Phil S. Dixon's American Baseball Chronicles Great Teams: The 1910 Chicago Leland Giants Volume II Phil S. Dixon, 2023-12-06 A Galaxy of Stars best describes Andrew Rube Foster's 1910 Chicago Leland Giants. In their only season together, this combination of players played their way into the heart and soul of a nation divided. They are proof positive that the National and American Leagues did not corner the market on athletic talent. Foster's unit began the season with a thirty-two and one record and ended with thirty-one consecutive victories. They scored nearly 1,000 runs and finished the season with a 124-71 record. Their win total is elevated to 138-11-2 when Cuban Winter League games are added. They played 64 games in the Chicago portion of their schedule. These games are equivalent to a home schedule for National and American League teams. Foster's Giants finished with a landmark 57-6-1 record for games played in Chicago. That Foster, John Henry Lloyd, and John Pete Hill, three members of the 1910 Leland Giants, are enshrined in Baseball's Hall of Fame in Cooperstown, New York, is worthy of closer observation. And yet Bruce Petway, Frank Wickware, and Grant Home Run Johnson should be there too. Thus Phil Dixon's American Baseball Chronicles Volume II Great Teams enters the illustrious conversation. The Leland Giants story is uniquely told here in a day-to-day account of every exciting win and every memorable thrill. The comparative scores and related histories are a resourceful and entertaining aid for further analysis of the participation of African American athletes in baseball as best represented by one legendary team in a single championship season. [Phil Dixon's American Baseball Chronicles Great Teams: the 1931 Homestead Grays, Volume I](#) Phil S. Dixon, 2009-10-31 The Greatest Baseball team of all time easily describes the 1931 Homestead Grays. They remain a team never to be forgotten, a team that rates with the greatest teams in all of baseball history. Organized in 1910, baseball's Homestead Grays of Pittsburgh, Pennsylvania, an exclusively African American team, held claim to a regional championship and also a legitimate claim to baseball's World Championship. The Grays' well-known leader was Hall of Famer Cumberland Posey. His 1931 Grays featured, among others, Hall of Fame third baseman Jud Wilson, Hall of Fame infielder Oscar Charleston, a Hall of Fame catcher in Josh Gibson, and two Hall of Fame pitchers in Willie Foster and Joseph Smokey Joe Williams, a total of five legendary players. Paced by young Josh Gibson, age 18, and the most powerful home run hitter in baseball, Posey's 1931 Homestead Grays finished with a magnificent 143-29-2 record. This is their story told here for the first time. Included within the text are written accounts for every game from the Homestead Grays' entire 1931 schedule of nearly 175 contests, with scores, attendance figures, and player biographies. The work includes scores and locations on more than 300 additional games played by the Kansas City Monarchs, Hilldale, Baltimore's Black Sox, the Cuban House of David, New York's Harlem Stars, and other African American teams in operation during that same 1931 season. The comparative scores and their related histories are a resourceful and entertaining aid for further analysis and assessment on the participation of African American athletes in baseball as best represented from the perspective of a single championship season. **Playing for Time** Chris Enss, 2004

Steroids Rob Beamish,2011-08-15 Sports fans or not readers will be fascinated by this revealing examination of the pressures leading to the widespread use of steroids in sport and the negative unintended consequences of their ban From Baron Pierre de

Coubertin's original objectives in establishing the modern Olympic Games to the increasingly widespread use of performance enhancing drugs during the Cold War to the 1998 drug scandal during the Tour de France and beyond *Steroids A New Look at Performance Enhancing Drugs* puts the social construction of steroids as a banned substance under the microscope and interprets the implications of that particular conception of steroid use in sport. Clearly written and highly accessible for all readers, this book addresses a pressing issue in professional and high performance sport: the use of steroids by placing it within the historical context of the ongoing desire to achieve the pinnacle of human sport. Topics examined in detail include the three major crises of Ben Johnson's positive test in the 1988 Seoul Olympics, the creation of the World Anti Doping Association and the House Committee on Government Oversight's probe into steroid use. The author provides a critical examination of the current ban on steroids and boldly advocates a common sense solution to the complex problem of steroid use in sport: the adoption of harm reduction strategies and policies rather than outright proscription.

[The Smart Aleck Chronicles Iii](#) Mike Robertson, 2014-01-17 The original *Smart Aleck Chronicles* was published to little if any notice in 2007. This was followed five years later with the release of a second volume. As noted in the prefaces to both these collections, their intended purpose was to present to readers a series of literary entertainments on a range of issues, activities, personalities and phenomena. In this, the third volume, these observations and commentaries continue, combined once again with short works of fiction. The author hopes, as he did with respect to the two previous volumes, that this edition is faithful to the lofty standards and possible amusements of those books.
