Goslee, Diane Long Hoeveler**

## Rescuing Horace Walpole:

**Rescuing Horace Walpole** Lewis, 1978      **Rescuing Horace Walpole** Stephen Clarke, 2019      **Rescuing Horace Walpole** Wilmarth Sheldon Lewis, 1978-01-01      **RESCUING HORACE WALPOLE (cancelled Out of Print 9/99).** WILMARTH S. LEWIS, 1978      **Gothic Antiquity** Dale Townshend, 2019-09-26 Gothic Antiquity History Romance and the Architectural Imagination 1760 1840 provides the first sustained scholarly account of the relationship between Gothic architecture and Gothic literature fiction poetry drama in the late eighteenth and early nineteenth centuries Although the relationship between literature and architecture is a topic that has long preoccupied scholars of the literary Gothic there remains to date no monograph length study of the intriguing and complex interactions between these two aesthetic forms Equally Gothic literature has received only the most cursory of treatments in art historical accounts of the early Gothic Revival in architecture interiors and design In addressing this gap in contemporary scholarship Gothic Antiquity seeks to situate Gothic writing in relation to the Gothic architectural theories aesthetics and practices with which it was contemporary providing closely historicized readings of a wide selection of canonical and lesser known texts and writers Correspondingly it shows how these architectural debates responded to and were to a certain extent shaped by what we have since come to identify as the literary Gothic mode In both its survivalist and revivalist forms the architecture of the Middle Ages in the long eighteenth century was always much more than a matter of style Incarnating for better or for worse the memory of a vanished Gothic age in the modern enlightened present Gothic architecture be it ruined or complete prompted imaginative reconstructions of the nation s past a notable visionary turn as the antiquary John Pinkerton put it in 1788 in which Gothic writers architects and antiquaries enthusiastically participated The volume establishes a series of dialogues between Gothic literature architectural history and the antiquarian interest in the material remains of the Gothic past and argues that these discrete yet intimately related approaches to vernacular antiquity are most fruitfully read in relation to one another      **Index of English Literary Manuscripts** Margaret M. Smith, 2000-05-09      *Staging "The Mysterious Mother"* Cynthia E. Roman, Jill Campbell, Jonathan Kramnick, 2023-11-28 The first book length study of Horace Walpole s scandalous *The Mysterious Mother* including critical essays an abridged script and a facsimile edition Horace Walpole s five act tragedy *The Mysterious Mother* 1768 a sensational tale of incest and intrigue was initially circulated only among the author s friends Walpole never permitted it to be performed during his lifetime except as a private theatrical He described his play as a delicious entertainment for the closet and claimed that he did not think it would do for the stage Yet the essays in this volume trace a history of private readings amateur theatricals and even early public performances demonstrating that the play was read and performed more than Walpole s protests suggest Exploring a wide variety of topics including the play s crypto Catholicism its treatments of incest guilt motherhood orphans and scientific spectacle and the complex relations between print and performance the essays demonstrate the rich relevance of *The Mysterious Mother* to current critical discussions

The volume includes the proceedings of a mini conference hosted at Yale University in 2018 on the occasion of a staged reading of the play Also included are the director's reflections an abridged script a facsimile of Walpole's own copy of the full length play and reproductions of the illustrations he commissioned from Lady Diana Beauclerk

**Small Things in the Eighteenth Century** Chloe Wigston Smith, Beth Fowkes Tobin, 2022-09-29 Offering an intimate history of how small things were used handled and worn this collection shows how objects such as mugs and handkerchiefs were entangled with quotidian practices and rituals of bodily care Small things from tiny books to ceramic trinkets and toothpick cases could delight and entertain generating tactile pleasures for users while at the same time signalling the limits of the body's adeptness or the hand's dexterity Simultaneously the volume explores the striking mobility of small things how fans coins rings and pottery could for instance carry political philosophical and cultural concepts into circumscribed spaces From the decorative and playful to the useful and performative such small things as tea caddies wampum beads and drawings of ants negotiated larger political cultural and scientific shifts as they transported aesthetic and cultural practices across borders via nationalist imagery gift exchange and the movement of global goods

**The Encyclopedia of Romantic Literature, 3 Volume Set** Frederick Burwick, Nancy Moore Goslee, Diane Long Hoeveler, 2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24/7 access and powerful searching browsing and cross referencing capabilities

**Encyclopedia of Romanticism (Routledge Revivals)** Laura Dabundo, 2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The book considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching faculty and scholars

**Operatic Migrations** Downing A. Thomas, 2017-07-05 This volume takes an interdisciplinary approach to studying a wide range of subjects associated with the creation performance and reception of opera in varying social and historical contexts from the eighteenth to the twentieth centuries Each essay addresses migrations between genres cultures literary and musical works modes of expression media of presentation and aesthetics Although the directions the contributions take are diverse they

converge in significant ways particularly with the rebuttal of the notion of the singular nature of the operatic work The volume strongly asserts that works are meaningfully transformed by the manifold circumstances of their creation and reception and that these circumstances have an impact on the life of those works in their many transformations and on a given audience's experience of them Topics covered include transformations of literary sources and their migration into the operatic genre works that move across geographical and social boundaries into different cultural contexts movements between media and or genre as well as alterations through interpretation and performance of the composer's creation the translation of spoken theatre to lyric theatre the theoretical issues contingent on the rendering of speech into song and the transforming effects of aesthetic considerations as they bear on opera Crossing over disciplinary boundaries between music literary studies history cultural studies and art history the volume enriches our knowledge and understanding of the operatic experience and the works The book will therefore appeal to those working in the field of music literary and cultural studies and to those with a particular interest in opera and musical theatre

