but because the times have." —*The Boston Globe*

Representing Sacco And Vanzetti

Herbert Brutus Ehrmann

Representing Sacco And Vanzetti:

Representing Sacco and Vanzetti Jerome H. Delamater, Mary Anne Trasciatti, 2005-09-17 The contributors to this volume from a range of academic disciplines and artistic traditions illuminate previously unexplored aspects of the internationally renowned Sacco and Vanzetti case Rather than take up the question of whether the two Italian immigrant anarchists were guilty the essays in this book analyze literary artistic and mass mediated representations of Sacco and Vanzetti linking them to stereotypes of so called foreigners and others that prevailed in the 1920s and interrogating those images that prevail in our own age

The Letters of Sacco and Vanzetti Nicola Sacco, Bartolomeo Vanzetti, 1928 Sacco and Vanzetti Bruce Watson, 2007-08-16 In this groundbreaking narrative of one of America's most divisive trials and executions award winning journalist Bruce Watson mines deep archives and newly available sources to paint the most complete portrait available of the good shoemaker and the poor fish peddler Opening with an explosion that rocks a quiet Washington D C neighborhood and concluding with worldwide outrage as two men are executed despite widespread doubts about their guilt Sacco Vanzetti is the definitive history of an infamous case that still haunts the American imagination

American Song and Struggle from Columbus to World War 2 Will Kaufman, 2022-08-18 Long before anyone ever heard of protest music people in America were singing about their struggles They sang for justice and fairness food and shelter and equality and freedom they sang to be acknowledged Sometimes they also sang to oppress This book uncovers the history of these people and their songs from the moment Columbus made fateful landfall to the start of the Second World War when protest music emerged as an identifiable brand Cutting across musical genres Will Kaufman recovers the passionate voices of America itself We encounter songs of the mainland and the conquered territories of Hawai i Cuba Puerto Rico and the Philippines we hear Indigenous songs immigrant songs and Klan songs minstrel songs and symphonies songs of the heard and the unheard songs of the celebrated and the anonymous of the righteous and the despicable This magisterial book shows that all these songs are woven into the very fabric of American history

The Cultural Front Michael Denning, 1998 As garment workers longshoremen autoworkers sharecroppers and clerks took to the streets striking and organizing unions in the midst of the Depression artists writers and filmmakers joined the insurgent social movement by creating a cultural front Disney cartoonists walked picket lines and Billie Holiday sang Strange Fruit at the left wing cabaret Caf Society Duke Ellington produced a radical musical Jump for Joy New York garment workers staged the legendary Broadway revue Pins and Needles and Orson Welles and his Mercury players took their labor operas and anti fascist Shakespeare to Hollywood and made Citizen Kane A major reassessment of US cultural history The Cultural Front is a vivid mural of this extraordinary upheaval which reshaped American culture in the twentieth century

The Turn Around Religion in America Michael P. Kramer, 2016-02-24 Playing on the frequently used metaphors of the turn toward or turn back in scholarship on religion The Turn Around Religion in America offers a model of religion that moves in a reciprocal relationship between these two poles In particular this volume

dedicates itself to a reading of religion and of religious meaning that cannot be reduced to history or ideology on the one hand or to truth or spirit on the other but is rather the product of the constant play between the historical particulars that manifest beliefs and the beliefs that take shape through them Taking as their point of departure the foundational scholarship of Sacvan Bercovitch the contributors locate the universal in the ongoing and particularized attempts of American authors from the seventeenth century forward to get it whatever that it might be right Examining authors as diverse as Pietro di Donato Herman Melville Miguel Algarin Edward Taylor Mark Twain Robert Keayne Nathaniel Hawthorne Paule Marshall Stephen Crane Ralph Waldo Emerson and Joseph B Soloveitchik among many others and a host of genres from novels and poetry to sermons philosophy history journalism photography theater and cinema the essays call for a discussion of religion s powers that does not seek to explain them as much as put them into conversation with each other Central to this project is Bercovitch s emphasis on the rhetoric ritual typology and symbology of religion and his recognition that with each aesthetic enactment of religion s power we learn something new

