*Looking Inward, Looking Upward* Ennen Reaves Hall, 1978      *Augustine Through the Ages* Allan Fitzgerald, John C. Cavadini, 1999 This one volume reference work provides the first encyclopedic treatment of the life thought and influence of Augustine of Hippo A D 354 430 one of the greatest figures in the history of the Christian church The product of more than 140 leading scholars throughout the world this comprehensive encyclopedia contains over 400 articles that cover every aspect of Augustine s life and writings and trace his profound influence on the church and the development of Western thought through the past two millennia Major articles examine in detail all of Augustine s nearly 120 extant writings from his brief tractates to his prodigious theological works For many readers this volume is the only source for commentary on the numerous works by Augustine not available in English Other articles discuss Augustine s influence on other theologians from contemporaries like Jerome and Ambrose to prominent figures throughout church history such as Gregory the Great Aquinas Luther Calvin and Harnack Augustine s life the chaotic political events of his world and the church s struggles with such heresies as Arianism Donatism Manicheism and Pelagianism Augustine s thoughts about philosophical problems time the ascent of the soul the nature of truth theological questions guilt original sin free will the Trinity and cultural issues church state relations Roman society      *Divine Direction* Dr. Chinyere Almona, 2021-02-16 Do you ever feel a lack of direction in your life Are you sometimes troubled by your past Have you ever felt you were moving in the right direction and later realized that you were wrong Could God be leading you in directions that you would not usually seek Do you desire greater intimacy with God If you answered Yes to any of the above questions the Lord invites you to experience the power of looking in the right direction Looking is a simple but crucial act Just one look can change your life both positively and negatively The direction toward which you look is as important as are the reasons for looking Dr Almona uses her proprietary Five Way Directional Model to show you how to live a happier and more purposeful life as you practice looking in the right direction for the right reasons by the Holy Spirit      **Looking Upward Day by Day** Emily Vanderbilt Sloane Hammond, 1909

**Character Focalization in Children's Novels** Don K. Philpot, 2017-01-26 This book offers a comprehensive analysis of character focalization in ten contemporary realistic children s novels The author argues that character focalization defined as the location of fictional world perception in the mind of a character is a prominent textual structure in these novels He demonstrates how significant meanings are conveyed in a variety of forms related to characters personal and interpersonal experiences Through close analysis of each text moreover he exposes distinctive perceptual psychological and social psychological patterns in the opening chapters of each novel which are thereafter developed by the principles of continuation augmentation and reconfiguration This book will appeal to scholars teachers and students in the fields of narrative studies stylistics children s literature scholarship linguistics and education      **Spiritual Two-By-Fours and Other Wake-Up Calls** Kimberly Rooney, 2013-08-09 Are you feeling stuck unfulfilled and without purpose Do you feel like a cast member deck crew

employee or stagehand in your own life In this book author Kimberly Rooney shows you how to take control of your life and become your own director captain CEO choreographer and policymaker Its the wake up call youve been longing for the doorway to finding your inner strength and voice Kims own dance with adversity began at age twenty nine when she was diagnosed with rheumatoid arthritis which she affectionately refers to as Arthur In *Spiritual Two by Fours* she shares her journey her dance with Arthur to find the mix of gifts that made her director and choreographer of her life With openness and vulnerability she shares what you need to know so that you too can overcome any adversity whether physical emotional or spiritual Whether you have created your challenges or they have cut in to your life dance you get to choose how you respond You get to take responsibility for your happiness inner peace and overall well being You have what it takes You have the power within And you can shift your life to make it spectacular So make yourself head policymaker of your own life and get ready for the ride knowing that *Spiritual Two by Fours* will guide you every step of the way

*The Anatomy and Histology of the Human Eye* Abraham Metz, 1868      ***Arcana Coelestia*** Emanuel Swedenborg, 1910      *China's Technological Catch-Up Strategy* Michael T. Rock, Michael Toman, 2015-02-09 Prior to 1979 China had a bifurcated and geographically dispersed industrial structure made up of a relatively small number of large scale state owned enterprises in various industries alongside numerous small scale energy intensive and polluting enterprises Economic reforms beginning in 1979 led to the rapid expansion of these small scale manufacturing enterprises in numerous energy intensive industries such as aluminum cement iron and steel and pulp and paper Subsequently the government adopted a new industrial development strategy labeled grasp the large let go the small The aims of this new policy were to close many of the unprofitable small scale manufacturing plants in these and other industries create a small number of large enterprises that could compete with OECD multinationals entice these larger enterprises to engage in high speed technological catch up and save energy China's Technological Catch Up Strategy traces the impact of this new industrial development strategy on technological catch up energy use and CO2 emissions In doing so the authors explore several detailed enterprise level case studies of technological catch up develop industry wide estimates of energy and CO2 savings from specific catch up interventions and present detailed econometric work on the determinants of energy intensity The authors conclude that China's strategy has contributed to substantial energy and CO2 savings but it has not led to either a peaking of or a decline in CO2 emissions in these industries More work is needed to cap and reduce China's CO2 emissions

*The Evangelical Herald*, 1916      *The Anatomy and Histology of the Human Eye* A. METZ (M.D.), 1868      *Theological Works: The heavenly arcana disclosed ... which are in Genesis ([v. 1-11]) [and] in Exodus ([v. 12-19])* Emanuel Swedenborg, 1907      ***The Heavenly Arcana Disclosed which are in the Sacred Scripture Or Word of the Lord*** Emanuel Swedenborg, 1907      ***Swedenborg's Works*** Emanuel Swedenborg, 1907      ***The Psychic Home*** Roger Kennedy, 2014-01-23 *The Psychic Home* Psychoanalysis of Consciousness and the Human Soul develops from a number of different viewpoints the significance of home in our lives

Roger Kennedy puts forward the central role of what he has termed a psychic home as a vital psychic structure which gathers together a number of different human functions Kennedy questions what we mean by the powerfully evocative notion of the human soul which has important links to the notion of home and he suggests that what makes us human is that we allow a home for the soul As an illustration of this concept he explores how it can help to understand a vital element of William Wordsworth's development as a poet The word soul is both abstract and yet also powerfully emotive Kennedy shows that it can be approached from a number of different angles from psychoanalysis philosophy religion sociology literature and neuroscience The Psychic Home discusses the mysteries and complexities of the soul and aims to evoke some restoration of its place in our thinking It illustrates how the word soul and similar key words such as spirit and inwardness express so much that is essential for humans even if we cannot be too precise about their meanings Insightful enlightening and broad reaching The Psychic Home brings the concept of the soul centre stage as an entity that is elemental an essence irreducible and what makes us human as subjects of experience It will be essential reading for psychoanalysts psychotherapists neuroscientists philosophers and those interested in spirituality and religion
