account of Donya's heroic quest. It is a dramatic emotional and ultimately inspiring story of how one woman's determination and courage in the face of extremely daunting odds brought about the reunion of her family. **Have You Seen My Kids?** Paul Fedynich, Rusty Fischer, 2004-05-11. This is a true story of a roller coaster ride from HELL that spans over six years of my life. Having your children abducted by their mother is severe enough, but when the mother suffers from Bipolar Disorder and Psychosis, the twists and turns life throws at you can become very bizarre. I will take you on the ride with me as I recap the happenings of losing my family, children, home, business, and almost my life through the court systems of the United States and Canada, and the agony of two Bipolar wives. I will also show you my dealings with attorneys who were both incompetent and fleecy, my incarceration, my path of self-destruction that I rode for several years, my constant search to find my children, and how I managed to survive and persevere despite the void of not having my children in my life and all of my parental rights taken from me, not to mention still not knowing where my children are. A portion of the proceeds from this book will be donated to Take Root, a collective of adults who were parentally abducted as children, working with clinical and research personnel to better understand the impact of parental abduction. **Kidnapped to South America!** Randy Anglen, 2010-04. Imagine a parent's worst nightmare: losing a child. Not to disease or accident, but to a kidnapping. Randy Anglen's only son was abducted to South America by his Chilean mother when he was 20 months old. Anglen fought to get his son for 4 years, fighting a Chilean court system that ignored international law and protected the mother. Anglen searched the streets of Santiago for his son, hatched plans to steal his son out of Chile, paid witnesses and private investigators, and made numerous trips to Chile. He was as close as 10 feet from his son but physically unable to get to him. Chilean courts handed him setback after setback despite the best efforts of a team of attorneys and U.S. Department of State personnel. The story does not have a happy ending. Anglen writes this book so his son will know what happened, what his daddy did to try to get his son. This is a story of intense grief, fear, frustration, and injustice. A story of a father's fight to save the bond between him and his son. A story of a father's love for his child. A story of a corrupt and inefficient South American bureaucratic system that destroyed the relationship between a father and his son. After reading this story, you will give your children an extra hug. Stolen From My Arms Katherine Sapienza, 2020-03-09. When Katie Sapienza's six-year-old son is kidnapped by his estranged non-custodial father and taken to a foreign country, Katie's world falls apart. Leaving her California home and her supportive and frightened parents, Katie, in a state of panic and near hysteria, hops on a plane and flies half way around the world. She presents a meaningless warrant for Massimo's arrest to the Italian court system but is immediately legally assaulted by them. She is shocked to learn that the Italian judge on the case has sided with the father and makes it clear that Katie is not welcome there nor will they return her son to her. In despair, anguish, and heartbreak, Katie, who does not know of God's love and Christ's sacrifice, decides she must remain in Italy, figure a way to support herself, and develop a plan to get Alex safely back to the U.S. In her desperation and grief, Katie turns to alcohol and sedatives to make it through each torturous day and sleepless night.

Forbidden unsupervised access to her son kept under the watchful glare of suspicious Italian relatives and emotionally withering under the barrage of false accusations and misrepresentations Katie suffers both regular anxiety attacks and deep depression Plan after plan to legally retake her son fails Days turn into weeks and weeks into months When three years have passed Katie now realizes she will never get her son back at least not through the Italian legal system She decides she must take a different course of action a dangerous one a very dangerous one but this is her son and she must do this When she is introduced to an international team of covert operatives who specialize in rescuing kidnapped children she arranges a secret meeting and pleads with them to help The paramilitary team are committed Christians and their hearts go out to this mother who has been driven to the edge of madness through the ordeal If the money can be raised for the expensive and risky rescue attempt they agree to do it Their hope and prayer is that they can not only return to Katie her beloved son now nine years old but also lead her to the One who can rescue her as well from the anguish and desperation of her soul A true suspenseful edge of your seat heart rending story which illustrates God s mercy and redemption

Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children Introduction

In today's digital age, the availability of Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rescue My Child The Story Of The Exdelta Commandos Who Bring Home Children books and manuals for download and embark on your journey of knowledge?
