Research Methods for Leisure and Tourism [electronic Resource], Anthony James Veal, 2006

*Tourism Research Methods* Brent W. Ritchie, Peter Burns, Catherine Palmer, 2005 Within the tourism industry there is a growing consensus on the need for research to investigate the economic social and environmental impacts of tourism However existing research methods texts are based solely on either the business approach or the social science approach to tourism They often fail to provide real world examples of how to plan implement or analyse tourism related research This book aims to address this divide by integrating theory with practice through the inclusion of specific tourism research case studies alongside research theory It considers a wide range of research issues approaches and techniques with contributions from both experienced and new researchers

Qualitative Research in Tourism Jenny Phillimore, Lisa Goodson, 2004 Whilst qualitative approaches are beginning to be more commonly used and accepted in tourism discussions of research methods have rarely moved beyond practical considerations Limited attention given to the underlying philosophical and theoretical

underpinnings that influence the research process This book links the theory with research practice to offer a more holistic account of how qualitative research can be used in tourism Cultural Tourism Research Methods Greg Richards, Wil Munsters, 2010 Cultural tourism includes experiencing local culture traditions and lifestyle participation in arts related activities and visits to museums monuments and heritage sites This book reviews a wide range of qualitative and quantitative research methods applied to the field It is suitable for students and researchers in tourism and leisure Research Methods for Leisure, Recreation and Tourism, 2nd Edition Ercan Sirakaya-Turk, Muzaffer Uysal, William E Hammitt, Jerry J Vaske, 2017-04-13 Describing the fundamental elements of research methods for leisure recreation and tourism this new edition of a popular textbook is updated throughout It covers the measurement of variables sampling questionnaire design and evaluation methods and also a wider discussion of writing proposals communicating research findings cross cultural research and the use of new technologies in conducting research Written by internationally renowned researchers in an accessible style this book introduces both undergraduate and graduate students to the vital skills they will need to succeed in the leisure recreation tourism and hospitality industries **The SAGE Handbook of Tourism Management** Chris Cooper, Serena Volo, William C.
