Every Day* Nancy Nix-Rice, 2014-09-01 Any woman can look and feel lovely regardless of her age bank balance or pant size and *Looking Good Every Day* defines a simple yet sophisticated standard for women to determine exactly which clothes and accessories will showcase their unique beauty The points of connection method explains that the more characteristics that exist in common between a woman and her outfit the more lovely she will look It shifts emphasis from hiding her perceived figure challenges and focuses on spotlighting her personal assets By choosing wardrobe additions in this way everything in her closet will work together She has more outfits from fewer garments allowing her to buy higher quality garments without increasing her budget Photography of real women ranging from 22 to 80 years old and from size 4 to 24 illustrates the universal impact points of connection make in their appearance *Looking Good and Doing Good* Jerome L. Himmelstein, 1997-05-22 Political controversy is a lens through which the author examines corporate philanthropy He explains why corporate philanthropy has become politicized how corporations respond to controversy about their donations and what the conflicts tell us about corporate philanthropy and corporate politics Himmelstein argues that corporate giving sometimes becomes politicized because it is inherently a complex social and political act Drawing on in depth interviews with managers at fifty five of the largest corporate giving programs in the U S Himmelstein shows that corporate giving often finds itself as one manager put it locked in a struggle between looking good and doing good Back cover Looking Good Feeling Great Ladies 50 and Over Nina Bagnall, 2009 Bagnall provides some of the best up to date information on how to stop lamenting one's age and start living life to its fullest Looking Good Margaret A.