Italian Immigrant Radical Culture Marcella Bencivenni, 2011

Maligned by modern media and often stereotyped Italian Americans possess a vibrant if largely forgotten radical past In *Italian Immigrant Radical Culture* Marcella Bencivenni delves into the history of the sovversivi a transnational generation of social rebels and offers a fascinating portrait of their political struggle as well as their milieu beliefs and artistic creativity in the United States As early as 1882 the sovversivi founded a socialist club in Brooklyn Radical organizations then multiplied and spread across the country from large urban cities to smaller industrial mining areas By 1900 thirty official Italian sections of the Socialist Party along the East Coast and countless independent anarchist and revolutionary circles sprang up throughout the nation Forming their own alternative press institutions and working class organizations these groups created a vigorous movement and counterculture that constituted a significant part of the American Left until World War II *Italian Immigrant Radical Culture* compellingly documents the wide spectrum of this oppositional culture and examines the many cultural and artistic forms it took from newspapers to literature and poetry to theater and visual art As the first cultural history of Italian American activism it provides a richer understanding of the Italian immigrant experience while also deepening historical perceptions of radical politics and culture

Marc Blitzstein Howard Pollack, 2012-09-05

A composer and lyricist of enormous innovation and influence Marc Blitzstein remains one of the most versatile and fascinating figures in the history of American music his creative output running the gamut from films scores and Broadway operas to art songs and chamber pieces A prominent leftist and social maverick Blitzstein constantly pushed the boundaries of convention in mid century America in both his work and his life Award winning music historian Howard Pollack s new biography covers Blitzstein s life in full from his childhood in Philadelphia to his violent death in Martinique at age 58 The author describes how this student of contemporary luminaries Nadia Boulanger and Arnold Schoenberg became swept up in the stormy political atmosphere of the 1920s and 1930s and throughout his career walked the fine line between his formal training and

his populist principles Indeed Blitzstein developed a unique sound that drew on everything contemporary from the high modernism of Stravinsky and Hindemith to jazz and Broadway show tunes Pollack captures the astonishing breadth of Blitzstein s work from provocative operas like *The Cradle Will Rock* No for an Answer and *Regina* to the wartime *Airborne Symphony* composed during his years in service to lesser known ballets film scores and stage works A courageous artist Blitzstein translated Bertolt Brecht and Kurt Weill s *The Threepenny Opera* during the heyday of McCarthyism and the red scare and turned it into an off Broadway sensation its *Mack the Knife* becoming one of the era s biggest hits Beautifully written drawing on new interviews with friends and family of the composer and making extensive use of new archival and secondary sources Marc Blitzstein presents the most complete biography of this important American artist [The Turn Around Religion in America](#) Professor Michael P Kramer, Professor Nan Goodman, 2013-05-28 Playing on the frequently used metaphors of the turn toward or turn back in scholarship on religion *The Turn Around Religion in America* offers a model of religion that moves in a reciprocal relationship between these two poles In particular this volume dedicates itself to a reading of religion and of religious meaning that cannot be reduced to history or ideology on the one hand or to truth or spirit on the other but is rather the product of the constant play between the historical particulars that manifest beliefs and the beliefs that take shape through them Taking as their point of departure the foundational scholarship of Sacvan Bercovitch the contributors locate the universal in the ongoing and particularized attempts of American authors from the seventeenth century forward to get it whatever that it might be right Examining authors as diverse as Pietro di Donato Herman Melville Miguel Algarin Edward Taylor Mark Twain Robert Keayne Nathaniel Hawthorne Paule Marshall Stephen Crane Ralph Waldo Emerson and Joseph B Soloveitchik among many others and a host of genres from novels and poetry to sermons philosophy history journalism photography theater and cinema the essays call for a discussion of religion s powers that does not seek to explain them as much as put them into conversation with each other Central to this project is Bercovitch s emphasis on the rhetoric ritual typology and symbology of religion and his recognition that with each aesthetic enactment of religion s power we learn something new **Encyclopedia of Politics** Rodney P. Carlisle, 2005-03-17 With the Left and Right amusingly placed into left hand v 1 and right hand v 2 volumes respectively this encyclopedia contains articles on the people ideas events laws and issues associated with left and right politics in language that will be accessible to the high school and undergraduate student as well as the general reader Each entry includes cross references and a bibliography Among the topics for politics of the left are Susan B Anthony Jean Jacques Rousseau abolitionism desegregation ACLU the New Deal Solidarity and the Workingmen s Party Entries are included in each volume for 40 countries and regions giving the history and current affairs for politics in each Among the topics for the right are capitalism Darwinism censorship martial law and the Christian Coalition The contributors teach at universities worldwide some are independent scholars Carlisle is at Rutgers U Annotation 2004 Book News Inc Portland OR booknews com **Searching for Woody Guthrie** Ron Briley, 2024-01-12

