Tradition, Interpretation, and Change Kenneth E. Berger, 2019-03-15 Minhag custom played a far greater and far more important role in medieval Ashkenazic society than in any other Jewish community In upholding the authority of a custom halakhic authorities frequently asserted that custom prevails over halakhah Furthermore Ashkenazic authorities asserted that Ashkenazic custom is more authentic than the customs of other Jewish communities including those of Sepharad Spain Given the importance attributed to minhag and the influence of the siddur commentaries of the circle of Hassidei Ashkenaz which emphasize the precise formulation of liturgical texts one might assume that Ashkenazic Jewry was committed to preserving ancestral custom and opposed to liturgical change However the reality is that the liturgy of Ashkenaz was never static From a very early time new liturgies and liturgical practices were incorporated into the service the inclusion of various prayers was challenged and variant readings of prayers became standard Tradition Interpretation and Change focuses on developments in the Ashkenazic rite the liturgical rite of most of central and eastern European Jewry from the eleventh century through the seventeenth Kenneth Berger argues that how a prayer or practice was understood or the rationale for its recitation or performance often had a profound effect on whether and when it was to be recited as well as on the specific wording of the prayer In some cases the formulation of new interpretations served a conservative function as when rabbinic authorities sought to find new alternative explanations which would justify the continued performance of practices whose original rationale no longer applied In other cases new understandings of a liturgical practice led to changes in that practice and even to the development of new liturgies expressive of those interpretations In Tradition Interpretation and Change Berger draws upon a wide body of primary sources including classical rabbinic and geonic works liturgical documents found in the Cairo genizah medieval codes responsa and siddur commentaries minhag books medieval siddur manuscripts and early printed siddurim as well as a wealth of secondary sources to provide the reader with an in depth account of the history and history of interpretation of many familiar and not so familiar prayers and liturgical practices While emphasizing the role that

the interpretation ascribed to various prayers and practices had in shaping the liturgy of medieval and early modern Ashkenaz Berger illustrates the degree to which Sephardic and kabbalistic influences concern for the fate of the dead the fear of demons and the desire for healing and divine protection from a variety of dangers shaped both liturgical practice and the way in which those practices were understood

Jewish Religious Law John D. Rayner, 1998 Reconstructs Jewish law or Halachah to make it more consistent with the principles of Progressive Judaism Beginning with a brief history of the Progressive movement in 20th century Judaism the author continues with illustrations of how traditional law must be adapted to the views of modern liberal Jews The Halachic problems addressed range from Jewish territorial rights in Israel divorce law and questions of medical ethics such as organ transplantation to the recycling of old prayerbooks Paper edition unseen 15 50 Annotation copyrighted by Book News Inc Portland OR

Pursuing Peace Across the Alleghenies Walter Jacob, 2005 These essays place this premier Jewish congregation into a broader setting both in the Jewish and general community They deal with the rabbinic architecture and broader impact of the congregation Rodef Shalom was the site of two documents which define Reform Judaism in the United States
