Love That Was And Is:

The Love That We Are Uwa Hunwick, 2012-12-21 Why is it that all humanity yearns so much for love Is there anything or anyone who does not want to love and be loved Why do we feel a special something a merging with when we are in love or hear the four letter word love Could it not be because love touches the core essence of our beings and we react the way we do because the love atoms and molecules of our bodies recognize and identify with it It rings their bells in a manner of speaking You will also observe that more song lyrics in the whole world are about love given found longed for rejected lost etc Furthermore one cannot deny that scientific experiments and natural happenings have proven that animals plants all living things react favorably when approached and treated with love Typically a dog senses when we exhibit signs of fear dislike or other negative emotions which are at variance with the attributes of living love Whereas a show of confidence tolerance and good disposition toward animal and man which are acceptable derivative attributes of living love will calm them and restore their confidence because like recognizes like THE ELIXIR OF IMMORTALITY many have journeyed far and wide seeking to find the elixir of life Some think it is a magical potion that gives immortality and the quest for this portion has consumed these In a journey through the pages of this book each reader unveils for himself the logical reasons why this elixir of life is very necessary for all This book points boldly to very simple but sure pathway to this elixir of life and as I traveled through its pages not only did I move from seeking to enlightenment from understanding to knowing and then from awakening to liberating happiness because I went through a transformation I found LIVING LOVE This experience is my wish for all mankind Mrs Valentina Aninyei *The Love That Was Meant to Be* Pastor Darryl Riley, 2022-11-03 The author of this book come from very humble beginnings the seventh child of nine children He was raised to be a God fearing man to respect others and to be a help to all that he could The inspiration for his book actually came from the woman that he eventually married and later fathered two beautiful children with The wait has finally ended for him as he was unsure which direction to take while he was contemplating his next move on what to write about Then it dawned upon him that his story of love was a very unique story that should be shared with the whole world Not only is it a story of love and fidelity but a story of how God can match two people together in a very unique bond As you read the account open your heart and mind to the most wonderful steps it takes to find true romance to what it will take to have a meaningful relationship The author wished many times that he could find his lovely wife long before he did But as the saying goes better late than never This book is designed for each individual to do some soul searching while you seek to find your soul mate Hope you enjoy reading this book it will inspire you and motivate you to be with the one you were meant to be with in life **To Save the Love that Was Lost** Lyman Allen, Sofia, 2008-03 When asked what led him to write To Save the Love That Was Lost Lyman Allen said I wrote because I had to It was a matter of passion I should say guided passion because I found out that I was guided and so the book is ours Sofia s and mine There was a lid on my passion I wanted to believe that life made more sense than what we

experience every day We function from day to day yes but I think a lot of us live with a gut feeling of how life ought to be and this is backed up maybe by a higher sense of that truth Well I found that there is that truth and it s in To Save the Love that Was Lost In fact it s in the title So I m offering an invitation to people to peek out from under that lid and see what they might find I found the answer that makes sense Our book is about the original message of Jesus Christianity before it was taken over by organized faith is that a contradiction in terms It s about what was intended to work for the world how we must learn to live I found that Jesus lost teachings are supported by religious history of 20 even 26 centuries ago A lot of those teachings were discovered in 1945 hidden for all that time They never got tampered with The title is from a verse deleted from a famous parable It s a mission statement about advancing the original Christianity of Jesus that s the love part and it relates directly to the fate of our planet It turns out that my mission was to write a book about these things The book is in fact a spiritual thesis supported by ancient documents recently discovered That might be a first *With Love G.*

Bradley,2019-09-09 This is more than a book about love and relationships This is a book that shows how love works and how to make love work for you Nurture the love within and the rest will follow You can focus your thoughts on love today to free yourself from the past Reclaim your innocence with love and feel your happiness flow Introduce love to your dreams to empower their fulfilment Use your belief in the spirit of love to heal and comfort You will be introduced to four hundred quotes about love that will help you feel the joy love brings to all aspects of your life Open your mind and your heart to the discovery of some of the deeper and spiritual meanings of love Feel the love that is provided by nature and see the love in all things around you **Love, Reason and Will** Anthony Rudd,John Davenport,2015-10-22 An introduction to the philosophy of love bridging analytic and continental philosophy and the philosophy of religion through the writings of Harry G Frankfurt and S ren Kierkegaard

Discover the Secret of True Love Consolatus C. Okorundu,2008-12-15 In the midst of the many hardships we endure in our daily lives it can be difficult to define the true meaning of love let alone find it Yet living without such love can leave us empty and unfulfilled Consolatus C Okorundu can help Drawing on her personal relationship with God and many of her life experiences Okorundu explores the supreme definition of love and how it can offer us liberation from the darkness within our souls With an in depth look at scriptures from the Holy Bible Okorundu shares how true love will always lead you to peace and harmony toward God others and yourself Learn how the fruits of love patience understanding acceptance consideration honesty forgiveness and communication are the key to successful relationships with others whether it be your family your spouse your friends or even your co workers Okorundu also shares different personal interpretations of love from others to reveal how the common human experience unites us all But at its heart Discover the Secret of True Love shows the awesome love that God has for each of his children Find inner peace with the love from our almighty Father and renew your spirit **The Prophetic Call to Love and Justice** Arnold H. De Graaff,2025-06-20 Scripture s compelling

message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture

are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives *The practical works of David Clarkson* David Clarkson,1865 **New**

Morgan,2010-04-01 1188 sermon suggestions One from every chapter in the Bible Morgan s expositions sparkle as they enhance Bible texts from every chapter in the Bible Concise and delightfully free of redundancy these selections reveal the master expositor s keen analytical insight into God s Word To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively the author mentions that these are sermon suggestions not sermons or sermon outlines He intentionally left the notes untitled preferring to let the text of Scripture be their only caption These penetrating truths firmly anchored in Scripture are best described by G Campbell Morgan himself On every page of the God breathed Writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context They are searchlights From the multitude of these I have selected one in each chapter of the Bible Perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context
