Raising Pastured Rabbits for Meat Nichki Carangelo,2019-12-10 An accessible practical resource for pasture based rabbit production complete with rabbit husbandry basics enterprise budgets and guidelines for growing processing and selling rabbits commercially In recent years there has been talk in the food world that rabbits make more sense than chicken In a country with a 41 billion broiler chicken industry this might seem like a pretty bold statement but it s hardly unsubstantiated And yet while media has been abuzz about the

supposed super protein very few farmers are stepping up to meet the rapidly increasing interest in sustainably raised rabbit meat This is partly due to the lack of available resources in the field of rabbit husbandry Raising Pastured Rabbits for Meat is the first book to address the growing trend of ecological rabbit husbandry for the beginning to market scale farmer Inspired by Daniel Salatin who has long been considered the pioneer in integrated rabbit farming Nichki Carangelo proves that a viable pasture based rabbitry is not only possible and user friendly it s also profitable In Carangelo s approach happy healthy rabbits are seasonally raised outside on pasture using a pasture and wire hybrid system that promotes natural behaviors and a diverse diet while effectively managing the associated risks Raising Pastured Rabbits for Meat offers valuable information on how farmers can build their own rabbit enterprise from scratch and includes tips on breed selection breeding techniques nutrition guidelines record keeping tools slaughtering and butchering instructions marketing advice and enterprise guides to help farmers plan for profitability This is an essential guide for anyone interested in integrating rabbits onto a diversified farm or homestead Nichki Carangelo s Raising Pastured Rabbits for Meat is like a long chat with a warm and generous friend who s sharing advice based on her own experience hard won from both her successes and her mistakes which you won t have to repeat Her approach is pragmatic and flexible never doctrinaire Harvey Ussery author of The Small Scale Poultry Flock

The Rabbit-Raising Problem Solver Karen Patry,2014-01-01 Discusses how to care for rabbits at every stage of life and addresses concerns about housing and breeding Backyard Meat Rabbits Boyd Craven,2013-11-10 The Urban Rabbit Project Volume 1 Backyard Meat Rabbits This is the first in a series called The Urban Rabbit Project that will share all of our different experiences with rabbits Each Future Volume will build on the prior Volumes but could be read as a stand alone book The idea is to allow the reader greater flexibility in choosing what interests them and what they find helpful to them For example this one is aimed obviously at those considering the idea of starting a small backyard herd of meat rabbits but does NOT actually get into any aspects of harming any It stops short of that So if one can overlook references to meat rabbits it could be helpful to those interested in having outdoor pet rabbits too There are many books about raising rabbits I find most very general including information on keeping rabbits as pets raising rabbits for show and breeding rabbits to sell to processors for profit This book will focus specifically on and only on sharing with the reader our personal experiences and methods of raising meat rabbits on our 120 x120 city lot in Michigan as self sufficient meat for our family It stops short of the actual harvesting process I m often on my soapbox in support of the argument that it s easier for a family to need less than to spend more money to buy quality food Done our way rabbit meat can cost close to zero after the initial setup is paid for There are no taxes to pay no middleman no anything It s just like we ve added a meat section to our garden Then just like we do with our extra tomatoes zucchini and cucumbers from our garden we can share or trade with our neighbors who don t have any It s that simple Backyard Meat Rabbits can benefit every family on the planet in my humble opinion Next in the series The Urban Rabbit Project Volume 2 Beyond The Pellet Feeding Rabbits Naturally In Volume 2 I am joined by a gentleman

with over 30 years of knowledge and experience in feeding meat rabbits Mr Rick Worden owner of Rise And Shine Rabbitry and RiseAndShineRabbitry com will share with us his take on going Beyond The Pellet Like myself Rick has worked extensively at moving away from commercial feed and towards natural feed for our rabbits We write this together aimed at a more advanced audience of Rabbiters looking to take control of what their rabbits eat what their feed costs are and ultimately what they eat

Raising Rabbits Introduction

In the digital age, access to information has become easier than ever before. The ability to download Raising Rabbits has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Raising Rabbits has opened up a world of possibilities. Downloading Raising Rabbits provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Raising Rabbits has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Raising Rabbits. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Raising Rabbits. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Raising Rabbits, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Raising Rabbits has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
