmark election of Barack Obama Goethals traces the evolving attitudes and morality that influenced the actions of each president on matters of race and shows how their personal backgrounds as well as their individual historical economic and cultural contexts combined to shape their values judgments and decisions and ultimately their leadership regarding African Americans **The Independent** ,1918
 Outlook Alfred Emanuel Smith,Francis Walton,1900
