Essential Wines and Wineries of the Pacific Northwest Cole Danehower,2025-04-08 Superbly balanced pinot noirs crisp rieslings rich heady syrahs these are only a fraction of the expertly crafted wines being produced in the Pacific

Northwest's diverse and distinctive wine countries. Second only to California in production, the Pacific Northwest is the largest wine region in North America, home to more than 1,000 wineries. What was once a young wine growing area with a reputation for eccentricity is today recognized as a dynamic region producing world class wines with a focus on ecologically sound practices. This definitive volume profiles the wines, the people who make them, and the wine countries of Washington, Oregon, British Columbia, and Idaho. The journey begins with the region's climates and geology which create a fascinating tapestry of wine growing areas. Next, the book focuses on the unique qualities of each wine region with profiles of more than 160 representative wineries to visit. Included are legacy wineries that helped to build the region's reputation, prestige wineries with a national presence, under the radar artisan wineries that embody the pioneering spirit of the Northwest, and promising new wineries. Each profile lists the winery's signature, premium value, and estate wines. Beautifully illustrated with photographs and helpful maps, this in-depth guide is a milestone in the North American literature on wine. It will enable wine lovers everywhere to plan their touring, select their wines, and explore and discover the riches of the Northwest's wine country. *Publishers Directory*, 1994 [Good Wine Guide 2002](#) Robert Joseph, 2001-09-10 For the connoisseur, casual wine drinker, and bargain hunter. This authoritative and irreverent guide is bigger and better than ever before. 2,750 updated A-Z entries listing suppliers across the US. Includes 96 page mini encyclopedia. Advice on tasting, buying, storing, and serving with 500 food and wine pairings. Retailers, wine vacations, and courses. Useful pronunciation guide. Over 100 essential wine websites. **WineSpeak** Bernard Klem, 2009-07-01 If you read wine reviews, you're already either amused or confused by the soaring language wine writers often use to describe what they're smelling and tasting. But do you always know what they mean? Have you ever sipped a complex white and sensed what's so colorfully described as a peacock's tail? Have you ever savored a full-bodied red only to detect the ripe, acrid smell of a horse stall? If not, you're in for a treat because these terms and thousands more are all here to amuse, dismay, enlighten, inspire, puzzle, and utterly shock you. Welcome to the rich linguistic universe of wine speak, a world where words and wine intersect in an uncontrolled riot of language guaranteed to keep you entertained for hours. The author, a lifelong lover of both wine and words, has compiled and organized this unique thesaurus of 36,975 wine tasting descriptors into 20 special collections extracted from 27 categories so you can locate exactly the right term or phrase to express yourself clearly or to understand others. May your path across the galaxy of wine be paved only with labels from the very best bottles on earth. Or much more cautiously with wines that could introduce you to angel pee, citronella, eastern European fruit soup, Godzilla, iodine, ladies underwear, mustard gas, old running shoes, rawhide, hot tar roads, bubblegum, sweaty saddles, crushed ants, kitchen drains, or even turpentine. **Wine East**, 1988 **Secrets from the Wine Diva** Christine Ansbacher, 2006 Wine expert Christine Ansbacher has some enviable clients; they include both corporate icons such as American Express as well as cultural giants like The New York Philharmonic. Why? Because she's fun and passionate about wine and eager to share extensive knowledge so that ordinary wine drinkers, not just elite oenophiles,

can get more pleasure from their glass Here she reveals her smart secrets that everyone who loves wine ought to know including how to make a 10 Cabernet taste like a 30 bott how to determine a fair price for a bottle of wine at a restaurant and how to avoid the dreaded red wine headache She also answers some common questions including What wine do you recommend with Chinese food Buying wine storing wine going on a wine vacation reading the label ordering in restaurants all that and more is covered in language as sparkling as fine champagne This Diva is a delight **Hudson's Newsletter**