Born in the summer of 1912 Woody Guthrie remains one of the most significant figures in American folk music to this day. While most Americans know his iconic anthem *This Land Is Your Land*, surprisingly few understand Guthrie's place in the greater context of American radicalism and protest in the 1930s and beyond. In *Searching for Woody Guthrie*, Ron Briley embarks on a chronological exploration of Guthrie's music in the vein of American radicalism and civil rights. Briley begins this journey with an overview of five key periods in Guthrie's life and in the chapters that follow analyzes his political ideas through primary and secondary source materials. While numerous biographies on Woody Guthrie exist including Guthrie's own 1943 autobiography, this book takes a different approach. Less biographical and more thematic in nature, *Searching for Woody Guthrie* centers around Guthrie's faith in the common working people of America, bringing together *People's Daily World*, Woody Sez newspaper columns, Guthrie centennial secondary source texts, research in the Woody Guthrie Archives, and Briley's own personal reflections to present a narrative that is at once personal to the author and relatable to America's rural working class. Interlacing Guthrie's music with his own geographic and economic background, Briley presents an original and eloquent chronology of Guthrie's life and work in what amounts to a compelling new case for why that work more than fifty years after Guthrie's death continues to leave its mark.

Men, Mobs, and Law Rebecca Hill, 2009-01-23 This very ambitious study reads the American Left by way of its defense campaigns for a range of left wing heroes including the abolitionists, communists, anarchists, and the Panthers.

The Lawyer's Conscience Michael S. Ariens, 2023-07-21 In 1776 Thomas Paine declared the end of royal rule in the United States. Instead, law is king for the people; they rule themselves. Paine's declaration is the dominant American understanding of how political power is exercised. In making law king, American lawyers became integral to the exercise of political power so integral to law that legal ethics philosopher David Luban concluded lawyers are the law. American lawyers have defended the exercise of this power from the Revolution to the present by arguing their work is channeled by the profession's standards of ethical behavior. Those standards demand that lawyers serve the public interest and the interests of their paying clients before themselves. The duties owed both to the public and to clients meant lawyers were in the marketplace selling their services but not of the marketplace. This is the story of power and the limits of ethical constraints to ensure such power is properly wielded. *The Lawyer's Conscience* is the first book examining the history of American lawyer ethics ranging from the mid-eighteenth century to the professionalism crisis facing lawyers today.

The Case that Will Not Die Herbert Brutus Ehrmann, 1969

The Sacco-Vanzetti Affair Moshik Temkin, 2009-05-26 What began as the obscure local case of two Italian immigrant anarchists accused of robbery and murder flared into an unprecedented political and legal scandal as the perception grew that their conviction was a judicial travesty and their execution a political murder. This book is the first to reveal the full national and international scope of the Sacco-Vanzetti affair, uncovering how and why the two men became the center of a global cause célèbre that shook public opinion and transformed America's relationship with the world. Drawing on extensive research on two continents and written with

verve this book connects the Sacco Vanzetti affair to the most polarizing political and social concerns of its era Moshik Temkin contends that the worldwide attention to the case was generated not only by the conviction that innocent men had been condemned for their radical politics and ethnic origins but also as part of a reaction to U S global supremacy and isolationism after World War I The author further argues that the international protest which helped make Sacco and Vanzetti famous men ultimately provoked their executions The book concludes by investigating the affair s enduring repercussions and what they reveal about global political action terrorism jingoism xenophobia and the politics of our own time

