Looking Back, Moving Forward Girish Daswani, 2015-02-26 How do Ghanaian Pentecostals resolve the contradictions of their own faith while remaining faithful to their religious identity Bringing together the anthropology of Christianity and the anthropology of ethics Girish Daswani's *Looking Back Moving Forward* investigates the compromises with the past that members of Ghana's Church of Pentecost make in order to remain committed Christians Even as church members embrace the break with the past that comes from being born again many are less concerned with the boundaries of Christian practice than with interpersonal questions the continuity of suffering after conversion the causes of unhealthy relationships the changes brought about by migration and how to deal with them By paying ethnographic attention to the embodied practices interpersonal relationships and moments of self reflection in the lives of members of the Church of Pentecost in Ghana and amongst the Ghanaian diaspora in London *Looking Back Moving Forward* explores ethical practice as it emerges out of the questions that church members and other Ghanaian Pentecostals ask themselves

Moving Forward by Looking Back Craig Steiner, 2009-08-30 How many times have you poured your heart and soul into something for your youth ministry only to have it fall flat leaving not much more than a fond memory in the minds of students let alone amazing life change in their hearts You're not alone Far too often we build plans and programs and then stop to ask God to bless them We all want a transformational student ministry but we need to remember that God has to be the one doing the transformations in the lives of our students Based on the principles found in the book of Acts *Moving Forward by Looking Back* will help you look back at how God transformed lives through the early church and look forward at how those principles can be applied to your youth ministry today As you reflect on the book of Acts you'll explore how your youth ministry can implement the principles of Adoration engaging students with God Community engaging students with God's people Truth engaging students with God's Word Service engaging students with God's world With practical ideas that are easy to apply in any ministry context whether you're a rookie or a veteran a professional or a volunteer youth worker this book is an invaluable resource for any youth ministry that wants to see its students transformed by God

Walking Forward, Looking Back Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog It is a touchingly honest work written straight from the heart The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve Divorce and single parenthood accompany her career journey while living alone escorts her into retirement It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing It was her need to be taken on daily walks that finds our author evoking memories

randomly flicking through a lifetime of unwritten diaries Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway one with an unfamiliar landscape a one way journey into growing old This is a voyage of discovery one that promises many unexpected new experiences not the least of which is their most recent pastime sheepherding

Moving Forward, Looking Back Sarah M. Misemer, 2010 Many critical shifts in concepts of time and society's consciousness of modernity were derived from the railway and World Standard Time in the nineteenth century These innovations restructured the way people viewed the world and dealt with public and private time The forward projectile motion along a linear track mimicked the passage of public chronological time Conversely the train also invoked a private nostalgic view of time as the traveler was yanked from his/her traditional view of the space-time continuum via the train's velocity Travelers observed the landscape disappear in their backward glance from the window although the landscape and interior compartment's space remained stagnant This optical illusion caused passengers to perceive the world in new ways Thus the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back
