Stewart, 2010-02 Fathers play the most influential role in the stability and future success of their children Yet so many times children are left to grow up fatherless In *Life Without the Father* Clyde Stewart recounts his experiences as a young black man growing up without a father When he found himself as a teenager with a child he had to make a choice perpetuate the cycle or break free *Life Without the Father* is written to guide men into success as they choose to fulfill their responsibilities as fathers With common sense and spiritual insight Clyde navigates the issues that fathers deal with and leads them to a place where they can see the vast importance of their role in this world He reveals how God's divine purpose has been to entrust the seed of humanity with men and that the blessings of the harvest are only possible through obedience to that calling God has not called fathers in vain however because he has given them the power of his Holy Spirit so that they can accomplish and receive the blessings set before them For those struggling with fatherhood learn to see the true greatness and potential of a solid relationship with your child For those that feel they have nothing to offer find the special calling of God that he has only given to you     *The Occult and Biological Journal* ,1900     **Ghana: a Time to Heal & Renew the Nation** Kwame Afadzi Insaiddoo, 2007-08-08 In this thought provoking book the author takes a critical retrospective glance at the political development of Ghana from its colonial past to the attainment of her sovereignty and highlights the insidious fundamental flaws in the governance of the new nation He unequivocally asserts that the creation of a dysfunctional totalitarian governmental system where a cadre of unseasoned politicians systematically arrogated all power to themselves and zealously prosecuted their political adversaries into oblivion constituted the most fatal fundamental flaw in the governance of the nation He points out that the military's delusional belief in their self appointed messianic role of liberating and redeeming Ghana from the odious dictatorship imposed on the people opened up the nation to the Pandora's box of bureaucratic ineptitude gross power abuses poorly conceived and haphazardly implemented programs which precipitated political instability stagnation and decay of the institutions of state leading to the exodus of Ghanaians abroad The dominant theme that permeates throughout the book revolves around the prevalence of the underlying institutional malaise inherited from colonial political structures which concentrate too much raw political powers in the hands of the presidency This accumulation of near absolute power elevates our presidents to the status of benevolent dictators and so their policies go virtually unchallenged This lack of checks and balances in our political system enabled the colonialists to totally exploit our people and when our Ghanaian leaders governed our new nation in this same odious system they got the

opportunity like the colonial masters to exploit and arrogate power to themselves while utilizing the legal system as a weapon to harass their political opponents and silenced them The author argues that this incompatibility of the colonial system with the political development of modern Ghana is the root cause of our political polarization endemic instability and pervasive poverty      *Application of The Perfect Redemption Plan: Volume 7* Gery Malanda, This book deals with the new mindset we have and how to live in the Kingdom of God with constant renewal of our minds It deals with the disciples and fasting and reading the word and worshipping God How we are to pray and discipline our lives with fasting and prayer and how to do it with the right motives It also explains the different fasts we can do We learn how to practice righteousness and walk in righteousness and stop pointing the finger and blaming everyone else for our failures How to have our light shine in the darkness of this world      **The American Flint** ,1928      *The last days of Pompeii, by the author of 'Pelham'*. by sir E.