*My Silver Planet* Daniel Tiffany, 2014 Reveals the hidden origins of kitsch in poetry from the eighteenth century Taking its title from John Keats *My Silver Planet* contends that the problem of elite poetry's relation to popular culture bears the indelible mark of its turbulent incorporation of vernacular poetry a legacy shaped by nostalgia contempt and fraudulence Daniel Tiffany reactivates and fundamentally redefines the concept of kitsch freeing it from modernist misapprehension and ridicule by tracing its origin to poetry's alienation from the emergent category of literature Tiffany excavates the forgotten history of poetry's relation to kitsch beginning with the exuberant revival of archaic and often spurious ballads in Britain in the early eighteenth century In these controversial events of poetic imposture Tiffany identifies a submerged pact in opposition to the bourgeois values of literature between elite and vernacular poetries Tiffany argues that the ballad revival the earliest explicit formation of what we now call popular culture sparked a perilous but seemingly irresistible flirtation among elite audiences with poetic forgery that endures today in the ambiguity of the kitsch artifact Is it real or fake art or kitsch He goes on to trace the genealogy of kitsch in texts ranging from nursery rhymes and poetic melodrama to the lyric commodities of Baudelaire He scrutinizes the fascist paradise inscribed in Ezra Pound's *Cantos* as well as the avant garde poetry of the New York School and its debt to pop and plastic art By exposing and elaborating the historical poetics of kitsch *My Silver Planet* transforms our sense of kitsch as a category of material culture

*The Story of Follies* Celia Fisher, 2022-11-28 A beautifully illustrated history of these quirky ornamental buildings in gardens across the globe Are they frivolous or practical Follies are buildings constructed primarily for decoration but they suggest another purpose through their appearance In this visually stunning book Celia Fisher describes follies in their historical and architectural context looks at their social and political significance and highlights their relevance today She explores follies built in protest follies in Oriental and Gothic styles animal related follies waterside follies and grottoes and finally follies in glass and steel Featuring many fine illustrations from historical paintings to contemporary

photographs and prints and taking in follies from Great Britain to Ireland throughout Europe and beyond *The Story of Follies* is an amusing and informative guide to fanciful charming buildings **Life After Death** Peter Holman, 2010 It is often thought that the viola da gamba dropped out of British musical life in the 1690s The author demonstrates that the instrument continued to be used through the 18th and 19th centuries up to the beginning of the early music revival in the 1890s *The Mind Is a Collection* Sean Silver, 2015-12-17 *The Mind Is a Collection* approaches seventeenth and eighteenth century theory of the mind from a material point of view examining the metaphors for mental activity that invoked the material activity of collection Gateways to the Book Gitta Bertram, Nils Büttner, Claus Zittel, 2021-08-24 *Gateways to the Book* investigates the complex image text relationships between frontispieces and illustrated title pages on the one hand and texts on the other in European books published between 1500 and 1800 Although interest in this broad field of research has increased in the past decades many varieties of title pages and a great deal of printers and books remain as yet unstudied The fifteen essays collected in this volume tackle this field with a great variety of academic approaches asking how the images can be interpreted how the texts and contexts shape their interpretation and how they in turn shape the understanding of the text

**Stage Mothers** Laura Engel, Elaine M. McGirr, 2014-11-06 *Stage Mothers* explores the connections between motherhood and the theater both on and off stage throughout the long eighteenth century Although the realities of eighteenth century motherhood and representations of maternity have recently been investigated in relation to the novel social history and political economy the idea of motherhood and its connection to the theatre as a professional material literary and cultural site has received little critical attention The essays in this volume spanning the period from the Restoration to Regency address these forgotten maternal narratives focusing on the representation of motherhood as the defining female role the interplay between an actress's celebrity persona and her chosen roles the performative balance between the cults of maternity and that of the passionate actress and tensions between sex and maternity and or maternity and public authority In examining the overlaps and disconnections between representations and realities of maternity in the long eighteenth century and by looking at written received visual and performed records of motherhood *Stage Mothers* makes an important contribution to debates central to eighteenth century cultural history *Thomas Gray* Robert L. Mack, 2000-01-01 Mack incorporates recent scholarship on Gray drawing on developments in 18th century and gender studies as well as on extensive archival research into the life of the poet and his family The result is an eloquent and enlightening book sure to be the definitive biography of this great poet a forefather of the Romantic Movement 50 illustrations *Improper Pursuits* Carola Hicks, 2002-06-19 Diane Beauclerk the eldest daughter of a duke left her conventional life and marriage for her lover and a career as a painter

*Thomas Chatterton and Neglected Genius, 1760-1830* Daniel Cook, 2015-12-11 Long before Wordsworth etherealized him as the marvellous Boy The sleepless Soul that perished in its pride Thomas Chatterton was touted as the second Shakespeare by eighteenth century Shakespeareans ranked among the leading British poets by prominent literary critics and likened to

the fashionable modern prose stylists Macpherson Sterne and Smollett His pseudo medieval Rowley poems in particular engendered a renewed fascination with ancient English literature With Chatterton as its case study this book offers new insights into the formation and development of literary scholarship in the period from the periodical press to the public lecture from the review to the anthology from textual to biographical criticism Cook demonstrates that while major scholars found Chatterton to be a pertinent subject for multiple literary debates in the eighteenth century by the end of the Romantic period he had become and still remains an unsettling model of hubristic genius

When people should go to the book stores, search start by shop, shelf by shelf, it is in point of fact problematic. This is why we present the ebook compilations in this website. It will agreed ease you to see guide **Rescuing Horace Walpole** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections.
