As the first book since Bertrand Russell's 1945 *A History of Western Philosophy* to offer a concise single author review of the complete history of philosophy from the pre-Socratics to the modern masters of the 20th century, Kenny's work fills a critical gap in the modern philosophy reading list and offers valuable guidance for the general reader of philosophy, an ideal starting point for anyone with an interest in great thinkers and the family lines of philosophical evolution. Widely considered to be one of the most thorough and accessible historical reviews in philosophy, *An Illustrated Brief History of Western Philosophy* has earned an estimable and distinctive reputation both for the compelling writing style of Anthony Kenny, one of the most respected and accomplished living philosophers, and for the rich collection of paintings, illustrations, maps, and photos included with every chapter to complement this review of 2,500 years of philosophical thought. Newly revised and expanded for a special 20th anniversary publication, the latest edition of *An Illustrated Brief History of Western Philosophy* contains all of Kenny's original writings on the history of Western philosophy from ancient to modern, along with new writings on the philosophy of the mid-20th century covering important contributions from continental philosophers and philosophers of the post-Wittgenstein anglophone tradition, including the work of many women who have too often been neglected by the historical record. *The Illustrated London News* Anonymous, 2023-02-28 Reprint of the original first published in 1874. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost. *Literary World* ,1900 **The Publishers Weekly** ,1910 **New York Magazine** ,1986-03-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