America's Forgotten Terrorists Jeffrey D. Simon, 2022-05 Though largely forgotten today one of the most destructive terrorist groups in the United States was the Galleanists a fiery band of Italian anarchists active during the early 1900s In *America's Forgotten Terrorists* Jeffrey D Simon shows how alienation and frustration among segments of a community were transformed into a militant extremist movement Luigi Galleani a gifted writer and speaker tapped into widespread disappointment among Italian immigrants concerning their lives in America Unemployment low wages long working hours discrimination and a poor quality of life made many Italian immigrants receptive to his words The Galleanists introduced terrorist tactics and strategies that are still used today they were the first group to send package bombs across the country and to exploit the media for their own advantage One of their members is also suspected of launching the first vehicle bomb in the United States in 1920 considered the worst act of domestic terrorism until the 1995 Oklahoma City bombing The story of the Galleanists is a chilling journey through a volatile period in American history including labor management conflicts World War I and the Red Scare An expert in terrorism Simon offers striking insights into the Galleanist era and some of its eerie connections to modern America calling us to recognize the risks of repeating our history How the Galleanists operated and how the U S government responded hold lessons for today as we continue to deal with the threat of terrorism Watch a book trailer

Marc Blitzstein Leonard Lehrman, 2005-09-30 Marc Blitzstein was one of the 20th century s most important American composers lyricists and critics often credited with having virtually invented opera in the American vernacular Called the father of American opera in the vernacular by luminaries Aaron Copland and Leonard Bernstein Blitzstein was a masterful pianist coach and accompanist though ironically he made more money on the lyrics to one song *Mack the Knife* than on everything else he ever did Blitzstein s brilliant career was cut short in 1964 when he died at the age of 58 This book catalogs Blitzstein s own writings and writings about him followed by detailed listings chronological alphabetical and genre analysis a comprehensive performance history and summaries of all known critiques of his 128 original musical works and 18 texts set to the music of others Shown in detail are the ways in which Blitzstein took music from his earlier works and developed it in later works a process that Lehrman utilized in completing with Bernstein s and the Estate s approval 20 Blitzstein works for performance including *The Cradle Will Rock* *I ve Got the Tune* *No for an Answer* *Idiot's First* and *Sacco and Vanzetti* which Blitzstein believed would be his magnum opus The book provides a unique and full perspective on the

works of one of America's greatest composers one who deserves to be better known **Living the Revolution** Jennifer Guglielmo, 2010 Italians were the largest group of immigrants to the United States at the turn of the twentieth century and hundreds of thousands led and participated in some of the period's most volatile labor strikes Yet until now Italian women's political activism **Visions of Progress** Doug Rossinow, 2009-11-19 Rossinow revisits the period between the 1880s and the 1940s when reformers and radicals worked together along a middle path between the revolutionary left and establishment liberalism He takes the story up to the present showing how the progressive connection was lost and explaining the consequences that followed **The Echoes of Injustice: Unveiling the Unseen Truth** Pasquale De Marco, 2025-07-06 In the annals of American history few cases have captured the public imagination and sparked such fervent debate as the Sacco and Vanzetti trial Two Italian immigrants Nicola Sacco and Bartolomeo Vanzetti were convicted of murdering a paymaster and his guard during a robbery in South Braintree Massachusetts in 1920 Despite widespread doubts about their guilt they were executed in 1927 leaving behind a legacy of controversy and injustice This book delves into the depths of the Sacco and Vanzetti case shedding new light on one of the most notorious miscarriages of justice in American history Through a comprehensive examination of the evidence the trial proceedings and the aftermath it unravels the complexities of the case and explores the broader historical context that influenced its outcome The book delves into the anti-immigrant and anti-radical sentiment that permeated the United States in the early 20th century setting the stage for the persecution of Sacco and Vanzetti It examines the questionable evidence and the biased trial highlighting the deep-rooted prejudices that tainted the legal process Beyond the courtroom drama the book explores the human toll of the Sacco and Vanzetti case It delves into the lives of the two men their families and the broader Italian American community shedding light on the personal tragedies and struggles that unfolded during this tumultuous period This book also investigates the tireless efforts of lawyers activists and supporters who fought for Sacco and Vanzetti's exoneration despite overwhelming odds It traces the decades-long campaign for justice highlighting the role of public opinion media coverage and the evolving understanding of due process and civil rights In its final chapter the book reflects on the legacy of Sacco and Vanzetti examining their enduring impact on American society It explores how their case continues to resonate in contemporary debates about criminal justice reform immigration and the fight against prejudice and discrimination This book is a compelling and thought-provoking exploration of a pivotal moment in American history It is essential reading for anyone interested in law history or social justice and it serves as a powerful reminder of the fragility of justice and the importance of vigilance in safeguarding the rights of all individuals If you like this book write a review on Google Books
