The Johnson Years, Volume Two Robert A. Divine, 1990-04-01 Stretching from November 1963 to January 1969 the administration of Lyndon Baines Johnson was marked both by division and tumult and by significant accomplishments In this volume Robert Divine has brought together seven senior scholars who in new essays explore aspects of domestic and foreign policy during the Johnson years This collection is a sequel to Divine's earlier volume originally published as *Exploring the Johnson Years* The seven essays that compose Volume Two together with Divine's incisive and perceptive historiographical overview offer new insights into Johnson's complex character and leadership style The LBJ that emerges from these pages is a very human figure who understands the corrosive pervasive impact of the Vietnam War on his

administration and who struggles to try to preserve the domestic programs he fought so long and hard to achieve In exploring the antiwar movement tax and foreign economic policies environmental and health care questions and the space program these essays demonstrate how domestic issues were critically affected by the Vietnam War and provide a fuller understanding of Johnson's vital but flawed legacy to the nation Serials in the British Library, 1994 **Handbook of Organizational Learning and Knowledge** Meinolf Dierkes, 2003 In an era of far reaching changes organizational learning and knowledge creation are high on the agenda of social scientists managers and consultants worldwide as they seek to adapt to new environments The Handbook of Organizational Learning and Knowledge provides a comprehensive overview of how the concept of organizational learning emerged how it has been used and debated and where it may be going It summarizes the state of the art and provides a full account of the diverse approaches themes issues and debates of the field The handbook unites a distinguished team of international authors who examine both the central themes and key emerging issues The coverage extends beyond the American tradition to include the experiences of Europe Asia and the Middle East The book opens with chapters drawing insights from various social science approaches The following sections examine fundamental issues concerning the external triggers factors and conditions agents and processes of organizational learning Subsequent chapters review the subject within a global context looking in particular at processes of interorganizational learning and knowledge transfer The next sections examine the development of learning practices and provide case studies to illustrate organizational learning and knowledge creation The book concludes with an analysis of the state of the art and an agenda for the future This handbook will be an invaluable reference tool for scholars and students in the social sciences as well as for professional involved in organizational development learning and change The Johnson Years: Vietnam, the environment, and science Robert A. The Top Books of the Year Research In Social Movements Conflicts And Change An Annual Compilation Of Research Vol 1

The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Research In Social Movements Conflicts And Change An Annual Compilation Of Research Vol 1 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Paffen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
