Real relationship:

A particular legal relationship btw one / more legal subjects & a thing – to which the law attaches consequences.

It is broader than the concept "real right" > real relationships INCLUDE real rights as well as certain unlawful real relationships!

There are 2 sides to a real relationship:

<p>Subject-object relationship</p> <p>Btw particular legal subjects & the particular thing involved in the relationship which may imply specific rights & duties for the legal subject in relation to that thing.</p>	<p>Subject-subject relationship</p> <p>Btw the particular legal subject & all other legal subjects, which may imply specific rights & duties btw the various legal subjects.</p>
--	---

Nature / content & consequences of a real relationship in a specific situation may be influenced by:

1. attitude of the legal subjects concerned,
2. nature of the thing; and
3. variety of surrounding circumstances.
