Moran, Rosanne Burson, Dianne Conrad, 2019-02-25 The Doctor of Nursing Practice Project A Framework for Success Third Edition provides the foundation for the scholarly process enabling DNP students to work through their project in a more effective efficient manner LEARNING WITH ADULTS Leona M. English, Peter Mayo, 2012-12-25 This book is written at a time when our own field of adult education is under assault from a variety of capitalist and neoconservative forces pressuring us to turn away from the causes of criticality lifelong learning and education for freedom Rather than succumb to these pressures we have hope that our long term goals of education for life and living can and will be accomplished alongside professional and vocational education This book offers new insight into what is a very dark moment of our human civilization From the preface by Dr Carlos Alberto Torres Professor GSEIS Director Paulo Freire Institute University of California at Los Angeles The book offers decidedly critical and international perspectives on various aspects of adult education especially on state citizenship and neoliberal policies Critical in both content and method it is at the same

time the part of the collective work needed to advance the Bel m call to action by furthering awareness and capacity in the field of adult education Dr Katarina Popovic Professor Universit t Duisburg Essen University of Belgrade DBB International In the midst of diminishing resources and growing inequalities English and Mayo provide an incisive and much needed critique of adult education in ways that highlight not only its historical and philosophical roots but also its major significance to the practice of democracy In a direct challenge to the neoliberal accountability craze Learning with Adults offers a rigorous political reading of the field one that systematically challenges oppressive educational policies and practices while affirming an emancipatory vision of civic engagement Truly an informative treatise that sheds new light on the education of adults DrAntonia Darder Professor Leavey Presidential Endowed Chair in Education Loyola Marymount University Los Angeles Leona English and Peter Mayo challenge hegemonic assumptions and ideas while offering a constructive alternative based on the principle of working with learners and not just for them Their analysis is accessible enough for newcomers to the field while the authors wide ranging coverage and radical approach provide refreshing and challenging messages for the most experienced adult educator Up to date genuinely international and passionately committed Learning with Adults is a great book Dr John Field Professor University of Stirling Cover design by Annemarie Mayo
