Search of P. D. Ouspensky Gary Lachman, 2014-03-17 P D Ouspensky s classic work In Search of the Miraculous was the first to disseminate the ideas of G I Gurdjieff the mysterious master of esoteric thought in the early twentieth century who still commands a following today Gurdjieff s mystique has long eclipsed Ouspensky once described by Gurdjieff as nice to drink vodka with but a weak man Yet Ouspensky was a brilliant accomplished philosopher in his own right and some consider his meeting with the charismatic Mr G the catastrophe of his life Indeed in subsequent years Ouspensky tried hard with limited success to break away This book moves Ouspensky s own story center stage against the backdrop of the Russian Revolution the dervishes of Constantinople and a cosmopolitan Europe entre deux guerres The archetypal encounter it describes echoes that of Don Juan and Castaneda or perhaps Mephistopheles and Faust One of the great mystical adventures of our time it will fascinate everyone interested in the farthest reaches of what it means to be human The paperback edition includes a new chapter on Gary Lachman s own former work in Gurdjieff s psychology *In Search of the Guardians*

Virginia Cheong, 2015-10-16 The Guardians had always been the protectors of Earth but an unthinkable betrayal has led to their downfall forcing them to reincarnate as humans and endure lifetimes of pain and suffering Without any recollection of where they came from and with their powers unknowingly locked in their subconscious minds the former Guardians can only live the life they know fighting to survive But the pain they must endure is so unbearable that most of them lose their minds Even the leader of the Guardians the Almighty Dragon has fallen victim to the Heiling clans evil plot With the burden of the prophecy on his shoulders Master Li his eight year old son and his loyal disciples set out into the Western world to find the Guardians in an attempt to restore peace and harmony to mankind The dangers they face are beyond anything they envisioned The Heiling clan seems to always be one step ahead of them and their vast numbers make it seemingly impossible for Master Li and his followers to fulfill their mission Filled with adventure mystery and cultural diversity the search of the

Guardians brings to Master Li and his followers experiences that are unforgettable **In Search of an America** Gabor Bethlenfalvai, 2011-07-06 Born in Hungary author Gabor Bethlenfalvai spent his early childhood under privileged circumstances that he remembers as his Garden of Eden It was a paradise until the end of World War II He tells of the events of joy and of tragedy in his life before and after the war in his Xlibris publication *In Search of an America An Introvert on the Road* In this tale of the road the author relives how he and his family fled west just before the Red Army overran his hometown to end up in a small village in Bavaria There six years of exile were spent absorbing a classical education amid the rubble of post war Germany until emigration to the United States became possible Assembly lines in Chicago and in Omaha were the author's first introduction to the New World until he found his path to Military Service He became a paratrooper and an officer but decided to return to school to study physics In spite of an advanced degree doubts about his vocation pulled him back into the Army The war in Vietnam finally impelled him to resign his commission for good and to strike out for California with his young family to study biology a decision that led to a doctorate and a research career exploring the web of life in the soil The repeated back and forth between academia and the military and between Europe and the USA helps him explore and compare religious political sociological and scientific attitudes and patterns of thinking in the Old and New Worlds He learns to view his new home with critical detachment A candid look into a colorful life journey during one of history's most tumultuous times *In Search of an America An Introvert on the Road* chronicles how one man finally realized that the long road that led him to the fog shrouded mountain outside his study window in San Luis Obispo was all part of his search for his personal utopia an America that of his childhood dreams *In Search of God: the Deepest Darkness* John Stamos Parrish, 2011-11-21 In the final decades of the twenty first century mankind's ambitions colonized the moon and Mars and created a technological Tower of Babel But during the period known as the Fifty Years of Prosperity the Time of Horrors came without warning The Age of Horrors brought about the Orbs mysterious anomalies that appeared in space unleashing storms of cataclysmic proportions throughout the solar system On Earth the golden age of modern humanity came to a crashing end plunging the world into chaos At a time when mankind thought it had the promise of immortality within its grasp that promise was stolen away Once humanity traveled the heavens as gods but now if it hopes to survive it must cower like moles in the shadows But not everyone on Earth has surrendered to that fate Two groups emerge from the rubble of civilization and the bitter spiritual battle that has simmered for millennia intensifies beyond belief One group is bent on displacing God while another seeks to reunite the fallen and disenfranchised One blames God for all the earth's woes and the other sees mankind's alienation from God as the root cause of the Age of Horrors In the quiet between the battles a third group emerges to investigate the Orbs Mankind's fate depends upon an orphan and a woman known only as the Psalter As they enter the realm of the Deepest Darkness they uncover the truth about a power that evil dreads *The Search for Montana Red* Ralph Cotton, 2018-10-20 The Ranger Lives for the Hunt The Outlaw Lives for the Killing Now They Are About
