O Ultimo Dos Profetas Uma Introducao Ao Pensamento De Abraham Joshua Heschel

Abraham Joshua Heschel

O Último Dos Profetas Uma Introducao Ao Pensamento De Abraham Joshua Heschel:

O último dos profetas Abraham Joshua Heschel, 2002 **Em busca de Deus** Pedro Luiz Mangabeira Albernaz, 2005

Livro que tem o grande mérito de transmitir cultura com simplicidade e emoção. O autor um místico conceituadíssimo narra sua busca pessoal no terreno da religiosidade. A beleza da obra está na justa medida no equilíbrio. Ela explica o desenvolvimento das religiões principalmente do judaísmo e do catolicismo sem pedantismo e fala de situações familiares delicadas sem ser piegas. Leitura recomendada a qualquer pessoa que se interessa por religião e espiritualidade.

Espiritismo Judaico Andréa Kogan, 2018-03-08. O Brasil mesmo um país de práticas religiosas híbridas. Ninguém escapa disso. Este brilhante livro da jovem pesquisadora Andréa Kogan revela a partir de um percurso teórico e empírico o encontro entre o judaísmo e o espiritismo na cidade de São Paulo. Esses judeus espíritas são ashkenazim e provenientes prioritariamente do Leste Europeu. Chegaram ao Brasil a partir da Segunda Guerra Mundial e então iniciam suas práticas de evangelhos no lar que se constituem em estudo e prática da tradição espírita kardecista. A pesquisadora frequentou muitas dessas reuniões a fim de construir sua fundamentação empírica. A obra se ocupa também de uma sólida discussão acerca do que seriam essas duas identidades: a judaica e a espírita a partir do que há de mais contemporâneo e consistente na fortuna crítica sobre ambas as religiões. Trata-se assim de um exemplo do que há de melhor em estudos de religião no Brasil nos últimos anos.

Luiz Felipe Pondé **A Hebraica**, 2001 2003, 111 pp. **The Prophets** Abraham J. Heschel, 2001-10-16. Abraham Heschel is a seminal name in religious studies and the author of *Man Is Not Alone* and *God in Search of Man*. When *The Prophets* was first published in 1962 it was immediately recognized as a masterpiece of biblical scholarship. *The Prophets* provides a unique opportunity for readers of the Old Testament both Christian and Jewish to gain fresh and deep knowledge of Israel's prophetic movement. The author's profound understanding of the prophets also opens the door to new insight into the philosophy of religion.

Holiness in Words Edward K. Kaplan, 2012-02-01. *Holiness in Words: Abraham Joshua Heschel's Poetics of Piety* is both an introduction to reading Heschel's works in English and an in-depth study of the way his literary style can transform the consciousness of readers. Heschel's life and works respond to the contemporary crisis in religion: formulating positions on faith and despair, racism and social justice, the Holocaust, interreligious dialogue and the availability of God's presence. We study Heschel's theory and use of literary language, his poetics of piety in order to elucidate his narrative strategy to teach God-centered or prophetic thinking. The book traces the major themes of his depth theology: awe and radical amazement, the meaning of symbol, ritual, prayer and mystical insight. Historical and biographical information clarifies Heschel's implicit polemic with Martin Buber and a supplemental study guide provides sources for each chapter and suggestions for further thought and discussion.

The Prophets, by Abraham J. Heschel, Abraham Joshua Heschel, 1969 **Approaching God** John C. Merkle, 2009. Abraham Joshua Heschel (1907-72) is widely regarded as one of the most creative religious thinkers of the twentieth century and John Merkle is well known as a leading guide to Heschel's thought. In accessible and engaging

language Merkle's *Approaching God The Way of Abraham* Joshua Heschel introduces readers to Heschel's life and works in the service of God and to the very heart of his theological perspective This book clearly explains Heschel's reasons for affirming the reality and revelation of God what he recommends as ways of responding to God and why he thinks it is important to accept religious diversity as the will of God Deeply rooted in tradition Heschel's message was in its day both timely and ahead of its time This book shows just how relevant his message is for those seeking God and an enlightened perspective on God in the twenty first century John C Merkle is professor of theology at the College of Saint Benedict and Saint John's University in Minnesota His books include *The Genesis of Faith The Depth Theology of Abraham* Joshua Heschel Macmillan 1985 and *Faith Transformed Christian Encounters with Jews and Judaism* Liturgical Press 2003

Abraham Joshua Heschel and the Sources of Wonder Michael Marmur, 2016-01-01 *Abraham Joshua Heschel and the Sources of Wonder* is the first book to demonstrate how Heschel's political intellectual and spiritual commitments were embedded in his reading of Jewish tradition

Abraham Joshua Heschel--Philosopher of Wonder Maurice Friedman, 2012-11-05 Most studies of Abraham Joshua Heschel approach him as a theologian whereas this book peers behind the theologian and honors Heschel as the original philosopher that he was So it unearths Heschel's epistemology his aesthetic and his social philosophy all reinforced by the thirty years of friendship and dialogue that Maurice Friedman shared with him This book raises significantly critical questions concerning Heschel's philosophy of Judaism while remaining greatly appreciative of the sweep and command of his philosophy that Friedman believes were not sufficiently worked through

