American Smuggling as White Collar Crime Lawrence Karson,2020-09-29 When Edwin Sutherland introduced the concept of white collar crime he referred to the respectable businessmen of his day who had in the course of their occupations violated the law whenever it was advantageous to do so Yet since the founding of the American Republic numerous otherwise respectable individuals had been involved in white collar criminality Using organized smuggling as an exemplar this narrative history of American smuggling establishes that white collar crime has always been an integral part of American history when conditions were favorable to violating the law This dark side of the American Dream originally exposed itself in colonial times with elite merchants of communities such as Boston trafficking contraband into the colonies It again came to the forefront during the Embargo of 1809 and continued through the War of 1812 the Civil War nineteenth century filibustering the Mexican Revolution and Prohibition The author also shows that the years of illegal opium trade with

China by American merchants served as precursor to the later smuggling of opium into the United States The author confirms that each period of smuggling was a link in the continuing chain of white collar crime in the 150 years prior to Sutherland s assertion of corporate criminality *David McCullough American Presidents E-Book Box Set* David McCullough,2011-05-24 From America s most beloved biographer David McCullough Time a collection of his bestselling biographies of American Presidents This ebook box set features David McCullough s award winning biographies of American Presidents John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation s founders and most important figures who became our second president Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt s metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea Including a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages **In Irons** Richard Buel,1998-01-01 Bogens undertitel er et amerikansk udtryk for at Ligge i vind jet og der henvises til kolonikrigene der s deres begyndelse i 1775 S ledes var vind jet her den engelske fl des blokade af de nordamerikanske fristater Den konomiske og milit re historie h nger sammen og denne bog foretager en bedre end normalt set videnskabeligt forsket rsagssammenh ng idet den som hovedkonklusion ser p den engelske fl deblokades p virkning af landbrugssektoren og videre p den skade fristaterne p f rtes ved engelsk bes ttelse af betydningsfulde landbrugsomr der og manglende vers iske eksportmuligheder for disse opr rske stater United States Naval History United States.
