A Commentary on THE MINOR PROPHETS David Pawson, 2019-08-22 David Pawson looks at the messages of these so called minor prophets and says I do not like that term To God all prophets are important whether they speak a little or a lot Even if God only gave you three words for somebody else that is prophecy You don t need to do it at length for fifty years as some prophets did There are

some prophets in the Old Testament who only speak once and then as far as we know they disappear but they have given a message from God This is all a prophet is someone who has heard a message and passes it on to the right people It is such a simple ministry You don't need to be theologically educated you don't need to be a public speaker In fact God seems to entrust this ministry to those who don't have a gift of oratory It is exciting to hear ordinary folk who would never be able to get up into a pulpit and preach a sermon hear from God and pass on a word from him
