Long Pilgrimage Life And Teaching Of Shivapuri Baba:

Long Pilgrimage John Bennett, 2016-03-27 The book takes the form of six essays covering the life and teachings of Shri Govindananda Bharati known at the time of his death as the Shivapuri Baba The first chapter describes his origins from his birth in 1826 in Kerala his religious training and preparation and his 40 year circumambulation of the world meeting all the major world leaders of his day and his forty year retirement in a forest hut outside Kathmandu Subsequent chapters describe his practical teachings which are so simply explained and so universal that they will always be relevant to seekers Ancient teachings are presented in a modern interpretation The Shivapuri Baba himself described his teachings as the Bhagavad Gita brought up to date The final chapter presents a revolutionary world view which reveals an immense wisdom and understanding of human destiny presented in a form that all can appreciate The Shivapuri Baba left this life in January of 1963 and at that time few knew of him and nothing at all had been written about him The present book was the first public account of the saint appearing in 1965 In 2001 Thakur Lal Manandhar's son Giridhar approached J G Bennett's family requesting the rights to republish in English and Nepali Giridhar was able to provide a number of photographic images not published previously and many of which were from his own camera The present edition is taken from the 2001 publication At the launch of the book in Kathmandu in 2007 Giridhar was asked by a reporter whether the Shivapuri Baba had actually read what was written noting that the text indicated that he had seen and approved it Giridhar said that he believed that he had not read it and stating that at the end of his life the Shivapuri Baba did not want to engage with anything which would tie him to the world he was preparing to leave for the last time To Dr Sarvepalli Radhakrishnan visiting in 1956 he said I teach three disciplines physical moral spiritual These disciplines form the foundation of Right Life Swadharma and the journals of Thakur Lal Manandhar relate how these disciplines were taught in the practical application to every day life This is a simple but inspiring book from which everybody can benefit

Gurdjieff Reconsidered Roger Lipsey, 2019-02-05 From a master biographer and longtime Gurdjieff practitioner a brilliant new exploration of the quintessential Western esoteric teacher of the twentieth century The Greek Armenian teacher G I Gurdjieff was one of the most original and provocative spiritual teachers in the twentieth century West Whereas much work on Gurdjieff has been either fawning or blindly critical acclaimed scholar and writer Roger Lipsey balances sympathetic interest in Gurdjieff and his Fourth Way teachings with a historian's sense of context and a biographer's feel for personality and relationships Using a wide range of published and unpublished sources Lipsey explores Gurdjieff's formative travels in Central Asia his famed teaching institution in France the development of the Gurdjieff Movements and music and above all

Gurdjieff's fascinating continuous evolution as a teacher Published on the 70th anniversary of Gurdjieff's death Gurdjieff Reconsidered delves deeply into Gurdjieff's writings and those of his most important students including P D Ouspensky and Jeanne de Salzmann Lipsey's comprehensive approach and unerring sense of the subject make this a must read for anyone with a serious intention to explore Gurdjieff's life teachings and reputation Classical Spirituality in Contemporary America Michael Pittman, 2012-03-01 An exploration of the relationship between major contemporary spiritual movements such as Sufism and Esoteric Christianity and the work of Gurdjieff *Decolonizing and Indigenizing Visions of Educational Leadership* Njoki N. Wane, Kimberly L. Todd, Coly Chau, Heather Watts, 2022-11-21 This edited collection centres the reclamation of global counter and Indigenous knowledges epistemologies ontologies axiologies and cosmovisions that have the capacity to create new educational leadership frameworks that chart courses to visions beyond the current oppressive systems of education Handbook of Hinduism in Europe (2 vols), 2020-07-27 Handbook of Hinduism in Europe portrays and analyses how Hindu traditions have expanded across the continent and presents the main Hindu communities religious groups forms practices and teachings The Handbook does this in two parts Part One covers historical and thematic topics which are of importance for understanding Hinduism in Europe as a whole and Part Two has chapters on Hindu traditions in every country in Europe Hindu traditions have a long history of interaction with Europe but the developments during the last fifty years represent a new phase Globalization and increased ease of communication have led to the presence of a great plurality of Hindu traditions Hinduism has become one of the major religions in Europe and is present in every country of the continent **Awakening The Universal Heart** Serge Beddington-Behrens, 2013-08-01 I invite you to come on a journey with me into one of the most important yet often most neglected dimension of yourself namely your heart I want to help you discover as I have slowly been discovering that our hearts not only hold the key to our being able to live a fuller and more meaningful life but also to our being able to play a part in helping heal our planet The change needed is a shift out of our primarily head focus into becoming increasingly heart centred where we are connected to our hearts and are potentially capable of moving mountains We are only going to be good activists if we have plenty of heart in our lives if we are big hearted with a well activated Heart A culture of Heart is vital if we are to heal the many wounds and splits that exist between different classes religions tribes and nations The book has been written from a place of great hope and joy based on knowledge that our world is changing and that the planetary heart is at last awakening **The Way To Be Free** John Godolphin Bennett, 2012-04-02 The central theme of this book is the difference between work from the mind and work from the essence Work from the mind produces skillful prisoners of illusion but prisoners all the same Work from the essence is the way to be free It is centered in the heart This book is compiled from conversations that took place between Bennett and his students and includes several sections from previously unpublished notes that were to be used in a definitive work on a complete system of Gurdjieff study It includes an essay on the Octave of Salvation written in the 1940s which shows Bennett

s remarkable familiarity with the spiritual traditions of Buddhism Hinduism and Christianity and which is a significant treatise in its own right Bennett was a master of structural thinking but always remained closely in touch with the concrete detail of experience This 2006 edition has a new foreword by Anthony Blake and was compiled and edited by Anthony Blake
