Home without Walls Carol Crawford Holcomb, 2020-04-07 A critical examination of the Woman s Missionary Union and how it shaped the views of Southern Baptist women The Woman s Missionary Union WMU founded in 1888 carved out a uniquely feminine space within the Southern Baptist Convention during the tumultuous years of the Progressive Era when American theologians were formulating the social gospel These women represented the Southern Baptist elite and as such had the time to read write and discuss ideas with other Southern progressives They rubbed shoulders with more progressive Methodist and Presbyterian women in clubs and ecumenical missionary meetings Baptist women studied the missionary publications of these other denominations and adopted ideas for a Southern Baptist audience Home without Walls Southern Baptist Women and Social Reform in the Progressive Era shows how the social attitudes of women were shaped at the time By studying primary documents including personal letters official exchanges and memoranda magazine publications newsletters and editorials Carol Crawford Holcomb uncovers ample evidence that WMU leaders aware of the social gospel and sympathetic to social reform appropriated the tools of social work and social service to carry out their missionary work Southern Baptist women united to build a financial empire that would sustain the Southern Baptists through the Great Depression and beyond Their social attitudes represented a kaleidoscope of contrasting opinions By no stretch of the imagination could WMU leaders be characterized as liberal social gospel advocates However it would also be wrong to depict them as uniformly hostile to progressivism or ignorant of contemporary theological ideas In the end they were practical feminists in their determination to provide a platform for women s views and a space for women to do meaningful work

see value in terms of Instagram likes and viral videos the life of Pandita Ramabai will show the value of humble worship Empowered flips the popular idea of what it means to be a strong girl on its head showing that real power comes from our loving Father through His Son and removing the pressure girls may feel to conquer the world on their own The Great Commission Resurgence Chuck Lawless,Adam W. Greenway,2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention s Great Commission Resurgence initiative The Baptist River William Glenn Jonas,2008 This Baptist history textbook highlights the diversity of the Baptist movement in North America as it has developed over the past few centuries Under the Baptist tent are such diverse groups as Primitive Baptists Freewill Baptists Seventh Day Baptists American Baptists Southern Baptists North American Baptists and Independent Baptists Each of these Baptists groups shares some basic Baptist principles However there are significant theological and social differences between them This book is the ideal survey for undergraduate level students *In Search of the New Testament Church* C. Douglas Weaver,2008 When John Smyth organized the first Baptist church he wanted to establish the New Testament church believer s baptism was the missing link Baptists of subsequent eras often continued the search to embody New Testament Christianity Unique to surveys of Baptist life Doug Weaver highlights this restorationist theme as a way to understand Baptist identity Weaver does not force the theme but the search is ever present It is found in the insistence upon believer s baptism but also in examples like the Sabbath worship of Seventh Day Baptists the nine rites of colonial Separate Baptists the women preachers of Free Will Baptists the trail of blood of Landmarkism the social gospel of Walter Rauschenbusch the fundamentals of fundamentalism and the ministry of the European pioneer Johann Oncken Like other recent Baptist studies Weaver describes Baptist diversity Still he highlights the persistent commitment of most Baptists to an informal constellation of Baptist distinctives Alongside the quest for the New Testament church and congregational community Weaver especially highlights the Baptist commitment to religious liberty and the individual conscience This emphasis while later reinforced by Enlightenment ideals could already be found in the biblicist piety of the earliest Baptists who insisted that individual believers must have the right to choose their religious beliefs because they would stand alone before God at the final judgment Both chronological and thematic this book addresses such themes as the role of women the social gospel ecumenism charismatic influences and theological emphases in Baptist life The book s focus is America but it also includes helpful introductory chapters on early English Baptists and international Baptists Esteemed Reproach Keith Harper,Martin Jacumin,2005 Many Baptists were persecuted for their faith in late eighteenth century Virginia but only two James Ireland and Joseph Craig left first hand accounts of their struggles Esteemed Reproach The lives of Reverend James Ireland and Reverend Joseph Craig brings these two works together for the first time and offers readers a vivid account of religious persecution in colonial Virginia and the price some were willing to pay for their freedom Experience and Faith R. American audience Her poems of science and technology reflect her faith in experience Her lyrics about natural history build on this empiricism and develop her commitment to natural religion Her poems of revealed religion constitute her experience of faith Thus Dickinson stands on the experiential common ground between empiricism and evangelicalism in Romantic Anglo America Her double perspective parallels the implicit androgyny of her nineteenth century feminism Her counterintuitive combination of natural models with spiritual metaphors champions immortality The experience faith dialectic of her Late Romantic imagination forms the heart of her legacy **American Baptist Quarterly** ,2005 **The Westminster Handbook to Women in American Religious History** Susan Hill Lindley,Eleanor J.
