Murdering Holiness Jim Phillips, Rosemary Gartner, 2011-11-01 *Murdering Holiness* explores the story of the Holy Roller sect led by Franz Creffield in the early years of the twentieth century In the opening chapters the authors introduce us to the community of Corvallis Oregon where Creffield a charismatic self styled messiah taught his followers to forsake their families and worldly possessions and to seek salvation through him As his teachings became more extreme the local community reacted Creffield was tarred and feathered and his followers were incarcerated in the state asylum Creffield himself was later imprisoned for adultery but shortly after his release he revived the sect This proved too much for some of the adherents families and in May 1906 George Mitchell the brother of two women in the sect

pursued Creffield to Seattle and shot him dead The authors take us into the courtroom for the trial that made headlines across North America as Mitchell was acquitted of murder Though the formal plea was insanity the defence built its case on the unwritten law that justified killing to protect or avenge family honour Based on court records and archival sources this case study includes a detailed examination of the trial the media s response to it and the dramatic aftermath and sheds light on the rise of ardent religion in the Pacific Northwest the justice system in Seattle and the role of the press in influencing public opinion Vigilante Newspapers Gerald J. Baldasty,2010-03-01 This riveting work of social history documents the role the news media played in spurring two murders revolving around Edmund Creffield a charismatic Holy Roller evangelist who arrived in Corvallis Oregon in 1903 and quickly enraged the citizenry by defiantly challenging the religious and sexual mores of the time When ardent female followers began refusing to speak to their nonbelieving husbands vigilantes tarred and feathered Creffield eventually forcing him to flee to Seattle Once there Creffield was murdered by George Mitchell the brother of one of his followers The news media in Seattle and Oregon applauded George s defense of his sister Esther s honor influencing the jury Citing temporary insanity the jury quickly acquitted George pleasing the cheering crowds and the approving media As George prepared to return to Oregon however Esther shot him point blank at Union Station and another moralizing media frenzy broke out Esther was sent to Western State Hospital and committed suicide after her release Her short life was among the most poignant of the dozens wrecked by the controversy Gerald Baldasty s examination of Seattle and Oregon media coverage shows the tenacity with which frontier media protected traditional mores particularly the notion that men are responsible for women s purity and have the right to take action if they feel another man has besmirched a woman s honor Expertly crafted in a brisk accessible style Vigilante Newspapers illustrates through the tragic tale of Edmund Creffield George Mitchell and Esther Mitchell how the news media defined social deviance using vague concepts such as hysteria and temporary insanity vigorously defending the established order of religious class and gender norms
