**The Lady of Winderslee, a Saintly Romance, and Other Poems** George Washington Kettoman, 1892      **The Greatest Love Story Never Told** Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled *Somewhere Sometime Somehow Love Poems and Short Stories* published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love

affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other

The Historical Romances of Georg Ebers Georg Ebers,2020-09-28 God grant it exclaimed the young man I have heard nothing from my family for two months That is hard Pleasures smile along every path and I like my profession of soldier but it often grieves me sorely to hear so little from home Oh if one were only a bird a sunbeam or a shooting star one might if only for the twinkling of an eye learn how matters go at home and fill the soul with fresh gratitude or if it must be but I will not think of that In the valley of the Saale the trees are blossoming and a thousand flowers deck all the meadows just as they do here and did there two years ago when I left home for the second time After my father s death I was the heir but neither hunting nor riding to court neither singing nor the clinking of beakers could please me I went about like a sleep walker and it seemed as if I had no right to live without my father Then it is now just two years ago a messenger brought from Weimar a letter which had come from Italy with several others addressed to our most gracious sovereign it contained the news that our lost brother was still alive lying sick and wretched in the hospital at Bergamo A kind nun had written for him and we now learned that on the journey from Valencia to Livorno Louis had been captured by corsairs and dragged to Tunis How much suffering he endured there with what danger he at last succeeded in obtaining his liberty you shall learn later He escaped to Italy on a Genoese galley His feet carried him as far as Bergamo but he could go no farther and now lay ill perhaps dying among sympathizing strangers I set out at once and did not spare horseflesh on the way to Bergamo but though there were many strange and beautiful things to be seen on my way they afforded me little pleasure the thought of Louis so dangerously ill saddened my joyous spirits Every running brook urged me to hasten and the lofty mountains seemed like jealous barriers When once beyond St Gotthard I felt less anxious and as I rode down from Bellinzona to Lake Lugano and the sparkling surface of the water beyond the city smiled at me like a blue eye forgot my grief for a time waved my hat and sung a song In Bergamo I found my brother alive but enfeebled in mind and body weak and without any desire to take up the burden of life again He had been in good hands and after a few weeks we were able to travel homeward this time I went through beautiful Tyrol Louis s strength daily increased but the wings of his soul had been paralyzed by suffering Alas for long years he had dug and carried heavy loads with chains on his feet beneath a broiling sun Chevalier von Brand could not long endure this hard fate but Louis while in Tunis forgot both how to laugh and weep and which of the two can be most easily spared
