Racketeering In Northern Ireland A New Version Of The Patriot Game:

Racketeering in Northern Ireland Paul K. Clare, 1989 The Future of Counterinsurgency Lawrence E. Cline, Paul Shemella, 2015-08-11 This thought provoking work analyzes the major debates surrounding counterinsurgency campaigns and uncovers the internal security problems derailing effective strategies for restoring stability As countries across the globe continue to adjust their security operations to counter an increasingly volatile political landscape the issue of how to identify and derail a host of violent groups remains of considerable interest This comprehensive volume offers an examination of the effectiveness of contemporary counterinsurgency efforts revealing which approaches offer the greatest chances of success internally regionally and internationally Featuring perspectives from experts and analysts in the field of irregular warfare and international security this is an unparalleled exploration of all types of insurgency from warlordism to piracy to guerilla movements The book looks beyond the popular focus on Iraq and Afghanistan delving into the internal security operations of regions not normally studied Chapters cover goal setting and measurements for restoring security information operations and strategic communications between insurgent groups and governments and the different approaches of governments in combating political unrest Case studies include movements in Sierra Leone Sri Lanka Egypt and South Africa **The Nexus**

Between Organized Crime and Terrorism Paoli, Letizia, Fijnaut, Cyrille, Wouters, Jan, 2022-02-18 In the post 9 11 era the nexus between organized crime and terrorism has raised much concern and has been widely discussed in both academic and policy circles but is still largely misunderstood This critical book contributes innovatively to the debate by distinguishing three types of nexus interaction transformation imitation and similarities and identifying the promoting factors of each type

Managing Contemporary Conflict Max G Manwaring, 2019-06-03 Departing from conventional policy rhetoric on the unconventional new world disorder Max G Manwaring Wm J Olson and their colleagues here build upon Ambassador David C Miller Jr s three pillars of success for foreign policy and military management They provide a sound intellectual road map through the dense fog of the contemporary inter Countering the Financing of Terrorism , **Blood Money** Margaret Sankey, 2022-10-15 It is convenient to think that bad guys are drumming up money for their activities far away and in shady back alleys but the violent non state actors VNSAs of the world are hiding in plain sight They peddle knockoff sneakers pass the hat at ethnic festivals take a cut of untaxed booze sales swindle senior citizens with bogus phone calls about needing bail in Mexico and run money through mainstream banks to buy up rental properties just to name a few On a grand scale their behavior erodes rule of law creates moral injuries from corruption and emboldens bad actors to steal and back violent tactics with impunity Blood Money analyzes the ways in which VNSAs find money for their operations and sustainment from controlling a valuable commodity to harnessing the grievances of a networked diaspora and it looks at the channels through which they can flip the positives of globalization into flat fast and frictionless movement of people funds and materials needed to terrorize and coerce their opponents Author Margaret Sankey highlights the mundane and everyday nature of

these tactics occurring under our noses online in legitimate marketplaces and with the aegis of intelligence services and national governments While reforms attempt to curtail these options their utility and efficacy as tools of finance have proved inadequate for sovereign states VNSAs defiance of rules and their capable adaptation and innovation make them extremely difficult to pin down or prosecute Many security publications stress legislation and enforcement or frame illicit finance as a military or police problem With Blood Money Sankey points out the many ways VNSAs evade law enforcement and she offers options for involving consumers and activists in exercising agency and choices in how they apply their money and where it goes Blood Money also provides context for whole of government approaches to attacking underlying supports for illicit financing channels How these groups finance themselves is key to understanding how they function and what actions might be taken to derail their plans or dismantle their structure

Democratic Responses to International Terrorism David A. Charters, 2023-11-27 Here is an interdisciplinary approach to the problems of terrorism featuring a variety of perspectives and effective responses The authors examine the phenomenon of terrorism from different angles noting its implications for democratic states and thoroughly explore various aspects of response from policy and planning to specific counter measures Published under the Transnational Publishers imprint

Countering the Financing of Terrorism Thomas J. Biersteker, Sue E. Eckert, 2007-09-12 Groups committing acts of terrorism have adapted their means of financing to elude detection since the 9 11 attacks in the United States Surveying the global community's multi year effort to cut off terrorist funding this volume offers a much needed analysis of a complex widely discussed yet poorly understood subject While books on terrorism have touched upon the topic this is the first comprehensive balanced and scholarly overview of terrorist financing its methods and efforts to counter it Bringing together leading analysts of terrorism international relations global finance law and criminology *Countering the Financing of Terrorism* provides a critical assessment of the international effort to restrict terrorist financing It evaluates the costs and benefits and offers recommendations for more effective policies for the future

Convergence Defense Department, Michael Miklaucic, Jacqueline Brewer, 2013 The Center for Complex Operations CCO has produced this edited volume *Convergence Illicit Networks and National Security in the Age of Globalization* that delves deeply into everything mentioned above and more In a time when the threat is growing this is a timely effort CCO has gathered an impressive cadre of authors to illuminate the important aspects of transnational crime and other illicit networks They describe the clear and present danger and the magnitude of the challenge of converging and connecting illicit networks the ways and means used by transnational criminal networks and how illicit networks actually operate and interact how the proliferation convergence and horizontal diversification of illicit networks challenge state sovereignty and how different national and international organizations are fighting back A deeper understanding of the problem will allow us to then develop a more comprehensive more effective and more enduring solution Other related products YouTube War Fighting in a World of Cameras in Every Cell Phone and Photoshop on Every Computer can be found here <https://bookstore.gpo.gov>
