Quiet Courage:

A Quiet Courage Liane Jones, 1991 **The Quiet Courage, and Other Songs of the Unafraid** Everard Jack Appleton, 1912 **Quietly Courageous** Gil Rendle, 2018-11-21

The changing dynamics of contemporary church life are well known but what is less well known is how leaders can work most effectively in this new context. In *Quietly Courageous*, esteemed minister and congregational consultant Gil Rendle offers practical guidance to leaders both lay and ordained on leading churches today. Rendle encourages leaders to stop focusing on the past and instead focus relentlessly on their mission and purpose, what is ultimately motivating their work. He also urges a shift in perspectives on resources, discusses models of change, and offers suggestions for avoiding common pitfalls and working creatively today. *Courage* Douglas N. Walton, 2023-11-15

A Philosophical Investigation by Douglas N. Walton offers an in-depth exploration of courage as both a philosophical and practical virtue. This seminal work examines courage through historical, ethical, and practical lenses, providing a thorough analysis of its role in moral reasoning and human character. Through engaging examples and a meticulous study of action theory, Walton delves into the complexities of courage, its psychological and ethical dimensions, and its indispensable role in achieving personal integrity and societal good. This book is an essential resource for scholars and students of philosophy, ethics, and human behavior. Combining historical perspectives with contemporary philosophical discourse, Walton's investigation illuminates how courage manifests in various contexts, from heroic acts of bravery to everyday moral challenges. With a focus on practical reasoning, this book dissects the elements that constitute courageous actions, offering readers a nuanced understanding of this vital human quality. Whether addressing Aristotle's balanced deliberation or modern ethical dilemmas, *A Philosophical Investigation* serves as both a foundational text and a compelling narrative about the enduring significance of courage in human life. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1986. *For Today* Patrick Allen, 2018-07-23

For Today: A Prayer When Life Gets Messy will introduce you to a profound daily prayer and various strategies and outlooks for getting through tough days and on to higher ground. This is not a book to make someone an instant saint; it is for times when the ox is in the ditch or the seed corn is gone—a prayer when you are just trying to make it through the day and get back home before dark. With God's help, you will learn to be faithful in these hard times and look forward to better days ahead. This unique book, combining rich personal stories and helpful spiritual reflections, can be used for personal devotionals or in small group discipleship/spiritual formation activities to unpack this powerful prayer line by line. In doing so, you will be challenged to deal with your difficulties gracefully and faithfully, just as God deals with all of us in tough and difficult times, bringing healing and hope to the mess we are in. Ultimately, the prayer brings us full circle to be a
