section of the book raises The third section focuses on issues of representation and how the medium of animation might have an impact on how bodies gender sexuality race and ethnicity are represented These representations can only be read through an understanding of the questions that the first two sections of the book raise we can only decode these representations if we take into account form and genre and theoretical conceptualisations such as visual pleasure spectacle the uncanny realism etc *Looney Tunes Back in Action* Charles Dudley Warner,2004 Roger Ebert's Movie Yearbook Roger Ebert,2005
