Wisdom and Revelations This book contains some of my favorite power pack key words of wisdom and revelations As you read you will understand my reason for using this title The little bits and pieces in this book will either add too or change your concept about certain views in Christendom and kingdom insight The title of this book is not mentioned throughout the book in reading you will also understand why For instance this book is not written with much detail or with exhaustive information about any particular subject Most of my views are short with a proverbial fl avor this means that sometimes it may seem as if you are actually reading proverbs Some of these sayings might be viewed as idioms motto and some as I said have the fl avor of a proverb which from a kingdom perspective I believe fit the messages in this book perfectly Most of these proverbial sayings were conceived in my spirit and were birthed by the Holy Spirit often times when I was in prayer Many years have passed since I started recording these sayings I believe this book of Spirit filled wisdom should ve been blessing people everywhere long ago My greatest desire for this book is that every reader will discover a greater passion for purpose and a greater desire to grow in kingdom revelation which will be beneficial for kingdom living This book contains a wealth of what I believe to be wise spiritual snacks lunch and occasionally readers might discover a full meal to dine on which is without a doubt good for the spirit soul and body
