Randall Jarrell

Randall Jarrell

Randall Jarrell:

Randall Jarrell and His Age Stephen Burt, 2005-06-14 Few aspects of American military history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan. In this carefully crafted volume Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons, surveys the major debates related to that decision, and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II. Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945. He then provides a historical overview of the events in question, beginning with the decision and program to build the atomic bomb. Detailing the sequence of events leading to Japan's surrender, he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders. Finally, Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents, scholarly books, and articles.

Randall Jarrell's Letters Randall Jarrell, 1985 In this expanded edition of Randall Jarrell's letters, his widow Mary has added letters from Jarrell to Peter Taylor, publication of which was withheld during Taylor's lifetime. Taylor was along with Robert Lowell Jarrell's oldest and closest friend, and the inclusion of these incomparable letters adds another dimension of friendship, artistry, and intellect to a collection already noted for its behind-the-scenes glimpse of twentieth-century American literary history in the making.

Remembering Randall Mary von Schrader Jarrell, 2000-06-20 When Randall Jarrell died in 1965, he left behind a critically acclaimed body of poetry, fiction, and literary criticism that has earned him a permanent place in American literature. In these seven essays, his widow writes lovingly and knowingly about the wellsprings and character of his poetry, particularly his work on his last and best book, *The Lost World*, the creation of his celebrated children's books *The Bat Poet* and *The Animal Family*, his lifelong friendship with short story writer Peter Taylor, his dedicated commitment during the last eight years of his life to completing his translation of Goethe's *Faust Part One*, and their remarkable and joyous marriage.

Randall Jarrell's Letters Randall Jarrell, 1984

Randall Jarrell's Book of Stories Randall Jarrell, 2002-06-30 Storytelling as a fundamental human impulse, one that announces itself at the moment hidden in infancy that dreams begin, this is what the poet and critic Randall Jarrell set out to illuminate in this extraordinary book. Here Jarrell presents ballads, parables, anecdotes, and legends along with some of the finest work of Chekhov, Babel, Elizabeth Bowen, Isak Dinesen, Kafka, Peter Taylor, and Katherine Anne Porter. This wonderful anthology, with its celebrated introductory essay, enlarges and deepens our perception of the storyteller's art and its central place in the world of our feelings.

Randall Jarrell Randall Jarrell (dd), J. D. McClatchy, 2001 **Poetry and the Age** Randall Jarrell, 1955 Randall Jarrell was the critic whose taste defined American poetry after World War II Poetry and the Age his first collection of criticism was published in 1953 It has been in and out of print over the past 40 years and has become a classic of American letters In this new edition two long lost lectures by Jarrell have been added Recently discovered by critics they speak to issues at the heart of Jarrell's criticism the structure of poetry and the question Is American poetry American One of the outstanding poets of the postwar generation Jarrell was also celebrated for his extraordinary praise of some underappreciated older and younger poets and for his witty dismissals of current favorites he thought less qualified Poetry and the Age includes groundbreaking considerations of Walt Whitman and Robert Frost as well as profound appraisals of Wallace Stevens Marianne Moore John Crowe Ransom and William Carlos Williams His early reviews that established the reputations of Robert Lowell and Elizabeth Bishop are here beside other enthusiastic discoveries that have withstood the test of time Poetry and the Age also contains Jarrell's influential essays on the obscurity of poetry and on the age of criticism essays that offer some of the most relevant and readable literary judgments of the 20th century The Complete Poems Randall Jarrell, 1981-04-01 This collection of poems by the renowned poet Randall Jarrell show once again how important and original his voice continues to be Selected Poems of Randall Jarrell Randall Jarrell, 1966 *Understanding Randall Jarrell* Joseph Allen Bryant, 1986

Randall Jarrell on W. H. Auden Stephanie Burt, 2005-05-11 To read Randall Jarrell on W H Auden is to read the best equipped of American critics of poetry of the past century on the best equipped of its Anglo American poets and we rush to read perhaps less out of an academic interest in fair judgment than out of a spectator's love of virtuosity in flight From Adam Gopnik's foreword Randall Jarrell was one of the most important poet critics of the past century and the poet who most fascinated and infuriated him was W H Auden In Auden Jarrell found a crucial poetic influence that needed to be both embraced and resisted During the 1940s Jarrell wrestled with Auden's work writing a series of notorious articles on Auden that remain admired and controversial examples of devoted and contentious criticism While Jarrell never completed his proposed book on Auden these previously unpublished lectures revise and reprise his earlier articles and present new insights into Auden's work Delivered at Princeton University in 1951 and 1952 Jarrell's lectures reflect a passionate appreciation of Auden's work a witty attack from an informed opponent and an important document of a major poet's reception Jarrell's lectures offer readings of many

of Auden's works including all of his long poems and illuminate his singular use of a variety of stylistic registers and poetic genres In the lecture based on the article Freud to Paul Jarrell traces the ideas and ideologies that animated and at times overwhelmed Auden's poetry More precisely he considers the influence of left liberal politics psychoanalytic and evolutionary theory and the idiosyncratic Christian theology that characterized Auden's poems of the 1940s While an admiring and sympathetic reader Jarrell does not avoid identifying Auden's poetic failures and political excesses He offers occasionally blistering assessments of individual poems and laments Auden's turn from a cryptic feeling impassioned poet to a rhetorical self-conscious one Stephen Burt's introduction provides a backdrop to the lectures and their reception and importance for the history of modern poetry The Complete Poems of Randall Jarrell Randall Jarrell,1969 **The Bat-Poet** Randall Jarrell,1996-10-25 There was once a little brown bat who couldn't sleep days he kept waking up and looking at the world Before long he began to see things differently from the other bats who from dawn to sunset never opened their eyes The Bat Poet is the story of how he tried to make the other bats see the world his way Here in The Bat Poet are the bat's own poems and the bat's own world the owl who almost eats him the mockingbird whose irritable genius almost overpowers him the chipmunk who loves his poems and the bats who can't make heads or tails of them the cardinals blue jays chickadees and sparrows who fly in and out of Randall Jarrell's funny lovable truthful fable Best Illustrated Children's Books 1964 NYT Year's Best Juveniles 1964 NYT Selected Poems Randall Jarrell,2007-05-15 Poet novelist literary critic and teacher Randall Jarrell was a writer with many facets but most of all he was a poet with a unique voice one that was by turns imaginative realistic sensitive and ironic From the narratives of army life during the Second World War to the domestic scenes he wrote about so movingly in his final book The Lost World Jarrell's poems are marked throughout by a voice that could be astonishingly intimate or could open up to speak to our common humanity This collection prepared by William H Pritchard presents some of Jarrell's finest poems to a new generation of readers *Randall Jarrell Reads and Discusses His Poems Against War* Randall Jarrell,1972 Selected Poems Randall Jarrell,1961 **Randall Jarrell** Mary Bernetta Quinn,1981 *The Achievement of Randall Jarrell* Randall Jarrell,Frederick J. Hoffman,1970 **Randall Jarrell** Karl Jay Shapiro,1967 **The Poetry of Randall Jarrell** Suzanne Ferguson,1971-01-01

Eventually, you will totally discover a further experience and achievement by spending more cash. yet when? get you put up with that you require to get those all needs subsequent to having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more on the globe, experience, some places, in the manner of history, amusement, and a lot more?

It is your very own get older to fake reviewing habit. among guides you could enjoy now is **Randall Jarrell** below.