The Prophets Abraham Joshua Heschel, 2007-01-01 *The Prophets* is widely recognized as a masterpiece of biblical scholarship Heschel attempts to understand the thoughts feelings and impressions of each of the prophets presenting the reader with a sense of their very being He effectively achieves a balance between the objective supernatural and the subjective human situation and presents a unique discussion of Amos Hosea Isaiah Micah Jeremiah and Habakkuk and their particular challenges and journeys In the second part of the book Heschel addresses such subjects as pathos wrath sympathy ecstasy psychosis and prophetic and poetic inspiration and in so doing offers a new contribution to the philosophy of religion *The Prophets* is both scholarly and devotional an indispensable part of an in depth understanding of the Hebrew Bible

Divine Pathos and Human Being Michael A. Chester, 2005 *Abraham Joshua Heschel* a Jewish refugee from Nazism became a significant theologian and social activist in the USA though relatively unknown in the UK The first part of this book contains a brief biography which puts his work into context personally culturally and historically His style is examined and he is located as a theologian with an examination of his depth theology Part Two is an examination of divine pathos its influence on Christian theologians its major critics the theological anthropology that relies on it and interfaith dialogue made possible by it

Abraham Joshua Heschel Stanisław Krajewski, Adam Lipszyc, 2009 The book is devoted to the thought of one of the 20th century's most interesting philosophers of religion Heschel a traditional Polish Jew who became a modern thinker was also an impressive

prophet of interreligious dialogue The book is the fruit of a scholarly conference held in 2007 at the University of Warsaw in Heschel's native city on the occasion of the 100th anniversary of his birth Given the depth and scope of his thinking the papers gathered in the volume will be of interest not only to philosophers theologians and scholars of Heschel but also to those who know little about Heschel but are interested in the fundamental problems that appear at the borders between philosophy and theology religion and modernity Judaism and Christianity and more broadly problems of interfaith relations and their future Among the contributors to the volume there are many of the foremost Heschel scholars from the United States and Israel as well as authors from Poland and other European countries The authors believe that the influence of Heschel will continue to grow worldwide

No Religion Is an Island Harold Kasimow, Byron L. Sherwin, 2009-01-27 Rabbi Abraham Joshua Heschel remains one of the most important figures in American Jewish-Christian relations nearly twenty years after his death He had a penetrating mind that was never arrogant and a moral passion that never moralized Together the thirteen essays of this book testify to his enduring legacy Beginning with Rabbi Heschel's own *No Religion Is An Island* these writings by men and women who knew him studied under him and struggled with him people from South Asian Muslim Jewish and Christian traditions reveal the humble yet soaring spirit of a person who knew God transcended the barriers of nation culture religion and historical enmity As these essays demonstrate Heschel was spiritual guide to people of many faiths He won the admiration of men and women in many lands and traditions Firmly rooted in his own Jewishness he evoked the genius of other traditions inspiring believers of all kinds to labor toward a more humane world Contributors include the editors Heschel's daughter Susannah Jacob Y Teshima Daniel Berrigan John C Merkle Eugene J Fisher John C Bennett Fredrick C Holmgren Riffat Hassan Arvind Sharma Antony Fernando and Kenneth B Smith

Divine-Human Encounter Harold Kasimow, 2024-05-30 In his seminal work *God in Search of Man* Heschel illustrates three paths to God and provides a practical guide for how the modern mind can open itself to God or more precisely through which the contemporary mind can respond to a God who is in search of human beings In this book Harold Kasimow clarifies the meaning of Heschel's path to God by devoting one chapter to each of the three aspects of this path Using this path to God in its three aspects as an organizing principle this book illustrates how Heschel's thought presents a balance between the rational and mystical poles of the Jewish tradition A careful content analysis of his thinking reveals that Heschel is an authentic Jewish voice who presents an accurate Jewish theology The first chapter is devoted to the Hasidic influence on Heschel which Kasimow feels is most important for understanding Heschel's thought The final chapter focuses on Heschel's unique attitude toward Asian religious traditions which are becoming critical for authentic religious dialogue today

Divine-human Encounter Harold Kasimow, 1975

Prophetic Inspiration After the Prophets Abraham Joshua Heschel, 1996 Israelite prophets is well known his studies of prophetic inspiration among Jewish scholars of the Middle Ages is not in part because it exists in article form and in part because these articles were written in Hebrew The standard Jewish view is that prophecy ended with the

ancient prophets somewhere early in the Second Temple era Heschel demonstrated that this view is not altogether accurate
Belief in the possibility of continued prophetic inspiration and in its *The Genesis of Faith* John C. Merkle, 1985 Moral
Grandeur and Spiritual Audacity Abraham Joshua Heschel, 1997

The Engaging Realm of Kindle Books: A Comprehensive Guide Unveiling the Advantages of E-book Books: A Realm of Convenience and Flexibility Kindle books, with their inherent portability and ease of availability, have freed readers from the constraints of hardcopy books.
