Canada* J. M. Bumsted, 2001 This book takes a look at Louis Riel from a historical perspective examining the political and cultural ramifications of Riel s life for the citizens of Western Canada As a revolutionary as a religious prophet and as a spokesman for the Metis people Louis Riel changed the course of Canadian history *Riel's Defence* Hans V. Hansen, 2014-06-01 A multi disciplinary study of two of the most poignant speeches in Canadian history *Canadian Criminal Law in Ten Cases* Martin L. Friedland, 2024-07-05 Canadian Criminal Law in Ten Cases explores the development of criminal justice in Canada through an in depth examination of ten significant criminal cases Martin L Friedland draws on cases that went to the Supreme Court of Canada or the Privy Council including well known cases such as those of Louis Riel Steven Truscott Henry Morgentaler and Jamie Gladue The book addresses such issues as wrongful convictions the enforcement of morality Indigenous experiences with criminal law bail and trial delay and the impact of the 1982 Charter of Rights and Freedoms on the criminal justice system Friedland describes in a masterful way the factual background of each case and the political social and economic conditions of the time Each character the accused judges and counsel is described in detail as are the relevant laws and procedures Friedland includes recommendations on how the criminal justice system can be improved such as by creating a new federal commission devoted solely to criminal justice and by the enactment by Parliament of enhanced codes of evidence and criminal law and procedure Canadian Criminal Law in Ten Cases is an indispensable guide to understanding the criminal justice system for lawyers students and anyone interested in criminal law and the administration of criminal justice **Unsound Empire** Catherine L. Evans, 2021-01-01 A study of the internal tensions of British imperial rule told through murder and insanity trials Unsound Empire is a history of criminal responsibility in the nineteenth century British Empire told through detailed accounts of homicide cases across three continents If a defendant in a murder trial was going to hang he or she had to deserve it Establishing the mental element of guilt criminal responsibility transformed state violence into law And yet to the consternation of officials in Britain and beyond experts in new scientific fields posited that insanity was widespread and

growing and evolutionary theories suggested that wide swaths of humanity lacked the self control and understanding that common law demanded Could it be fair to punish mentally ill or allegedly uncivilized people Could British civilization survive if killers avoided the noose **Unsettling Colonialism in the Canadian Criminal Justice System** Vicki

Chartrand,Josephine Savarese,2023-12-08 Canada s criminal justice system reinforces dominant relations of power and further entrenches the country in its colonial past Through the mechanisms of surveillance segregation and containment the criminal justice system ensures that Indigenous peoples remain in a state of economic deprivation social isolation and political subjection By examining the ways in which the Canadian justice system continues to sanction overtly discriminatory and racist practices the authors in this collection demonstrate clearly how historical patterns of privilege and domination are extended and reinforced **The Riel Problem** Albert Braz,2024-06-06 Tracing Louis Riel s metamorphosis from traitor to hero Braz argues that through his writing Riel resists his portrayal as both a Canadian patriot and a pan Indigenous leader

After being hanged for high treason in 1885 the M tis politician poet and mystic has emerged as a quintessential Canadian champion The Riel Problem maps this representational shift by examining a series of cultural and scholarly commemorations of Riel since 1967 from a large scale opera about his life through the publication of his extant writings to statues erected in his honour Braz also probes how aspects of Riel s life and writing can be problematic for many contemporary M tis artists scholars and civic leaders Analyzing representations of Riel in light of his own writings the author exposes both the constructedness of the Canadian nation state and the magnitude of the current historical revisionism when dealing with Riel

A Rush to Judgment Roger E. Salhany, 2019-12-28 Did Louis Riel have a fair trial The trial and conviction of Louis Riel for treason in the summer of 1885 and his execution on November 16 1885 have been the subjects of historical comment and criticism for over one hundred years A Rush to Judgment challenges the view held by some historians that Riel received a fair trial Roger Salhany argues that the presiding judge allowed the prosecutors to control the proceedings was biased in his charge to the jury and failed to properly explain how the jury was to consider the evidence of legal insanity He also argues that the government was anxious to ensure the execution of Riel notwithstanding the recommendation of the jury for clemency because of concerns that if Riel was sent to a mental hospital or prison he would eventually be released and cause further trouble Salhany compels readers to reconsider Canada s most famous trial in court history

Literary Land Claims Margery Fee, 2015-10-16 Literature not only represents Canada as our home and native land but has been used as evidence of the civilization needed

to claim and rule that land Indigenous people have long been represented as roaming savages without land title and without literature Literary Land Claims From Pontiac's War to Attawapiskat analyzes works produced between 1832 and the late 1970s by writers who resisted these dominant notions Margery Fee examines John Richardson's novels about Pontiac's War and the War of 1812 that document the breaking of British promises to Indigenous nations She provides a close reading of Louis Riel's addresses to the court at the end of his trial in 1885 showing that his vision for sharing the land derives from the Indigenous value of respect Fee argues that both Grey Owl and E Pauline Johnson's visions are obscured by challenges to their authenticity Finally she shows how storyteller Harry Robinson uses a contemporary Okanagan framework to explain how white refusal to share the land meant that Coyote himself had to make a deal with the King of England Fee concludes that despite support in social media for Theresa Spence's hunger strike Idle No More and the Indian Residential School Truth and Reconciliation Commission the story about savage Indians and civilized Canadians and the latter group's superior claim to develop the lands and resources of Canada still circulates widely If the land is to be respected and shared as it should be literary studies needs a new critical narrative one that engages with the ideas of Indigenous writers and intellectuals
